Campus Liaison Assignments / Responsibilities

Beginning in August 2009, the Committee continues its discussion to define campus liaison responsibilities with a focus on being an advocate for each campus, to the extent possible, particularly in communicating their needs and positions on policy considerations.

The Committee proposed that the Board of Governors will continue to be represented by a board member at Spring Commencements, specifically to present the Award for Excellence in Teaching. It is the intention of the committee to have representation at Winter Commencements at the specific request of a chancellor or a member of the Board of Governors.

UNC Health Care System

In October 2009, the Committee received President Bowles' appointment of Julia Sprunt Grumbles and the reappointment of A. Dale Jenkins, Charles D. Owen III, and James H. Speed, Jr., to serve on the UNC Health Care System Board of Directors. The Board of Governors approved the Committee's recommendation to ratify each of these appointments.

Litigation Requests / Settlements

In November 2008, the Committee approved the request of the University of North Carolina at Chapel Hill to settle a Caveat Proceeding brought by heirs in the estate of John Christopher Wieters III.

In February 2009, the Committee approved the request of Western Carolina University to settle litigation titled *Crossley v. Western Carolina University*.

In March, the Committee approved the request of Appalachian State University to settle litigation titled *Crossley v. Appalachian State University*.

In May, the Committee received an update from the University of North Carolina at Chapel Hill regarding litigation titled *Ward Transformer v. the University of North Carolina at Chapel Hill.* No action was sought or taken.

Amendments to The Code

North Carolina Statute 116-31, *Membership of the Boards of Trustees* that deals with trustee eligibility was amended in 2007 in such a way to impact Section 400 A. (5) of *The Code* dealing with membership provisions of the boards of trustees. In February 2009, in order to bring *The Code* into compliance with the statute change, the Committee received and approved a proposed amendment to Section 400 A. (5) of *The Code*. The Board of Governors approved these amendments in March.

In September 2009, the Committee approved proposed changes to Sections 604 and 605 of *The Code*. These changes are related to faculty issues and were reviewed and approved by the Committee on Personnel and Tenure. The Board of Governors approved these amendments in October.

Policy Changes

In August 2009, the Committee recommended approval of proposed amendments to footnotes of Policy 200.1, *Dual Memberships and Conflicts of Interest*. These amendments were approved by the Board of Governors at its September meeting.

Department of Defense Classified Research

The accreditation process for the University of North Carolina at Charlotte Closed Facility to meet the requirements of the National Industrial Security Program Operations Manual under which the campus will be conducting research involving Department of Defense classified information requires the Board of Governors to pass a resolution naming those members of the Board who will not have access to the information and therefore not be required to have personal security clearances. The Board of Governors approved the required resolution in August 2009.

Center for International Understanding Advisory Board

The Board of Governors appoints one member of the Board to the Center for International Understanding Advisory Board. In September 2009, the Board of Governors approved the Committee's recommendation to appoint Phillip R. Dixon to serve on the Advisory Board.

Presidential Resolution

In May 2009, the Committee considered a resolution authorizing the President of the University to implement emergency measures affecting university personnel. These changes were reviewed and approved by the Committee on Personnel and Tenure. The Board of Governors approved this resolution.

Dear Chancellor Brady

It is with much regret that I resign from the board at this time due to health concerns. My resignation is to be effective immediately.

Please let me know if I can be of any assistance in the future. I can be reached at the address and number above.

OFFICE OF THE CHIEF EXECUTIVE OFFICER

Mr. Bart Corgnatti Secretary of the University UNC General Administration Post Office Box 2688 Chapel Hill, North Carolina 27515-2688

Dear Mr. Corgnati:

We are privileged to be notifying you that we will need two new appointments from the UNC Board of Governors for service on the boards of University Health Systems of Eastern Carolina and Pitt County Memorial Hospital beginning March 2009.

Mr. Ernest L. Evans., occupying seat number 11, was appointed to our board in June of 1997 to replace Mr. Billy Mills. Mr. Evans was reappointed to that seat for two five-year terms, and has now completed his years of service. Mr. Evans has been a valued member of our Board where his leadership skills have been shared and appreciated.

Mr. Robert V. Owens, Jr. (Bobby), occupying seat number 17, was appointed to our board in March of 2000 by the Pitt County Board of Commissioners and was appointed to occupy seat number 1 by the University of North Carolina Board of Governors in March of 2005. Having served two five-year terms, Mr. Owens has completed his years of service to our Board. He as been an asset to our board and he will be missed.

We would like to make the following recommendations for appointment by the Board of Governors to fill these seats:

Mr. Bruce N. Austin, Jr.
Michelle Jones, MD
Mr. Arthur H. Keeney, III
Ms. Mary Pauline Johnson, MSN, RN, FAAN

We are confident that Mr. Austin and Mr. Keeney, whose short bios are attached, would be willing to serve while we have not explored the possibilities with Ms. Johnson or Dr. Jones.

As information for the UNC Board of Governors and for distribution to prospective board members, we have attached a "Governing Board" document developed to outline responsibilities and time commitments for prospective UHS/PCMH board members to consider. This document was developed to help appointing bodies and prospective board members to understand the role of a member of our board.

Thank you for your support of our medical center.

Sincerely Yours,

Dave C. McRae

ETHICS AND ATTENDANCE STANDARDS FOR GUBERNATORIAL APPOINTEES TO BOARDS

EXECUTIVE ORDER NUMBER 34

WHEREAS, the Governor appoints members to various boards, commissions, committees, councils, and similar entities (hereinafter "boards"); and

WHEREAS, it is essential for the public and the Governor to have confidence in the members of boards and the work done by such boards; and

WHEREAS, gubernatorial appointees to boards must maintain the highest ethical and board attendance standards; and

WHEREAS, the failure of appointees to maintain high ethical standards erodes public confidence in the actions of boards; and

WHEREAS, the excessive absences of appointees from board meetings diminishes the effectiveness of the entire board.

NOW, THEREFORE, by the power vested in me as Governor by the Constitution and laws of the State of North Carolina. **IT IS ORDERED:**

- 1. In transacting board business, each person appointed by the Governor shall act always in the best interest of the public without regard for her or his financial interests. To this end, each appointee must recuse herself or himself from voting on any matter on which the appointee has a financial interest.
- 2. No person appointed by the Governor to serve on a board shall accept a gift from any contractors, subcontractors, or suppliers of the appointee's board. This provision does not prohibit an appointee from accepting a gift that would be permitted under the State Ethics Act, regardless of whether the appointee is covered by the State Ethics Act.

- 3. If any person appointed by the Governor to serve on a board is indicted for a felony by a state or federal grand jury or fails to fully cooperate in an investigation conducted by a state or federal agency pursuant to law, such action shall constitute grounds for removal from the board for misfeasance, malfeasance, or nonfeasance pursuant to N.C. Gen. Stat. § 143B-13(d), N.C. Gen. Stat. § 143B-16, or other applicable statutes or regulations.
- 4. All persons appointed by the Governor to serve on a board shall attend at least 75 percent of all regularly scheduled meetings of the board during the board's calendar year. Failure of a board member to attend board meetings in a manner consistent with this Order shall constitute grounds for removal from the board for misfeasance, malfeasance, or nonfeasance pursuant to N.C. Gen. Stat. § 143B-13(d), N.C. Gen. Stat. § 143B-16, or other applicable statutes or regulations.

This Executive Order shall be effective immediately and shall remain in effect until rescinded.

IN WITNESS WHEREOF, I have hereunto signed my name and affixed the Great Seal of the State of North Carolina at the Capitol in the City of Raleigh, this ninth day of December in the year of our Lord two thousand and nine, and of the Independence of the United States of

America the two hundred and thirty-fourth.

EXECUTIVE ORDER NO. 35

ETHICS STANDARDS FOR CERTAIN BOARDS

WHEREAS, the General Assembly, Governor, other state officials, or state agencies have established numerous boards, commissions, councils, committees, task forces, or similar entities (hereinafter "boards") to assist the State in its work for the citizens of North Carolina; and

WHEREAS, to provide the expertise necessary to perform the complex advisory and other functions of such boards, the membership of such boards may include persons who have professional or economic interests that relate to the functions of the board; and

WHEREAS, the General Assembly has concluded that the State Government Ethics Act does not cover public entities that have only advisory authority, and the State Ethics Commission has determined that the boards subject to this Order have only advisory authority; and

WHEREAS, it is nevertheless important that such boards exercise their advisory responsibilities in a transparent manner so that the Governor and citizens will have full knowledge of the professional and economic interests of the board members as the State evaluates their expert advice provided to their boards; and

NOW, THEREFORE, by the power vested in me as Governor by the Constitution and laws of the State of North Carolina, **IT IS ORDERED:**

- 1. This Executive Order shall apply to the following boards (hereinafter "covered boards"):
 - a. North Carolina Aeronautics Council
 - b. Advisory Committee on Cancer Coordination and Control
 - c. North Carolina Community Development Council
 - d. State Criminal Justice Partnership Advisory Board
 - e. North Carolina Council for the Deaf and Hard of Hearing
 - f. Energy Policy Council
 - g. North Carolina Film Council
 - h. North Carolina Travel and Tourism Board
 - i. North Carolina Forestry Council
 - j. Economic Development Board

- k. Information Technology Advisory Board
- 1. State Water Infrastructure Commission
- m. Interagency Coordinating Council for Children from Birth to Five with Disabilities and Their Families
- n. School Technology Commission
- o. Domestic Violence Commission
- p. Budget Reform and Accountability Commission
- q. StreetSafe Task Force
- 2. The members of the covered boards shall always act in the best interests of the public and shall bring their particular knowledge and experience to the covered board to serve the public interest.
- 3. The following process shall be observed for all meetings at which the covered board or any subcommittee of such board takes any action:
 - a. At the beginning of each meeting, the Chair shall remind all members of their duty to act always in the best interest of the public without regard for their financial or other interests and that they should recuse themselves from voting on any matter on which they cannot meet this standard.
 - b. Prior to conducting any business, each member shall disclose any financial benefit he or she may derive from any matter coming before the covered board or subcommittee for action at that meeting. A member derives a financial benefit from a matter under consideration if the person or his or her spouse (i) has an ownership interest in an entity that is directly affected by the matter under consideration; (ii) will derive any income or commission as a direct result of action on the matter under consideration; or (iii) will acquire property as a direct result of action on the matter under consideration. When any member indicates that he or she will derive a financial benefit from a matter coming before the covered board or any subcommittee, the member shall recuse himself or herself from voting on the matter, unless the chair determines that the member's financial benefit is so remote or insignificant that a reasonable person would conclude that the member's ability to perform his or her official duties would not be compromised.
 - c. Prior to conducting any business, each member also shall disclose any other interest(s) he or she may have, in any matter coming before the covered board or subcommittee for action at that meeting, that might cause a reasonable person to question the member's impartiality due to such interest. The Chair will determine if the member needs to recuse himself or herself from voting on the matter in order to ensure the integrity of the actions of the covered board or subcommittee.
 - d. A member who has recused himself or herself from voting is not prohibited from deliberating on the matter unless the Chair determines, after review, that participation by the member in deliberations would impair the integrity of the actions of the covered board or subcommittee.

- e. The minutes of the covered board and its subcommittees will reflect all disclosures and recusals made pursuant to this section, and such minutes will be provided to the state official or entity with authority over the board for review with any recommendations from the board.
- f. A challenge to a member's participation in a vote on issues under this Executive Order may be raised only by a member of the covered board or a state employee who regularly works with the covered board. In such case where a challenge is made, the Chair, in consultation with the covered board's legal counsel, shall determine whether the challenge is valid and the action that should be taken.
- g. For the purposes of this Executive Order, the term "Chair" means the Chair of a covered board or the Chair of any subcommittee of a covered board. In the absence of the Chair or if the financial or other interests of the Chair must be reviewed pursuant to this section, then the Vice-Chair of the covered board or subcommittee shall make the determinations required by this section.
- 4. No member of a covered board shall improperly influence or attempt to influence state employees in performing their responsibilities to the covered board for any action in which the member has a direct, conflicting financial or other interest.
- 5. This Executive Order is for the Governor's and other state officials' purposes in reviewing and approving or amending proposals or recommendations of the covered boards. This Order does not and should not be construed to create any rights, nor create claims under the State Ethics Act or other laws of this State.
- 6. Any covered board under this Executive Order that is subsequently determined to be subject to the State Ethics Act will no longer be subject to this Executive Order.

This Executive Order is effective immediately and shall remain in effect until rescinded in writing.

IN WITNESS WHEREOF, I have hereunto signed my name and affixed the Great Seal of the State of North Carolina at the Capitol in the City of Raleigh, this ninth day of December in the year of our Lord two thousand and nine, and of the Independence of the United States of
