

**Progress Report and Lessons Learned**  
**UNC-Chapel Hill/ECSU Doctor of Pharmacy Partnership Program**  
**September 11, 2008**

**I. Progress Report**

- **PharmD Enrollment on ECSU Campus (2008-2009)**  
PY1-11  
PY2-10  
PY3-10  
PY4-13
- **Curricular Delivery**
  - Students on the ECSU campus receive majority of their core instruction through videoteleconferencing (VTC).
  - All three years of didactic coursework for the PharmD Program have been delivered successfully to students on the ECSU campus, including 36 elective courses.
  - First cohort of 13 students will graduate in May 2009.
- **Pedagogical Issues**
  - Experience with VTC.
  - On-line learning modules.
- **Strategic Plan for Recruitment**
  - Established an Office of Recruitment and Diversity Initiatives and hired Carla White Harris as director.
  - Wachovia Pharmacy Fellows Program.
- **Technology Upgrades**
- **Capital Building Project**

**II. Lessons Learned**

- **Accreditation Issues**
  - A single accreditation is granted to multi-campus programs by the Accreditation Council for Pharmacy Education (ACPE).
  - ACPE intends to compare data between the Chapel Hill and Elizabeth City campuses.
- **Experiential Education**
- **Educational Excellence and Innovation**
