

APPENDIX B

Authorization of New Capital Improvements Projects – East Carolina University

East Carolina University has requested authority to establish two new capital improvements projects to be funded from housing receipts.

The first project would provide for renovations to Aycock Residence Hall. Improvements would be made in the computer room, the basement lounge, the laundry room, and restrooms. The project is estimated to cost \$456,100.

The second project would provide for elevator improvements in Fletcher Residence Hall, a nine-story facility with two elevators. The estimated cost of this project is \$478,600.

It is recommended that the projects be authorized and that the method of financing as proposed by East Carolina University be approved.
