The committee is keeping a close eye on the appropriations process and working with delegation staff to ensure that the University's priorities are considered. Associate Vice President Rhinehardt will provide information to contact members of our congressional delegation on key upcoming votes. Mr. Hans reminded members that public affairs is the responsibility of the entire board, not just the members of the committee.

Mr. Hans stated that Vice President Fleming reminds members to keep June 7, 2006, on their calendars as a day to gather and lobby the legislature for the University's priorities. He added that more details will soon follow.

REPORT OF THE COMMITTEE ON UNIVERSITY GOVERNANCE
