

***Faculty Appeals to the Board of Governors  
July 1, 2006 – June 30, 2011***

**Total number of appeals:** 31

Non-reappointment: 27

Non-reappointment only: 11\*

Non-reappointment/denial of tenure: 16

Percentage of tenure cases appealed to the BOG: 000.77%\*\*

Other:

Dismissal with cause: 2

Did not consider: 2

*\*For 2009-10, campuses had approximately 5,867 in non-tenure track faculty appointments. Multiplied times five, this number gives an approximation of the denominator necessary to calculate a percentage:  $(29,335/11 = 0.03750\%)$*

*\*\*Percent is actually lower as denominator does not include data from two institutions*
