

## APPENDIX B

### Authorization of New Capital Improvements Projects – East Carolina University

East Carolina University has requested authority to establish three new capital improvements projects.

The first project would provide for the renovation of the information and ticketing areas of the main lobby in the Mendenhall Student Center. The project is estimated to cost \$235,900 and would be financed from student center receipts.

The second project would replace the student room doors on floors two through four of the Jones Residence Hall at an estimated cost of \$224,300. The project is to be financed from residence hall receipts.

The third project would provide 1,000 parking spaces to replace parking that has been eliminated from the main campus as a result of the construction of several projects. The project is estimated to cost \$324,100 and would be financed from parking receipts.

It is recommended that the projects be authorized and that the methods of financing as proposed by East Carolina University be approved.
