

## APPENDIX I

### **Request for Authorization to Discontinue Degree Programs at UNC Chapel Hill**

#### **Request**

UNC Chapel Hill requests that two degree programs be discontinued: the DrPH in Epidemiology (CIP 26.1309) and the MS in Speech and Hearing Sciences, Audiology (CIP 51.0202). With the establishment of the AUD degree in Audiology, the MS degree in Speech and Hearing Sciences, Audiology is no longer needed and has no enrollments. An MS in Speech and Hearing Sciences, Speech and Language Pathology will continue to be offered. The School of Public Health has decided that with a PhD degree available in Epidemiology, the DrPH degree is no longer needed and that degree program has no enrollments. MPH and MSPH degrees in Epidemiology are also offered.

#### **Recommendation**

It is recommended that the Board of Governors approve the request by UNC Chapel Hill to discontinue the DrPH in Epidemiology (CIP 26.1309) and the MS in Speech and Hearing Sciences, Audiology (CIP 51.0202) degrees effective September, 2005.
