Dear Chancellor Peacock and Chair Collins:

The Committee on University Governance has begun deliberation on the 2011 trustee selection process. We seek your recommendations of nominees for election or reelection by the Board of Governors to your Board of Trustees. Peaches G. Blank is assigned as the campus liaison to work with you during this process and throughout the year on governance issues. I have asked Peaches to contact you both to discuss your recommendations.

I encourage you to forward your written recommendations to Mr. Bart Corgnati, who staffs the committee, by December 15, 2010. Please provide the nominee's resume, preferred mailing address, telephone information, and email address, utilizing the attached trustee nomination form. This will assure that we can develop and maintain an accurate nominee database, permit determination of the individual's willingness to serve, and discern any potential conflicts of interest.

The Committee will look closely at the skills and qualities needed for effective trusteeship, work to promote the diversity on your board, and ensure that trustees eligible for reelection have satisfactory attendance at your board meetings and are actively engaged in campus activities.

Attached is the calendar of events that the Committee has agreed to follow. We will present a provisional slate to the Board of Governors in April hoping to begin orientation for both Board of Governors nominees and gubernatorial appointees in late April and May. The committee's goal is to recommend to the voting members of the Board of Governors the best slate of candidates to serve your campus and the University. Please be reminded that a nomination does not ensure election. If you would like to discuss current members or potential nominees, please call me or your assigned campus liaison.

Sincerely,

R. Steve Bowden
Chairman, Committee on University Governance
