March 25, 2013

Mr. Bart Corgnati
Secretary of the University
UNC General Administration
Post Office Box 2688
Chapel Hill, North Carolina 27515-2688

Dear Mr. Corgnati:

This letter is to advise you that Mr. Bruce Austin, an appointment by the UNC Board of Governors to the Vidant Medical Center Board of Trustees has recently resigned. Mr. Austin was appointed to seat number one in March 2010 for a term of five years ending in March 2015. His resignation is effective immediately.

Over the next few weeks, we will be working together to identify and recommend a highly qualified candidate to fill this unexpired term. Our goal is to submit this information for consideration by the Board of Governors during the June 2013 meeting.

We thank you for your support as we work collaboratively to fill this position in the near future.

Sincerely,

David C. Herman, MD
President & CEO

Mr. Bart Corgnati
Secretary of the University
UNC General Administration
Post Office Box 2688
Chapel Hill, North Carolina 27515-2688

Dear Mr. Corgnati:

It is our pleasure to submit the name of Dr. Thomas J. Bacon to the UNC System Board of Governors for consideration as a member of the Vidant Medical Center Board of Trustees. This appointment will fill Seat Number One that was held by Mr. Bruce Austin who resigned from the Vidant Medical Center Board of Trustees on March 11, 2013.

Dr. Bacon is Director of the North Carolina Area Health Education Centers (AHEC) Program and Executive Associate Dean in the University of North Carolina-Chapel Hill School of Medicine, a position he has held since 1996 and from which he will be retiring this year. In his role as Director he has targeted AHEC resources to strengthen its core programs and invest in areas of high priority need for a rapidly changing health care environment. AHEC has invested in new technologies to expand access to health information and educational programs for students and health professionals. It has strengthened its diversity program and invested in efforts to recruit more underrepresented students into health careers. All of these efforts have served to strengthen the ability of health care providers to serve their patients, their communities, and North Carolina.

Dr. Bacon has a long standing interest in health workforce research and policy, with particular focus on the training, recruitment and retention of health professionals to serve rural and other underserved populations. His substantial experience in health care delivery and workforce development will serve the Vidant Medical Center Board well. We are certainly pleased that Dr. Bacon has confirmed a commitment to serving on the Vidant Medical Center Board should he be appointed by the UNC System Board of Governors.

Thank you for considering Dr. Bacon. His service will help assure the continued success of Vidant Medical Center and the Brody School of Medicine.

Sincerely,

David C. Herman, MD
President & Chief Executive Officer
