

302 A. Appointment of Members.

The chair of the Board of Governors shall appoint voting members of the board to standing committees. The term of each voting member of a standing committee shall normally be two years, commencing upon the effective date of the appointment to the committee and extending until a successor is appointed. The voting membership of each committee shall be divided into two classes, with the terms of approximately one-half of the members expiring each year. To achieve balance and efficiencies in the committee system, the chair may appoint members to one-year terms or reassign members who have served one year of a two-year term. The chair shall appoint members of standing committees to take effect at the first meeting of the committee after July 1. If a voting member has served on a standing committee designated in subsections 301 B-E above for four consecutive years, the member shall be, for a period of one year, ineligible for reappointment to the same standing committee. If a vacancy occurs on a standing committee during a term, the chair of the board may appoint a voting member of the board to fill the remainder of the unexpired term.
