Situation: The attached dashboard summarizes activities of University staff pertaining to the

implementation of the Strategic Directions Plan.

Background: The Strategic Directions Plan calls for quarterly meetings of the Committee on

Strategic Planning where the President will submit regular and detailed reports on a quarterly basis. The Committee will provide updates to the full Board at each of

these meetings.

Assessment: Plan activities underway are on track.

Action: This is an information item. No action is required at this time.

The following Action Items are complete. Action Items highlighted in Yellow reflect a new development since the last quarterly dashboard report that was shared with the Committee on Strategic Planning in October. Furthermore, Action Items with recurring annual requirements are tracked on a fiscal year basis and are "re-started" for implementation and tracking at the beginning of each fiscal year. As appropriate, the applicable fiscal year for which a requirement has been met appears in parentheses. Baseline start and end dates also appear in parentheses.
