

7. Transfer Student Success Website ..... Karrie Dixon/ Tenita Philyaw-Rogers

**Situation:** Transfer Student Success Website

**Background:** The UNC Transfer Student Success website was launched on April 15, 2015. The website provides students and other stakeholders with current information and data related to all aspects of the transfer experience, i.e., minimum admission requirements, programs, degrees, course equivalencies, scholarships, financial aid, campus contacts, and general resources. The Transfer Student Success website complements the Comprehensive Articulation Agreement which is designed to assist students with a seamless transfer to one of our UNC campuses.

**Assessment:** Information that is most helpful in fostering a seamless transfer process for students will continuously be added to this website.

**Action:** This is for information only.
