### Sale of Revenue Refunding Bonds – Appalachian State University

Appalachian State University desires to refund its Housing and Student Center System Revenue and Refunding Revenue Bonds, Series 1993, to take advantage of lower interest rates currently available. The University is now ready to proceed with the refinancing and requests authority to issue bonds not to exceed \$16,000,000 to defease some or all of the 1993 Bonds.

It is recommended that the following Resolution be adopted and that the Vice President for Finance be authorized to issue the revenue bonds at such time as the net present value equals or exceeds \$233,000.
