3. State Relations Update Drew Moretz

Situation: Staff will provide an update on current activities of the legislature, including the proposed timeline for approving the UNC Board of Governors policy agenda.

Background: We currently are in the midst of the legislative “interim.” There are legislative committees currently reviewing issues that may impact UNC. Additionally, there are reports that UNC will be submitting the legislature in the coming weeks that could jumpstart conversations on issues that will be discussed in the upcoming session.

Staff will provide an update on the issues as well as an update on recent meetings with legislators.

Assessment: There are a number of issues that have the potential to impact UNC that are currently being discussed in legislative committees. At this time, the outcome of several issues are uncertain and are currently being debated among the chambers.

Action: This item is for discussion only.
