MEMORANDUM

TO: Members, Committee on Educational Planning, Policies, and Programs

FROM: Alan Mabe

DATE: August 2, 2010

SUBJECT: Reauthorization of Master's of School Administration Programs (MSA)

Background:

Over the past year and a half all MSA programs have gone through a review process involving national, state, and local reviewers. Each programs had to do a thorough self-study and propose how their program would meet new State standards and meet the contemporary needs in North Carolina for school leaders. At the April Board meeting ten of the programs were recommended for reauthorization. The ten were recommended by the Committee and approved by the Board. Three programs needed to do further revisions, so the Board authorized the President to approve those three programs when they were ready.

Jurisdictional Authority:

Reporting on authority delegated to the President by the Board.

Issues Involved:

Programs needed to complete additional revisions.

Recommended Action:

No action necessary; report on authority delegated to the President.

PRESIDENTIAL ACTIONS WILL BE REPORTED AT THE COMMITTEE
