Re: NCSSM Educational Advisory Council Membership

Dear Mr. Corgnati:

Five members of our Educational Advisory Council are serving terms that expire on June 30, 2005. All these members are eligible for reappointment. We regret that **Dr. William L. Sanders** has not been able to attend any EAC meetings for the past year and a half. He has asked that his term not be renewed. Also, our NCSSM alumnus **Scott Allen Bales** has declined a reappointment as he has a new work situation and is pursuing more schooling. Please announce these two vacancies and we look forward to working with you to fill these positions.

We appreciate your assistance in processing the reappointment of the following:

- David A. Emmerling (Appointed to a partial term 2004)
- Dorothy Mebane (Appointed to a full term 2001)
- Nathan F. Simms (Appointed to a partial term 2004)

The NCSSM Advisory Council provides an important forum for setting the course for our institution. We have been most fortunate to have a talented and active membership. These members up for reappointment are well positioned to provide important insights to our school. We would appreciate the Board of Governors' action to renew their appointments. Thank you for coordinating the appointment process. Please call me if I can provide any further information.

Sincerely,

Gerald L. Boarman, Ed. D
