

Strategic Direction Action Items Update Kevin FitzGerald

Situation: The attached dashboard summarizes recently completed and on-hold activities of the University staff pertaining to the implementation of the Strategic Directions Plan.

Background: The Strategic Directions Plan calls for quarterly meetings of the Committee on Strategic Planning where the President will submit regular and detailed reports on a quarterly basis. The Committee will provide updates to the full Board at each of these meetings.

Assessment: Of the 34 active action items, four have been completed and three have been placed on-hold.

Action: This is an information item. No action is required at this time.
