**Assessment:** It is essential to repair roofs, structures, and equipment damage as well as remove fallen and damaged trees causing a safety hazard to students and employees.

**Action:** This item is for information only.

### Declaration of Emergency Capital Improvements Project – Elizabeth City State University

The Chancellor of Elizabeth City State University informed the President of the need to invoke emergency procedures as allowed by G.S. 143-129 to provide for a new capital improvements project to address a matter of health and safety on campus.

Recent tornados in northeastern North Carolina caused damage to several facilities on the campus. The Chancellor declared an emergency to take necessary actions to repair roofs, structures, and equipment, as well as remove fallen and damaged trees. The project, estimated to cost \$297,164, will be funded from a combination of Office of State Budget and Management Repairs and Renovations Emergency Contingency Funds, as well as 2012 Repairs and Renovations funds redirected from other projects.

In accordance with emergency procedures, the State Building Commission and the State Budget Director have been notified.
