

Policy Changes Regarding the NCSSM to be Considered by the Committee on Governance that involve Educational Planning Issues

Committee on Educational Planning, Policies, and Programs

400.1.5, Improving Graduation Rates

- Excepts NCSSM from policies for improving undergraduate retention and graduation rates and requires the NCSSM to track relevant attrition, completion and graduation rates.

400.1.6, Academic Calendars

- Provides that the Trustees of the NCSSM will set its academic calendar, in accordance with statute.

400.3.6, University Teaching Awards

- Adds NCSSM as a constituent institution that participates in the University Teaching Awards and allocates funding to do so.

700.1.1, Minimum Course Requirements for Undergraduate Admission

- Provides that the standard course of study required for graduation from the NCSSM will meet or exceed the MCRs.

700.1.3, Out-of-State Undergraduate Enrollment

- Excepts NCSSM which may not admit or enroll out-of-state students per statute.
