

5. Loan Agreement – NCCUJonathan Womer

Situation: North Carolina Central University has requested that the Board approve their entering into a tax free loan in an amount not to exceed \$5.2 million for the purpose of (1) refunding the remaining portion of the Series 2004B University of North Carolina System Pool Revenue Bonds, and (2) paying costs incurred in connection with entering into the loan.

Background: The Board of Governors is authorized to allow loans and other debt and refinance special obligation bonds for capital improvements projects that have been approved by the General Assembly. The projects financed by the Series 2004B bonds have been previously approved by the NCCU Board of Trustees, the Board of Governors and General Assembly, and are available for refinancing.

Assessment: North Carolina Central University currently has an issuer credit rating of A3 by Moody's Investor Service. After issuance of these bonds, it is expected NCCU will maintain its credit rating. The loan agreement will only be entered into if market conditions remain favorable to generate material debt service savings.

Action: This item requires a vote.

Loan Agreement – North Carolina Central University

The Board of Governors is authorized to issue special obligation bonds for capital improvements projects that have been approved by the General Assembly. Although a specific source of funding is used by a campus when retiring these bonds, special obligation bonds are generally payable from all campus revenues excluding tuition, State appropriations, and restricted reserves.

North Carolina Central University has requested that the Board enter into a loan for the purpose of (1) refunding a portion of the Series 2004B University of North Carolina System Pool Revenue Bonds issued for the benefit of North Carolina Central University that result in sufficient savings, and (2) paying the costs incurred in connection with entering into this loan. The loan agreement and note to refund the remaining portion of prior revenue bonds or special obligation bonds issued on behalf of NCCU will not exceed \$5,200,000 and 10 years. It is possible that no bonds will be refunded with this transaction if market conditions at the time of pricing do not produce sufficient savings.

Often campuses will issue special obligation bonds for refinancing but there are a number of fixed costs with issuing bonds in the public market. In addition, the loan amount and expected term are relatively small and short in duration which would probably lead to a higher interest rate and provide less volume to spread the fixed issuance costs if publicly sold. As a result, a tax free loan agreement and note provided by a commercial bank on a private placement basis are expected to be the most cost effective method to refinance.

No credit rating will be obtained for the loan. North Carolina Central University's parity obligations are rated "A3" with a "stable" outlook by Moody's Investors Service. After entering into this loan, it is expected NCCU will maintain its rating.

North Carolina Central University expects to place the loan competitively. Parker Poe is serving as bond counsel; First Tryon Advisors is serving as the financial advisor.

It is recommended that the Chancellor of North Carolina Central University be authorized to enter into a loan between the December 5, 2014 and December 31, 2014 through the following resolution:

NCCU is not in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any agreement or instrument to which it is party; and

NCCU shall take all action and do all things which it is authorized by law to take and do in order to perform and observe all covenants and agreements on its part to be performed and observed under this Agreement and the Note and in order to provide for and to assure payment of the Note and the interest thereon when due, but solely in accordance with and subject to the limitations contained in the Note and this Agreement.

No Representations by the Bank. NCCU acknowledges and agrees that it has selected the property constituting the Special Obligation Bond Projects based on its own judgment and disclaims any reliance on any statements or representations by the Bank with respect thereto.

SPECIAL COVENANTS

Insurance. NCCU covenants that it will maintain or cause to be maintained insurance of such type, against such risks and in such amounts, with insurance companies, captive insurance companies or by means of self-insurance, as are customarily carried by public universities located in the State and of a nature or geographic location similar to NCCU. If NCCU is unable to procure applicable coverage from North Carolina admitted companies because it determines that such coverage cannot be acquired, or cannot be acquired at reasonable rates or on reasonable conditions, then NCCU will immediately retain an Insurance Consultant who shall determine what coverage can be acquired at reasonable rates or on reasonable conditions. NCCU shall procure any such coverages required by the determination of the Insurance Consultant; but if the Insurance Consultant determines that no such coverage can be acquired at reasonable rates or on reasonable conditions, NCCU shall, subject to applicable laws concerning self-insurance or insurance pools, provide coverage by a program of self-insurance or through an insurance pool, including other governmental entities.

No Additional Debt Under Existing Documents; Additional Debt; Liens or Charges. NCCU covenants that neither it nor the Board of Governors on its behalf:

- (1) will issue any other obligations under any existing bond resolution, trust indenture or other financing document which authorizes the issuance of debt obligations secured by revenues or net revenues from any NCCU enterprise;
- (2) will issue any obligations payable from Available Funds, unless such obligations constitute Parity Debt, Subordinate Indebtedness or Other Indebtedness; and
- (3) will create any lien or charge on the Available Funds.

The Board of Governors need not pay or cause to be discharged or make provision for any lien or charge as long as the validity thereof is being contested in good faith by appropriate legal proceedings. Neither NCCU nor the Board of Governors on its behalf will permit a lien to be placed on NCCU property, except in connection with the issuance of Other Indebtedness.

Financial Statements. NCCU shall furnish the Bank, (1) within 210 days after the close of each fiscal year, annual unaudited financial statements and (2) as soon as they are available, annual financial

statements on an audited basis, prepared by the North Carolina State Auditor. NCCU represents and warrants to and covenants with the Bank that all financial statements which have been or may be delivered to the Bank fairly and accurately reflect NCCU's financial condition as of the date thereof and there has been and will be no material adverse change in NCCU's financial condition as reflected in the financial statements since the respective dates thereof. NCCU shall furnish the Bank, at such reasonable times as the Bank shall request, all other financial information as the Bank may reasonably request.

Taxes. NCCU will pay when due any and all taxes relating to NCCU's obligations under this Agreement including, but not limited to, all license or registration fees, gross receipts tax, sales and use tax, if applicable, license fees, documentary stamp taxes, rental taxes, assessments, charges, ad valorem taxes, excise taxes, and all other taxes and charges imposed on the ownership, possession or use of its properties by any governmental body or agency, together with any interest and penalties.

Access to Books and Records. NCCU will allow the Bank, or its agents, at all reasonable times to have unrestricted access to the records, accounting books and financial statements of NCCU, and the Bank shall have the right to make copies thereof.

TAX COVENANTS AND REPRESENTATIONS

General Tax Covenants and Representations. NCCU covenants that it will not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Note under Section 103 of the Code. NCCU will not directly or indirectly use or permit the use of any proceeds of any fund created under this Agreement or any funds of NCCU, or take or omit to take any action that would cause the Note to be an "**arbitrage bond**" within the meaning of Section 148(a) of the Code. NCCU will maintain books on which will be recorded the Bank and any assignee of the Note as the registered owner of the Note. To that end, NCCU has executed the Arbitrage and Tax Regulatory Certificate and will comply with all requirements of Section 148 of the Code to the extent applicable. NCCU further covenants that this Agreement and the Note is not a "**private activity bond**" as defined in Section 141 of the Code. Notwithstanding any provision of this Article, if NCCU provides to the Bank an opinion of nationally recognized bond counsel to the effect that any action required under this Section or the Arbitrage and Tax Regulatory Certificate is no longer required, or to the effect that some further action is required, to maintain the exclusion from gross income of the interest on the Note pursuant to Section 103 of the Code, NCCU and the Bank may rely conclusively on such opinion in complying with the provisions of this Article.

Rebate Amounts. Without limiting the generality of the foregoing, NCCU agrees that there shall be paid from time to time all amounts required to be rebated to the United States of America pursuant to Section 148(f) of the Code and any temporary, proposed or final Treasury Regulations as may be applicable to the obligation created by this Agreement from time to time. This covenant shall survive the termination of this Agreement.

Not Bank Qualified. NCCU and the Bank acknowledge that the Note is not a "**qualified tax-exempt obligation**" and therefore is not eligible for the exception from the disallowance of the deduction of interest by financial institutions allocable to the cost of carrying tax-exempt obligations permitted by the provisions of Section 265(b)(3) of the Code.

EVENTS OF DEFAULT; REMEDIES

Events of Default. The term “*Event of Default*” means any one or more of the following events:

NCCU fails to pay, or cause to be paid, in full any payments of principal of or interest on the Note required under this Agreement and the Note when due, whether at maturity, redemption, acceleration or otherwise pursuant to the terms of this Agreement or the Note;

NCCU fails to pay, or cause to be paid, in full any payments of principal of or interest on any other debt obligations payable from Available Funds when due, whether at maturity, redemption, acceleration or otherwise pursuant to the terms of such debt obligations;

NCCU fails to pay, or cause to be paid, in full any payments under this Agreement when due or fails duly to perform, observe or comply with any covenant, condition or agreement on its part under this Agreement (other than a failure to make any payment under Section 8.1(a)) or the Arbitrage and Tax Regulatory Certificate, and such failure continues for a period of 30 days after the date on which written notice of such failure, requiring the same to be remedied, has been given to NCCU by the Bank, but if such performance, observation or compliance requires work to be done, action to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such 30 day period, no Event of Default will be deemed to have occurred or to exist if, and so long as, NCCU commences such performance, observation or compliance within such period and diligently and continuously prosecutes the same to completion, such additional period not to extend an additional 90 days, unless the Bank consents, such consent not to be unreasonably withheld or delayed;

Any representation or warranty made in this Agreement shall prove to be false or misleading in any material respect;

Any report, certificate, financial statement or other instrument furnished in connection with this Agreement or the Note shall prove to be false or misleading in any material respect;

The entry of a decree or order for relief against NCCU, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of NCCU under the United States Bankruptcy Code or any other applicable federal or state law, or appointing a receiver, liquidator, custodian, assignee, or sequestrator (or other similar official) of NCCU or of any substantial part of its Property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 90 consecutive days; or

The institution by NCCU of proceedings for an order for relief, or the consent by it to an order for relief against, or the filing by it of a petition or answer or consent seeking reorganization, arrangement, adjustment, compensation or relief under the United States Bankruptcy Code or any other similar applicable federal or state law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, custodian, assignee, trustee or sequestrator (or other similar official) of NCCU or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due.

Remedies. When an Event of Default has happened and is continuing, the Bank, by written notice to NCCU, may declare the entire outstanding principal amount of the Note, together with all interest accrued thereon to the date of such acceleration, to be immediately due and payable and such principal and interest shall then become and be immediately due and payable, both as to principal and interest, without presentment, demand, protest, or other notice of any kind, all of which are hereby expressly waived, anything contained in this Agreement or in the Note to the contrary notwithstanding. When an Event of Default under this Agreement has happened and is continuing, the Bank may terminate any further action under this Agreement, take whatever action at law or in equity is necessary or desirable to collect the payments then due under the Agreement and the Note or to enforce the performance, observance or compliance by NCCU with any covenant, condition or agreement by NCCU under this Agreement or the Note.

No Remedy Exclusive. No remedy herein conferred on or reserved to the Bank is intended to be exclusive of any other available remedy or remedies, but each and every such remedy is cumulative and in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing on default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. The remedies provided in this Article IX are in addition to other remedies provided by law and provided in this Agreement or the Note.

Agreement to Pay Attorneys' Fees and Expenses. When an Event of Default has occurred and is continuing, if the Bank employs attorneys or incurs other expenses for the collection of amounts payable under this Agreement or the Note or the enforcement of the performance or observance of any covenants or agreements on the part of NCCU herein contained, whether or not suit is commenced, NCCU agrees that it will on demand therefor pay to the Bank the reasonable fees of such attorneys and such other reasonable expenses so incurred by the Bank, to the extent permitted by law or as ordered by a court of competent jurisdiction.

NCCU to Give Notice of Default. NCCU will promptly give the Bank written notice of any Event of Default under this Agreement of which it has actual knowledge or written notice.

Sums Expended by the Bank. Any sums expended by the Bank under this Article VIII shall become part of the indebtedness secured by the Note, shall bear interest from date of disbursement at the rate provided in the Note and shall be payable on demand.

MISCELLANEOUS PROVISIONS

No Third Party Beneficiaries. The terms, provisions, conditions and requirements made and set forth in this Agreement are for the benefit of the parties to this Agreement and to better define the terms of the Loan, and in no event is the Bank to be construed to be NCCU's agent, and in no event is the Bank assuming NCCU's responsibility for proper payments to a contractor and others. It is specifically further intended that no party will be a third party beneficiary under this Agreement except and unless it is specifically provided in this Agreement that any provision shall operate or inure to the use and benefit of a third party, *i.e.*, no contractor, sub-contractor or material supplier shall have any rights under this Agreement against the Bank, or be entitled to protection of any of the covenants contained in this Agreement, although such parties may have recourse to NCCU.

Waiver. No covenant or condition of this Agreement can be waived except by the written consent of the Bank. Any failure of the Bank to require strict performance by NCCU or any waiver by

the Bank of any terms, covenants or contracts in this Agreement shall not be construed as a waiver of any other breach of the same or any other term, covenant or contract in this Agreement.

Notices. Any and all notices, requests, demands, and other communications given under or in connection with this Agreement are effective only if in writing and are conclusively deemed to have been received by a party to this Agreement and effective on the day on which delivered to such party at the address set forth below (or at such other address as such party shall specify to the other party in writing) or if sent by certified or registered mail, on the third business day after the day on which mailed, addressed to such party at said address:

If to the Bank at: [Name of Bank]

Attention:

Assignability. NCCU will not sell, assign, lease, sublease, pledge or otherwise encumber or suffer a lien or encumbrance on or against any interest in this Agreement without the prior written consent of the Bank. NCCU's interest in this Agreement may not be assigned or transferred by operation of law. The Bank may transfer and assign its interests in this Agreement to another financial institution, bank or insurance company on written notice to NCCU or to any other party with the written approval of NCCU, which approval will not be unreasonably withheld or delayed. Any such assignee has all of the rights of the Bank under this Agreement and the Note. NCCU agrees to acknowledge in writing any such assignment if so requested.

Consents and Approvals. Whenever the written consent or approval of the Bank or NCCU is required under this Agreement, such consent or approval will not be unreasonably withheld or delayed.

Covenants of NCCU not Covenants of Officials Individually. No covenant, stipulation, obligation or agreement contained in this Agreement will be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, agent or employee of NCCU in his individual capacity, and none of the officers or employees of NCCU is subject to any personal liability or accountability by reason of the issuance of the Note. No agent or employee of NCCU shall incur any personal liability in acting or proceeding or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Agreement.

Termination of Agreement. When NCCU has paid the principal of and interest on the Note in full and all other obligations required under this Agreement, this Agreement shall terminate and the Bank shall contemporaneously cancel the Note and deliver it to NCCU.

Section Headings. All section headings contained in this Agreement are for convenience of reference only and are not intended to define or limit the scope of any provision of this Agreement.

Entire Contract. This Agreement, together with any exhibits hereto, constitutes the entire contract between the parties and this Agreement may not be modified, amended, altered or changed except as NCCU and the Bank may subsequently agree in writing.

Binding Effect. Subject to the specific provisions of this Agreement, this Agreement is binding on and inures to the benefit of the parties and their respective successors and assigns, including expressly any successor of the Bank.

Severability. If any one or more of the covenants, agreements or provisions of this Agreement is determined by a court of competent jurisdiction to be invalid, the invalidity of such covenants, agreements and provisions in no way affects the validity or effectiveness of the remainder of this Agreement, and this Agreement shall continue in force to the fullest extent permitted by law.

Governing Law. This Agreement and the Note is to be construed, interpreted and enforced in accordance with the laws of the State of North Carolina.

Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which is an original and all of which constitute but one and the same instrument.

Modification of Agreement. No modification, amendment or waiver of any provision of this Agreement or the Note, nor consent to any departure by NCCU therefrom is in any event effective unless the same is in writing and signed by the Bank and then such waiver or consent is effective only in the specific instance and for the purpose for which given. No notice to or demand on NCCU in any case entitles NCCU to any other or further notice or demand in the same, similar or other circumstances.

Indemnification. Without waiving its sovereign immunity, to the fullest extent permitted by law and subject to application statutory and constitutional limitations, NCCU hereby agrees to indemnify, protect and save the Bank and its officers, employees, directors, members and agents harmless from all liabilities, obligations, losses, claims, damages, actions, suits, proceedings, costs and expenses, including attorneys' fees that (1) arise in tort, in contract, under Section 1983 of Title 42 of the United States Code or under the public bidding laws of the State or (2) arise out of, are connected with, or result, directly or indirectly from, the Special Obligation Bond Projects or any portion thereof, including, without limitation, the manufacture, selection, acquisition, delivery, possession, condition, construction, improvement, environmental or other condition, lease, use operation or return of the Special Obligation Bond or any portion thereof. The indemnification arising under this Section 9.15 shall continue in full force and effect notwithstanding the payment in full of all obligations under this Agreement and the Note. Notwithstanding the foregoing, nothing in this Section 9.15 shall be deemed to enlarge or affect in any way the liability of NCCU for injuries and/or damages compensable under the North Carolina Tort Claims Act, Section 143-291, *et seq.*, of the General Statutes of North Carolina, as amended.

IN WITNESS WHEREOF, NCCU and the Bank have caused this Agreement to be duly executed, signed and sealed, all as of the day and year above written.

subject to prepayment as herein provided, and to pay, solely from Available Funds, to the Bank or to its registered assigns, interest on the unpaid principal amount hereof from the date hereof on each April 1, and October 1, beginning April 1, 2015, under the terms and conditions of the loan as set forth in the Loan Agreement dated as of December 17, 2014 (the “**Loan Agreement**”), between NCCU and the Bank, and to pay to the Bank or to its registered assigns, interest accrued but unpaid on such unpaid principal amounts when due, at the interest rate per annum as described below, under the terms and conditions set forth in the Loan Agreement. The defined terms in the Loan Agreement are used in this Note with the same meaning. This Note is issued under the Loan Agreement to evidence the Bank’s loan of \$[Amount] and all of the terms, conditions, and covenants of the Loan Agreement are expressly made a part of this Note by reference in the same manner and with the same effect as if set forth in this Note at length and any holder of this Note is entitled to the benefits of and remedies provided in the Loan Agreement and other agreements by and between NCCU and the Bank.

Principal of and interest on this Note are payable in lawful money of the United States of America in immediately available funds delivered by NCCU to the Bank or its registered assigns on the Interest Payment Date. The principal amount of the Loan advanced under the Loan Agreement, as evidenced by this Note, shall bear interest at a rate of interest (expressed as a percentage) equal to [.]% per annum. Interest is to be calculated on the basis of a 360-day year of 12 thirty-day months. Interest shall accrue on the Loan advanced under this Note from the date of this Note at the Interest Rate set forth above.

Interest on the principal of this Note shall continue to accrue at the Interest Rate until paid. In addition, if NCCU fails to pay the interest on or principal of this Note when due, such payment shall accrue interest at the Interest Rate. If a payment of principal of or interest on this Note is due on a day which is not a Business Day, such payment shall be due on the next succeeding Business Day and NCCU shall make such payment on such Business Day with no additional interest due thereon.

On each Interest Payment Date, NCCU may prepay the outstanding principal amount of this Note in whole, but not in part, on any Business Day at []% of the principal amount to be prepaid. NCCU shall also pay the accrued and unpaid interest on such principal amount prepaid on the day of such prepayment.

The principal amount payable under this Note is equal to the face amount of this Note, less the aggregate amount of principal payments which have been made on this Note, as such principal payments are shown on the Certificate of Principal Payments attached to this Note. THEREFORE, THE FACE AMOUNT OF THIS NOTE MAY EXCEED THE PRINCIPAL AMOUNT REMAINING OUTSTANDING AND DUE UNDER THIS NOTE.

This Note is a special obligation of NCCU, payable solely from any legally available funds of NCCU, or of the Board of Governors held for NCCU, in each Fiscal Year, but excluding (1) appropriations by the General Assembly of the State from the State General Fund, (2) tuition payments to NCCU, (3) funds whose purpose has been restricted by gift, grant or payor thereof, (4) revenues generated by Special Facilities and (5) funds restricted by law ("**Available Funds**"). NCCU's currently outstanding debt secured by Available Funds is a parity obligation with this Note.

THIS NOTE SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF OR A PLEDGE OF THE FAITH AND CREDIT OF THE STATE OR OF ANY SUCH POLITICAL SUBDIVISION. NEITHER THE STATE NOR ANY POLITICAL SUBDIVISION OR INSTRUMENTALITY THEREOF IS OBLIGATED TO PAY THE SAME OR THE INTEREST THEREON EXCEPT FROM THE SOURCES DESCRIBED HEREIN, AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OR OF ANY POLITICAL SUBDIVISION OR INSTRUMENTALITY THEREOF IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF OR THE INTEREST ON THIS NOTE. THIS NOTE DOES NOT DIRECTLY OR INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY OR TO PLEDGE ANY TAXES WHATSOEVER THEREFOR. NCCU shall pay promptly, as provided herein, the principal of and interest on this Note, together with any other payments due with respect to this Note hereunder, but such amounts shall be payable solely from Available Funds.

If an Event of Default as defined in the Loan Agreement occurs, the principal of and accrued but unpaid interest of this Note may be declared immediately due and payable on the terms and conditions as provided in the Loan Agreement.

If payment of the principal and interest due under this Note is accelerated under the terms of the Loan Agreement, or if any default should occur under the terms of this Note or the Loan Agreement, the

then outstanding principal amount and accrued but unpaid interest of this Note shall bear interest at the rate provided for in the Loan Agreement until such principal and interest have been paid in full. If such acceleration occurs, this Note shall become immediately due and payable, without presentation, demand, protest or notice of any kind, all of which are hereby waived by NCCU. If this Note is not paid when due at any stated or accelerated maturity, NCCU will pay, in addition to principal and interest, to the extent permitted by law or as ordered by a court of competent jurisdiction, all costs of collection, including reasonable attorneys' fees and related out-of-pocket expenses, actually incurred and determined without reference to any statutory presumption.

Notwithstanding any other provision contained in this Note, no provision of this Note shall require or permit the collection from NCCU of interest in excess of the maximum rate or amount that NCCU may be required or permitted to pay pursuant to any applicable law.

Reference is hereby made to the Loan Agreement and all amendments and supplements thereto for a description of the provisions, among others, with respect to the nature and extent of the security, NCCU's rights, duties and obligations, the registered owner's rights and the terms on which this Note is issued, to all of which provisions each registered owner by the acceptance hereof, agrees.

This Note is fully registered as to both principal and interest. Transfer of this Note may be registered on books maintained for that purpose by NCCU. Before due presentment for registration of transfer, NCCU shall treat the registered owner of this Note as the person exclusively entitled to payment of principal of and interest on this Note and the exercise of all other rights and powers of the owner hereof.

All acts, conditions and things required to happen, exist and be performed precedent to the issuance of this Note do exist, have happened, and have been performed in due time, form and manner as required by applicable law.

IN WITNESS WHEREOF, NCCU has caused this Note to be executed in its name by the manual signature of its Chancellor, its seal to be impressed hereon and attested by the signature of its Vice Chancellor for Administration and Finance, all as of this 17th day of December, 2014.
