

APPENDIX G

Severance of Improvements – East Carolina University

The Board of Trustees of East Carolina University has requested approval of the disposition by demolition of improvements on campus property.

The buildings to be severed are two masonry structures totaling 6,214 square feet. These buildings are located at 219 and 221 Cotanche Street adjacent to the old *Daily Reflector* building. The *Daily Reflector* building has recently been renovated to serve as the campus information technology facility. Demolition of these structures will provide space for a parking area to serve this facility.

It is recommended that the request of the Board of Trustees be approved and transmitted to the Council of State for final action.
