Resolution Honoring

Molly Corbett Broad

on the Completion of Her First Five-Year Term
as President of the University of North Carolina

Whereas Molly Corbett Broad has completed a successful five-year term as President of the University of North Carolina; and,

Whereas, under her leadership, enrollment at the University's sixteen constituent campuses has increased by 17,600 students, including growth in enrollment by minority students of nearly double the rate for all students; and,

Whereas more than 120 new academic programs have been initiated and over 160,000 degrees have been awarded during her term as President; and,

Whereas during her presidency external grant funds have grown by over \$200 million dollars, leading to the University's rank as third nationally among public university systems in the level of external support; and,

Whereas President Broad led a successful campaign for the largest higher education bond issue in United States history, providing \$3.1 billion for new and expanded buildings for North Carolina's public universities and community colleges; therefore,

Be it resolved that the Faculty Assembly of the University of North Carolina commends President Molly Corbett Broad for her outstanding leadership of the University of North Carolina during a difficult budgetary period.

Resolved this 20th day of November, 2002.
