

Authorization of New Capital Improvements Project – The University of North Carolina at Greensboro

The Board of Trustees of the University of North Carolina at Greensboro has requested the authority to establish a new capital improvements project.

The project, Walker Parking Deck Waterproofing Repairs, will include replacing the water damaged soffits on the upper level of the deck stair towers and reflashings the tower coping and lintels on the North side of the deck.

The project, estimated to cost \$635,000, will be funded from parking receipts. An increase in parking fees will not be required to complete this project.

It is recommended that this project be authorized and that the method of financing as proposed by the University of North Carolina at Greensboro be approved.
