

NCSSM

December 2011

SPA Staff Council Update

- We had our annual Chancellor's Award of Excellence on 11/4/11. This year's award went to Wanda Munn in the Registrar's Office. This is a well-deserved award and we congratulate Wanda Munn on her dedicated service to NCSSM. Wanda received \$500.00 and her name was added to the Chancellor's Award of Excellence perpetual plaque located in our Bryan Lobby. She also received a plaque for her office.
- We had our Fall Staff Council meeting on Tuesday 11/15/11. We met and discussed ways the NCSSM staff can help with service projects in Durham. The staff will get these service projects approved by their supervisor so they can get paid using their service hours in BEACON.
- During our Fall Staff Council meeting we also discussed Strategic Planning and got updates from staff members that are serving on Action Teams.
- Students and Staff from NCSSM participated in Operation Toy Drop at Ft. Bragg early in December. We collected new toys and Sue Anne Lewis and a group of students took the toys for the annual toy drop.
- The staff will also be preparing for the Have a Heart canned food drive sponsored by the UNC Staff Assembly. This year NCSSM will be collection toiletry items for the less fortunate. We will make our donations to The Durham Rescue Mission/Women's & Children's campus. Have A Heart will be in February 2012.
