AGENDA ITEM

A-5. COVID-19 Special Work/Leave Provisions for Faculty and Staff ....................................................... Matthew Brody

Situation: To ensure that University operations could continue as required during the COVID-19 situation, the UNC System, in coordination with the Office of State Human Resources, developed a set of work and leave provisions for faculty and staff, incorporating mandatory employee designations, paid administrative leave, and additional compensation provisions.

Background: Provisions are based in the state’s Communicable Disease Emergency policy for SHRA employees and the related Policy on UNC System Pandemic and Communicable Disease Emergency. The original set of provisions was published in mid-March for use March 16-31. In response to the feedback from the institutions and the developing situation, the provisions were revised for use April 1-31 and amended for use May 1-22 in alignment with Governor Cooper’s executive order.

The primary changes since the last update provided to the committee in April are:

- Effective April 1, incorporation of leave packages passed as part of the federal Families First Coronavirus Response Act (FFCRA), including emergency paid sick leave and emergency family and medical leave expansion for specific reasons.
- Effective May 1, chancellors have flexibility to grant added compensation for mandatory employees at rates of 1.05, 1.1, 1.2, 1.25, or 1.5 hours of compensation for each hour worked on-site.

Assessment: The provisions incorporate mandatory employee designations, paid administrative leave, additional compensation provisions, and integration with FFCRA leave provisions.

A table that compares the March, April, and May provisions is attached with additional detail.
