THE UNIVERSITY OF NORTH CAROLINA

OFFICE OF THE PRESIDENT

ADMINISTRATIVE MEMORANDUM

SUBJECT REASSIGNMENT OF DUTIES OF FACULTY MEMBERS FOR STUDY FOR ADVANCED DEGREES

NUMBER 148

DATE February 25, 1981

The Board of Governors has established a Faculty Doctoral Study Assignment Program, and this program is now supported by $400,000 annually in General Fund appropriations. Consistent with the purposes of that program, and the objectives it is designed to foster, we want to be able to make reasonable and appropriate arrangements to accommodate further support for advanced study that might come to institutions from other sources. It is important, however, that we avoid being placed in a situation that requires appropriate clearances for budgetary or other purposes after the fact.

Accordingly, to avoid these errors and to expedite these requests for you, effective this date, please follow this policy: Except for those persons receiving an appointment under the Faculty Doctoral Study Assignment Program, no faculty member is to be given a leave or reassignment with pay from State funds for purposes of study toward an advanced degree unless the leave or reassignment is first approved by this office.
