

APPENDIX I

Request for Authorization to Discontinue the Bachelor of Science Program in Industrial Technology, Electronics at Appalachian State University

Requested Action

Appalachian State University requests that the Bachelor of Science in Industrial Technology, Electronics (CIP #15.0303) be removed from the UNC Academic Program Inventory.

Rationale

This proposal is based both upon the program's low enrollment and our Appalachian State's need to optimize the use of the space that it currently occupied. They plan to admit no new students into the program as of Fall 2005 but would, of course, make provision for all of those currently enrolled to complete it.

Recommendation

It is recommended that the Board of Governors approve the request to discontinue the Bachelor of Science. in Industrial Technology, Electronics at Appalachian State University. effective March 18, 2005.
