

APPENDIX D

Authorization of New Capital Improvements Project – The University of North Carolina at Greensboro

The University of North Carolina at Greensboro has requested authority to establish a new capital improvements project to provide a new recreational field building on campus.

The building would contain bathroom facilities, dressing areas, storage areas, and offices to serve intramural/club sport activities. The project is estimated to cost \$300,000 and would be financed from available balances in auxiliary accounts.

It is recommended that the project be authorized and that the method of financing as proposed by the University of North Carolina at Greensboro be approved.
