Mr. Bart Corgnatti Secretary of the University UNC General Administration Post Office Box 2688 Chapel Hill, North Carolina 27515-2688

Dear Mr. Corgnati:

We are privileged to notify you that we have a total of two reappointment requests for the UNC Board of Governors for service on the boards of University Health Systems of Eastern Carolina and Pitt County Memorial Hospital beginning March 2011.

Mr. A. Ray Rogers, Seat # 20 was appointed to a full five-year term in March of 2007 and is eligible for another five-year term. In addition to serving on the Board, Mr. Rogers serves on the Personnel Committee, the Building Committee and the Rehabilitation Committee. Mr. Rogers has served our board with dedication and commitment. We consider him a valuable member of our Board and strongly recommend his reappointment as a member of our Board.

Ms. Thomasine Kennedy, Seat #5 was appointed in March of 2007. Seat #5 is that seat which the UNC Board of Governors appoints after reviewing nominations by a committee of UNC appointees to the Pitt County Memorial Hospital Board. This committee recommends the reappointment of Ms. Kennedy. Since Ms. Kennedy is eligible for reappointment, the nominating committee did not develop a slate of nominees for submission to the UNC Board of Governors.

Two of our board members, Ms. Janice Faulkner in Seat #18 and Mr. Jeffery Turner in Seat #4 have both tendered their resignations. We will need replacements for both of those seats and at this time would like to recommend the appointment of Ms. Mary Pauline "Polly" Johnson, MSN, RN, FAAN to serve in one of these seats. We would like to be allowed a little more time to consider our options before making a recommendation for the second seat. A copy of Ms. Johnson's Curriculum Vita is attached.

As information for the UNC Board of Governors and for distribution to prospective board members, we have attached a "Governing Board" document developed to outline responsibilities and time commitments for prospective UHS/PCMH board members to consider. This document was developed to help appointing bodies and prospective board members to understand the role of a member of our board.

Thank you for your support of our medical center.

Rame C. McRan

Sincerely Yours,

Dave C. McRae

Chief Executive Officer

Mr. Bart Corgnati
Secretary of the University
General Administration
P.O. Box 2688
Chapel Hill, North Carolina 27515-2688

Dear Mr. Corgnati:

You received a letter from Mr. Dave McRae dated January 9, 2012 notifying you about nominees for the UNC BOG appointment for service on the boards of UHS and PCMH (now Vidant Health and Vidant Medical Center).

ECU is fully in support of the reappointment of Mr. Ray Rogers for Seat #20 and Ms. Thomasine Kennedy for Seat #5. In addition, ECU supports the appointment of Ms. Polly Johnson for one of the two open seats (#4 or #18) recently vacated by resignations of current board members, Ms. Janice Faulkner and Mr. Jeffrey Turner.

We continue to work with the Vidant Health leadership to clarify a method for jointly submitting nominees to the Board of Governors such that these communications represent a collaborative vetting process for potential nominees that ECU and Vidant Health can use in determining names to be forwarded to the BOG for consideration. We believe such an approach would be more consistent with the values and goals reflected in the Affiliation Agreement and will better demonstrate a shared commitment of both institutions to recommend the best possible individuals for appointment to a board which oversees this major clinical enterprise that is simultaneously the primary teaching hospital for ECU's medical and health sciences programs.

Thank you for your support of our medical center and University.

Sincerely,

Steve Ballard Chancellor
