COOPERATIVE IMPACT

Cooperative Extension agents provide information that enhances agriculture, forest, and food systems, develops responsible youth, builds quality communities, and conserves and improves the environment and natural resources.

NC State and NC A&T amassed nearly 17,000 contacts, creating an economic impact of approximately $620,000 in the county.

CONSULTING SUCCESS

The Small Business and Technology Development Center (SBTDC) provides management counseling and educational services to small and mid-sized businesses in North Carolina.

- SBTDC provided 6 businesses in Madison County with business management, finance, and marketing consulting.

HEALTHCARE UPDATE

- North Carolina Area Health Education Centers (AHEC) provided continuing education and training for 145 health providers, facilitated 3 medical student rotations at area hospitals, and arranged for additional medical training for 5 health students in the county.
- A total of $100,010 in uncompensated medical care was provided to county residents.

SPIRIT OF COLLABORATION

The Western Carolina University School of Education partnered with local schools in the County to improve professional development for teachers, school administrators, counselors, and other educational professionals. The partnership was also designed to renew and improve school curriculum, conduct educational research that improves classroom practice, and share best practices.

The UNC-Chapel Hill School of Government made 164 contacts with Madison County citizens and officials through course participation, publication purchases, teaching sessions, advising projects, a North Carolina benchmarking project, a civic education consortium, and environmental finance advising projects.

LEFT: Percentage of North Carolina public high school graduates from the county who applied and were accepted to at least one UNC institution.

RIGHT: Percentage of undergraduates students from the county using financial aid.
