THE UNIVERSITY OF NORTH CAROLINA SYSTEM

MEETING OF THE BOARD OF GOVERNORS
Committee on Budget and Finance

April 21, 2021 at 11:15 a.m.
Via Videoconference and PBS North Carolina Live Stream
University of North Carolina System Office
Center for School Leadership Development, Board Room
Chapel Hill, North Carolina

AGENDA

A-1. Approval of the February 17, 2021 Minutes.....James L. Holmes, Jr.

A-2. Distance Education Definition for Fee Charging Purposes (from PFA).....Wendy Floyd Murphy

A-3. 2019-20 UNC System Consolidated Financial Report.....Jennifer Haygood

A-4. Report of Facilities and Administrative (F&A) Receipts, 2019-20.....Jennifer Haygood

A-5. Duties and Authorities of the President – Proposed Policy Change.....Jennifer Haygood

A-6. Designation of Millennial Campus – UNC Asheville.....Jennifer Haygood and Nancy Cable

A-7. Expansion of Millennial Campus – Appalachian State University.....Jennifer Haygood and Paul Forte

A-8. Capital Improvement Projects..... Katherine Lynn

A-9. Disposition of Property by Demolition – Appalachian State University..... Katherine Lynn

A-10. Acquisition of Property by Deed and Disposition of Property by Demolition – North Carolina A&T State University..... Katherine Lynn

A-11. Amendment to Use Agreement – Fayetteville State University.....Jennifer Haygood

A-12. Amendment to Use Agreement – UNC School of the Arts.....Jennifer Haygood

A-13. Sale of Special Obligation Bonds – Appalachian State University.....Jennifer Haygood

A-14. Sale of Special Obligation Bonds – East Carolina University.....Jennifer Haygood

A-15. Sale of Special Obligation Bonds – UNC Greensboro.....Jennifer Haygood

A-16. 2021-22 Non-Appropriated Capital Improvement Project – UNC Greensboro.....Jennifer Haygood

A-17. Other Business.....James L. Holmes, Jr.

A-18. Adjourn

Additional Information Available:

A-17. Monthly General Fund Budget Report

DRAFT MINUTES

February 17, 2021 at 9:00 a.m.
Via Videoconference and PBS North Carolina Live Stream
University of North Carolina System Office
Center for School Leadership Development, Board Room
Chapel Hill, North Carolina

This meeting of the Committee on Budget and Finance was presided over by Chair James L. Holmes, Jr. The following committee members, constituting a quorum, were present in person, by video, or phone: W. Marty Kotis, III, J. Alex Mitchell, and Wendy Floyd Murphy. The following committee member was absent: Michael Williford.

Chancellors participating via videoconference were Sheri Everts, Kevin Guskiewicz, and Randy Woodson.

Staff members present included Jennifer Haygood, Lindsay McCollum Farling, Katherine Lynn, and others from the UNC System Office.

---

1. Call to Order and Approval of OPEN Session Minutes (Item A-1)

Chair James L. Holmes, Jr. called the meeting to order at 9:00 a.m., on February 17, 2021, and called for a motion to approve the open session minutes of January 20, 2021, for the regular meeting of the Committee on Budget and Finance and the open session minutes of February 9, 2021, for the special meeting of the Committee on Budget and Finance.

MOTION: Resolved, that the Committee on Budget and Finance approve the open session minutes of January 20, 2021, for the regular meeting of the Committee on Budget and Finance and the open session minutes of February 9, 2021, for the special meeting of the Committee on Budget and Finance, as distributed.

Motion: Wendy Floyd Murphy
Motion: Carried

Roll Call Vote	
Holmes	Yes
Kotis	Yes
Mitchell	Yes
Murphy	Yes
Williford	Absent

2. Other Business (A-8)

Mrs. Murphy provided an update of the Task Force on Pricing, Flexibility, and Affordability. The task force finalized a recommendation to define distance education programs for fee charging purposes. During the task force's December meeting, the System Office was directed to develop a clear, program-based definition of distance education that would govern who pays all mandatory fees and who pays a subset of those fees. In addition, the System Office was instructed to solicit campus feedback on that definition. A recommendation was considered and approved by the task force. It will be discussed and recommended to the Committee on Budget and Finance at its April meeting. The task force examined current policies regarding student fee revenues. The System Office was asked to collect information on targeted, one-time special authority that could be granted to a campus due to budget challenges. This will be further discussed at a future task force meeting.

3. Authorization of Tuition for 2021-22 (A-2)

Senior Vice President Jennifer Haygood presented the 2021-22 tuition proposals submitted by the UNC System institutions. The Board of Governors recommended no tuition increases for resident students. Several institutions requested increases to nonresident rates.

MOTION: Resolved, that the Committee on Budget and Finance approve the authorization of tuition for 2021-22, which included no increases for resident students, and recommend it to the full Board of Governors for a vote.

Motion: W. Marty Kotis, III
Motion carried

Roll Call Vote	
Holmes	Yes
Kotis	Yes
Mitchell	Yes
Murphy	Yes
Williford	Absent

4. Authorization of Fees for 2021-22 (A-3)

Ms. Haygood also presented to the committee the 2021-22 fee increase proposals by the UNC System institutions. Chancellors requested fee increases consistent with the tuition and fee instructions, including a three percent cap on mandatory student fee increases enacted by the 2016 General Assembly.

MOTION: Resolved, that the Committee on Budget and Finance approve the authorization of fees for 2021-22, which included a three percent cap on mandatory student fee increases and recommend it to the full Board of Governors for a vote.

Motion: Wendy Floyd Murphy
Motion carried

Roll Call Vote	
Holmes	Yes
Kotis	Yes
Mitchell	Yes
Murphy	Yes
Williford	Absent

5. Campus Security Fee Proposal

Chair Holmes reminded the committee of the implementation and the purposes of the campus security fee that was approved by the Board in February 2015. The committee discussed the campus security fee and its usage. It was requested to add suicide counseling and prevention to the list of authorized uses of the campus security fee. Suicide is a clear and present danger that has only been exacerbated by the COVID-19 pandemic. It is important that the UNC System institutions have the tools needed to reduce the risk of suicide and its long-lasting negative effects on the campus community.

MOTION: Resolved, that the Committee on Budget and Finance approve the addition of suicide counseling and prevention to the list of authorized uses of the campus security fee and recommend it to the full Board of Governors for a vote.

Motion: J. Alex Mitchell
Motion carried

Roll Call Vote	
Holmes	Yes
Kotis	No
Mitchell	Yes
Murphy	Yes
Williford	Absent

6. General Fund Update (Item A-4)

Ms. Haygood gave an update on the State's General Fund Budget. She reported that State General Fund revenues for the current fiscal year were projected to be $4.1 billion higher than previously forecasted. The current year's anticipated surplus was driven by sales tax collections, which had increased despite the pandemic, and the delayed tax payments that shifted approximately $1.1 billion out of FY20 and into FY21. The forecast further projected moderate growth sustained throughout the 2021-23 biennium, with revenues reaching $28.5 billion by the end of FY23. The economy is expected to remain stable throughout the forecast period but to grow at a pace below the long-term historical average.

7. 2021-23 Base Budget (A-5)

Ms. Haygood presented the 2021-23 Base Budget. She explained that the base budget was $2.96 billion, which was $16 million less than the current year's authorized budget due to the reversal of nonrecurring funds appropriated for enrollment growth and building reserves. The base budget now largely reflects the prior fiscal year's authorized budget. The sum of the 2021-23 base budget and the expansion budget priorities previously approved by the Board constitutes the UNC System's total request for General Fund appropriations for current operations. This request totals approximately $3.1 billion for each year of the biennium, excluding any additional appropriation for faculty and staff salaries. The committee had a robust conversation about plans to improve the budgeting practices, including the development of an "all funds" budget that more comprehensively captures planned expenditures across revenue sources.

MOTION: Resolved, that the Committee on Budget and Finance approve the 2021-23 Base Budget and recommend it to the full Board of Governors for a vote.

Motion: J. Alex Mitchell
Motion carried

Roll Call Vote	
Holmes	Yes
Kotis	Yes
Mitchell	Yes
Murphy	Yes
Williford	Absent

8. 2021-23 Capital Priorities (Item A-6)

Ms. Haygood explained to the committee that due to the University's significant backlog of deferred maintenance, UNC System institutions were directed to focus their 2021-27 Six-Year Capital Improvement Plans on extending the use of existing buildings through rehabilitation and renovation, rather than on new construction or expansion. These plans were used to develop recommended priorities for the 2021-23 biennium. Upon Board approval, the appropriated capital projects will be included in the budget request for the 2021-23 biennium.

MOTION: Resolved, that the Committee on Budget and Finance approve the 2021-23 Capital Priorities and recommend them to the full Board of Governors for a vote.

Motion: W. Marty Kotis, III
Motion carried

Roll Call Vote	
Holmes	Yes
Kotis	Yes
Mitchell	Yes
Murphy	Yes
Williford	Absent

9. Capital Improvement Project – East Carolina University (Item A-7)

Ms. Haygood presented East Carolina University's request for an increased authorization for a capital improvement project for its Health Sciences Campus Heat Plan Deaerator Tank in amount of $665,000, which will be funded by carry-forward and R&R.

MOTION: Resolved, that the Committee on Budget and Finance approve the increased authorization for the capital improvement project at East Carolina University and recommend it to the full Board of Governors for a vote through the consent agenda.

Motion: W. Marty Kotis, III
Motion carried

Roll Call Vote	
Holmes	Yes
Kotis	Yes
Mitchell	Yes
Murphy	Yes
Williford	Absent

There being no further business and without objection, the meeting adjourned at 10:30 a.m.

_____
Michael Williford, Secretary

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

MEETING OF THE BOARD OF GOVERNORS
Committee on Budget and Finance
April 21, 2021

AGENDA ITEM

A-2. Distance Education Definition for Fee Charging Purposes.....Wendy Floyd Murphy

Situation: At its February meeting, the Task Force on Pricing, Flexibility, and Affordability voted unanimously to recommend that the Committee on Budget and Finance amend the UNC policy on establishing tuition and fees to include a definition of distance education for fee charging purposes.

Background: Each year, the Board of Governors approves an authorization of tuition that adopts annual tuition rates for each university. That authorization also directs campuses as to which fees should not be charged to distance education students. However, this document does not specify which students qualify as distance education students, and current practice differs widely across UNC System institutions.

Distance education students are only required to pay campus security, educational and technology, and Association of Student Government fees. The lack of a definition of distance education for fee charging purposes has led to students enrolled in a mix of online and on-campus courses paying different subsets of mandatory fees.

Assessment: The proposed program-based definition is already the practice at seven institutions, with two more that had planned to move toward that approach. Whether students pay all mandatory fees would depend on the degree program in which they choose to enroll rather than the courses they take in a given semester. This approach provides consistency for students for the duration of their degree program and simplifies fee pricing across modes of instruction and institutions to a uniform program-based method.

It is recommended that the Committee on Budget and Finance adopt the proposed definition effective Fall 2022 and direct System Office staff to amend the policy on establishing tuition and fees accordingly for consideration by the committee at a future meeting.

The proposed language is included in the item.

Action: This item requires a vote by the committee.

Recommendation to the Committee on Budget and Finance to amend Board Policy 100.1.1 (Policy on Establishing Tuition and Fees)

UNC Policy 400.1.1[R](II)(b) defines distance education and off-campus programs.

For fee-charging purposes, a distance education program is one designed to deliver 80 percent or more of the direct instruction through distance education or off-campus, as defined in UNC Policy 400.1.1[R](II)(b). There may be a requirement for the student to attend the main campus for a portion of the program, but that requirement is minimal.

Students enrolled in distance education programs as defined above will be assessed the Campus Security, Education & Technology, and Association of Student Government fees, and will not have access to other services and activities supported by the other Board-approved mandatory fees unless they pay the appropriate additional mandatory fee.

Students not enrolled in distance education programs will be assessed all mandatory fees regardless of how their courses are delivered in a given semester.

The Task Force recommends that these changes take effect in Fall 2022.

AGENDA ITEM

A-3. 2019-20 UNC System Consolidated Financial Report.....Jennifer Haygood

Situation: The University of North Carolina System is presenting a consolidated financial report for the year ended June 30, 2020.

Background: Historically, University financial information has been reported in two ways: 1) as a part of each institution's set of audited financial statements and 2) as a part of the greater Consolidated Annual Financial Report (CAFR) for the State of North Carolina. The UNC System Financial Report has been prepared to provide additional information since fiscal year 2015 on the current financial status of the University. This report includes a consolidation of the University of North Carolina System as a whole, a side-by-side comparison of institutional financial statements, selected disclosures, and other financially related information.

Assessment: The Consolidated University System Financial Report is presented for information

Action: This item is for information only.

Overview

The University of North Carolina (UNC) System is a multi-campus university dedicated to serving the state and its people through world-class teaching, research and scholarship, and outreach and service. In 1971, the Higher Education Reorganization Act placed the 16 baccalaureate-granting institutions that comprise the University of North Carolina System under one governing board. The act emphasized basic objectives for the University: to foster the development of a well-planned and coordinated system of higher education, to improve the quality of education, to extend educational benefits beyond campus borders, and to encourage economic and effective use of the state's resources.

The following entities are included in this report:

- UNC System Office (Sys Ofc)
- Appalachian State University (ASU)
- East Carolina University (ECU)
- Elizabeth City State University (ECSU)
- Fayetteville State University (FSU)
- North Carolina A&T State University (N.C. A&T)
- North Carolina Central University (NCCU)
- North Carolina State University (NC State)
- UNC Asheville (UNCA)
- UNC-Chapel Hill (UNC-CH)
- UNC Charlotte (UNCC)
- UNC Greensboro (UNCG)
- UNC Pembroke (UNCP)
- UNC Wilmington (UNCW)
- UNC School of the Arts (UNCSA)
- Western Carolina University (WCU)
- Winston-Salem State University (WSSU)
- NC School of Science and Mathematics (NCSSM)
- UNC Hospitals at Chapel Hill (UNCH)

In its efforts to move forward with strategic planning, the University recognized the importance of establishing an overall mission and defining the role each institution would play in fulfilling the mission. In 1992, the Board of Governors adopted a general mission statement, and after some modification, the official statement was given statutory status in 1995.

Mission Statement

The University of North Carolina System is a public, multi-campus university dedicated to the service of North Carolina and its people. It encompasses the 17 diverse constituent institutions and other educational, research, and public service organizations. Each shares in the overall mission of the University. That mission is to discover, create, transmit, and apply knowledge to address the needs of individuals and society. This mission is accomplished through instruction, which communicates the knowledge and values and imparts the skills necessary for individuals to lead responsible, productive, and personally satisfying lives; through research, scholarship, and creative activities, which advance knowledge and enhance the educational process; and through public service, which contributes to the solution of societal problems and enriches the quality of life in the state. In the fulfillment of this mission, the University shall seek an efficient use of available resources to ensure the highest quality in its service to the citizens of the state.

Overview (cont.)

Classification

The Carnegie Classification has been used for the purpose of classifying the universities within this report as small, medium, and large. For the past four and a half decades, the Carnegie Classification has been the leading framework for recognizing and describing institutional diversity in U.S. higher education. Starting in 1970, the Carnegie Commission on Higher Education developed a classification of colleges and universities to support its program of research and policy analysis. More information on this classification is available at http://carnegieclassifications.iu.edu. Based on these classifications, the universities have been classified as follows:

Large	Medium	Small
Appalachian State University	Fayetteville State University	UNC School of the Arts
East Carolina University	North Carolina Central University	Elizabeth City State University
North Carolina A&T State University	UNC Asheville	
North Carolina State University	UNC Pembroke	
UNC-Chapel Hill	Western Carolina University	
UNC Charlotte	Winston-Salem State University	
UNC Greensboro		
UNC Wilmington		

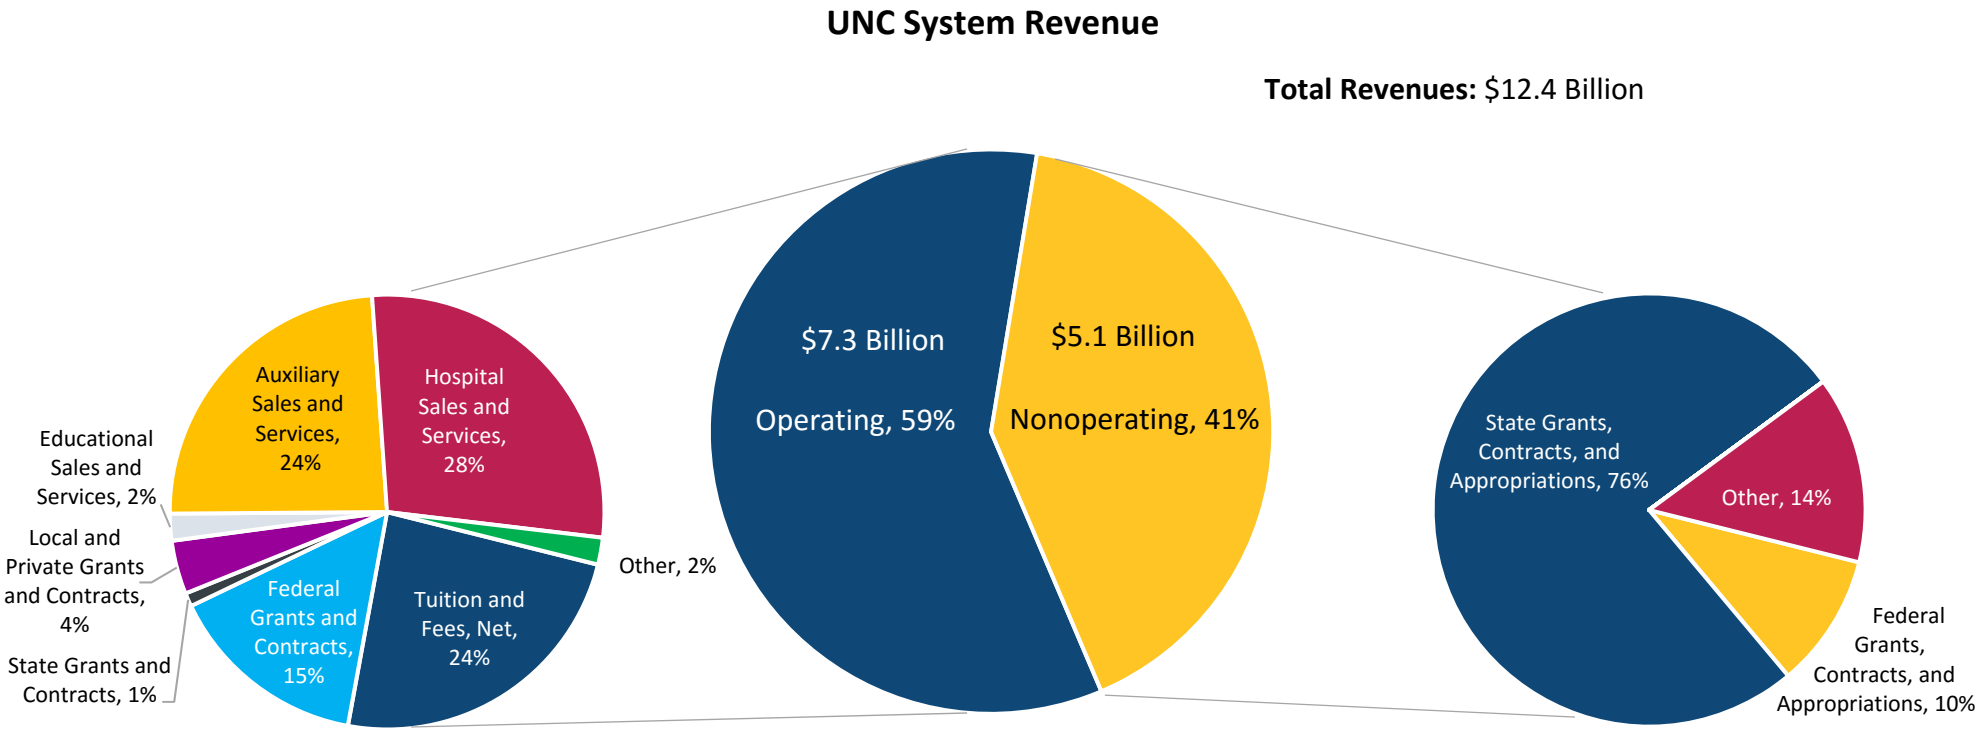

The UNC System Office, North Carolina School of Science and Mathematics, and UNC Hospitals at Chapel Hill are not included in the above classifications as these are not considered institutions of higher education. These institutions do factor into the comprehensive data summaries on the following pages. However, these three institutions are not included when data is categorized as 'Large', 'Medium', or 'Small'.

Selected Disclosures

Revenues

General Fund, Institutional Trust Fund, and Other Sources and Uses of Funds

Each UNC System institution comprises multiple legally-separate entities, each with its own sources of funds. A summary of a standard UNC System institution is shown below, including the primary sources and uses of funds:

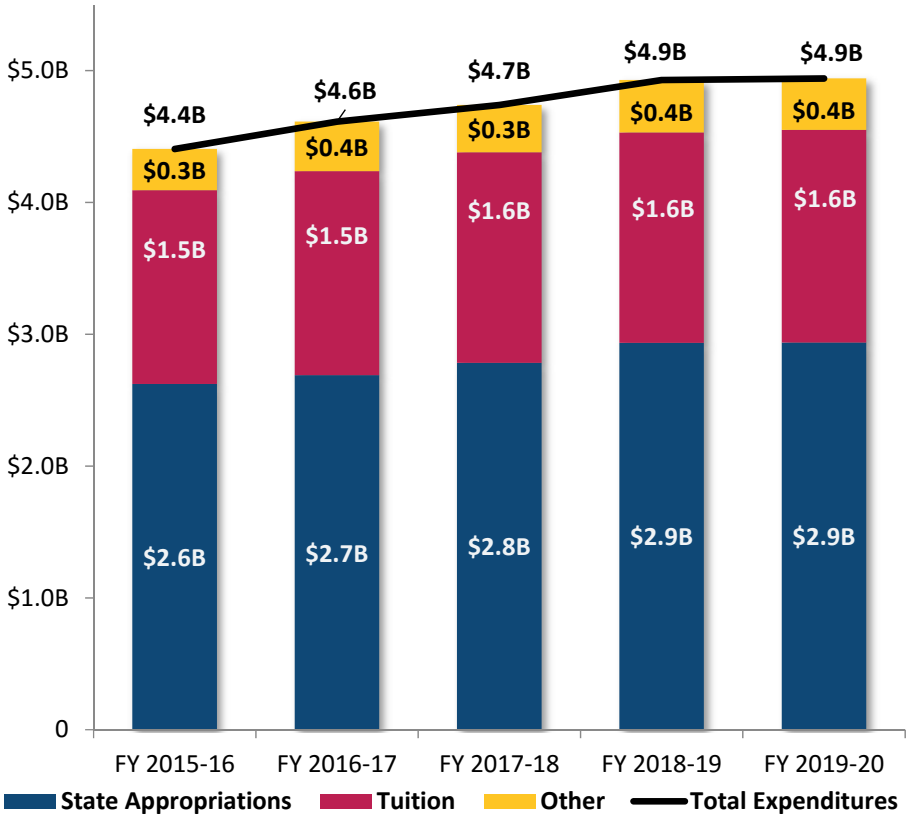

General Fund: Sources and Uses of Funds

The following is a summary of the UNC System general fund actual revenues and expenditures (excluding aid to private institutions) for fiscal years 2015-16 to 2019-20.

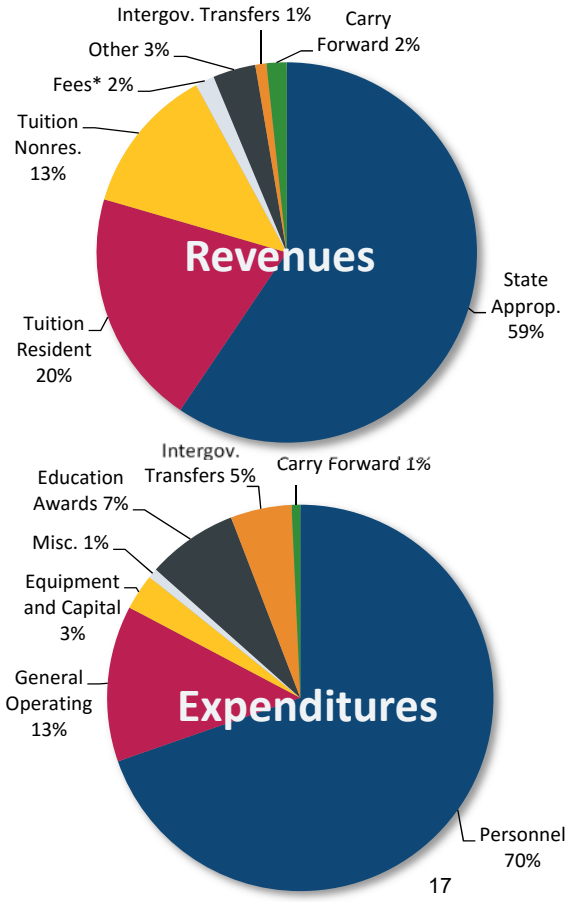

Revenues	FY 2015-16	FY 2016-17	FY 2017-18	FY 2018-19	FY 2019-20	Five-Year Change		Average Change
State Approp.	$2,622,509,267	$2,689,375,418	$2,782,978,025	$2,934,269,278	$2,937,239,207	$314,729,940	12%	3%

* S.L. 2012-142, Section 9.9 permitted all student fees to be budgeted in Institutional Trust Funds, rather than the General Fund.

General Fund Revenues and Expenditures FY 2015-16 to FY 2019-20

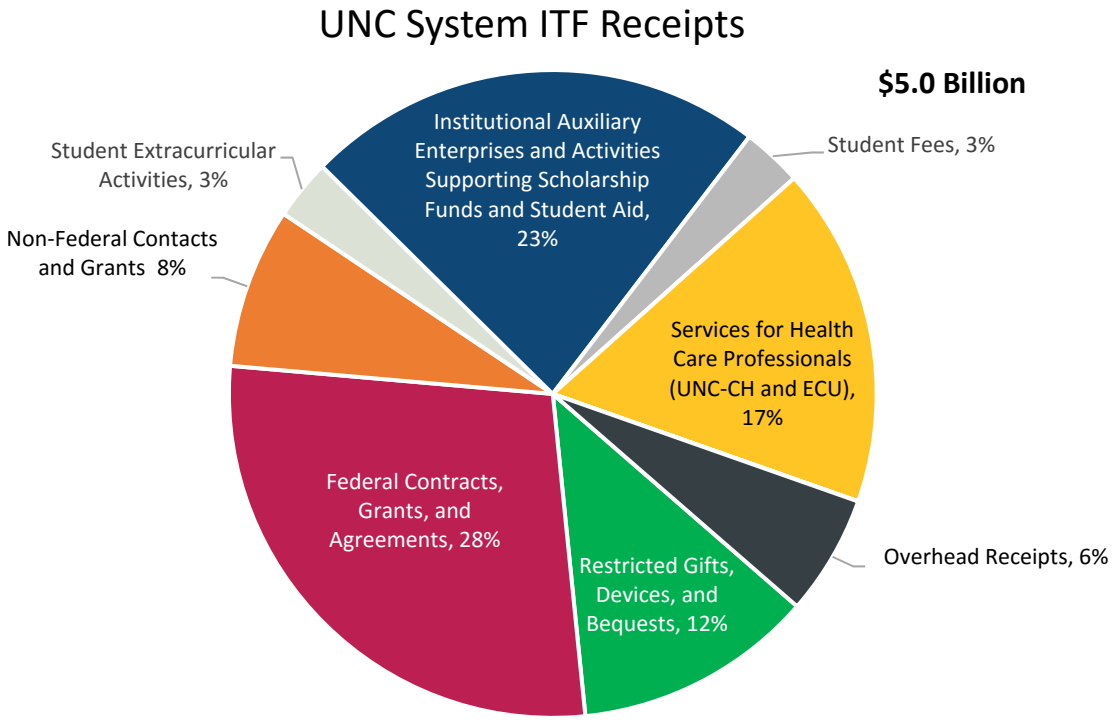

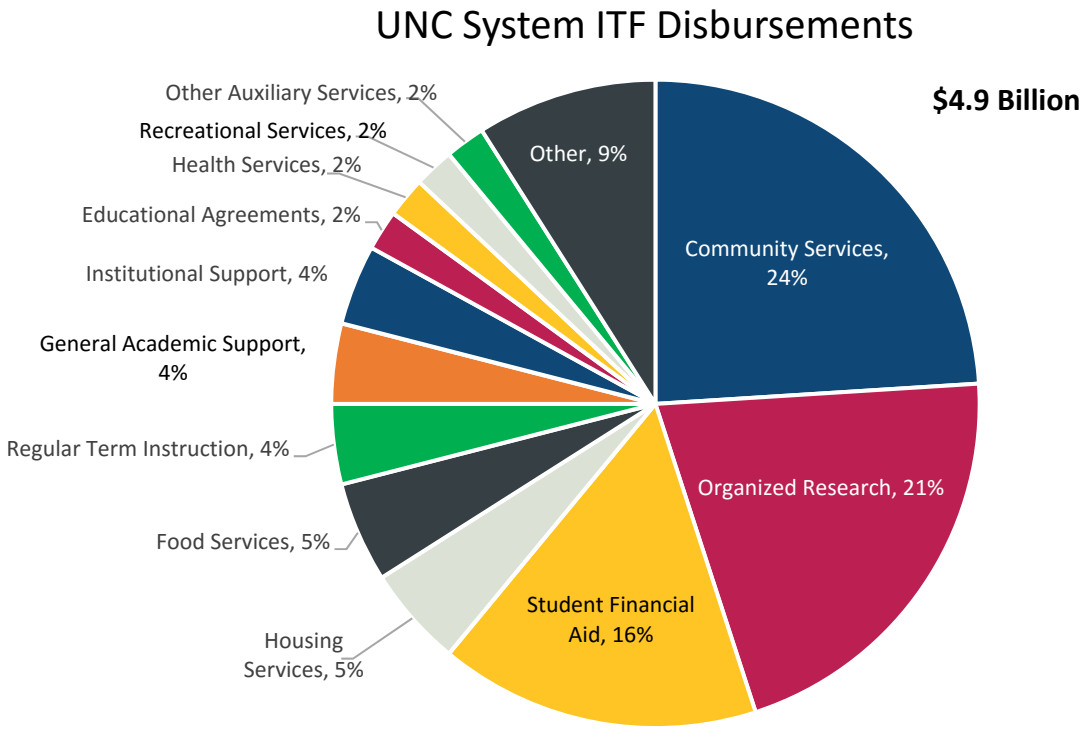

General Fund Revenues and Expenditures by Type FY 2019-20

Trust Fund: Sources and Uses of Funds

Institutional trust funds (see General Statute §116-36.1) sources and uses are as follows:

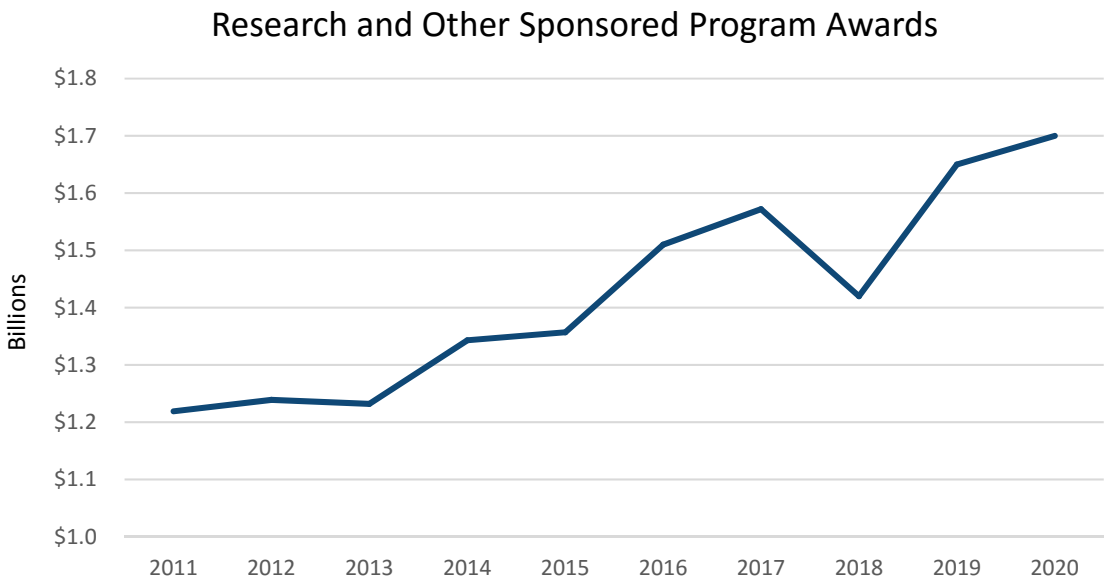

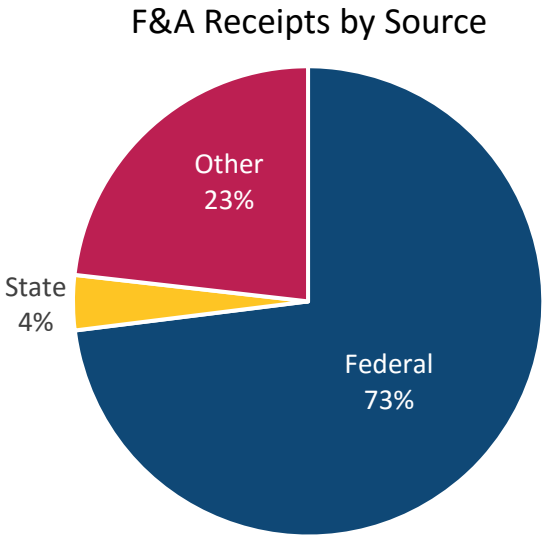

UNC Hospitals at Chapel Hill is not reflected in the above graphs.

F&A Receipts and Expenditures

Facilities and Administrative (F&A) receipts are the overhead receipts reported in institutional trust funds. Research and other sponsored program awards to the 16 universities, the North Carolina School of Science and Mathematics, and the UNC System Office totaled nearly $1.7 billion for FY 2019-20.

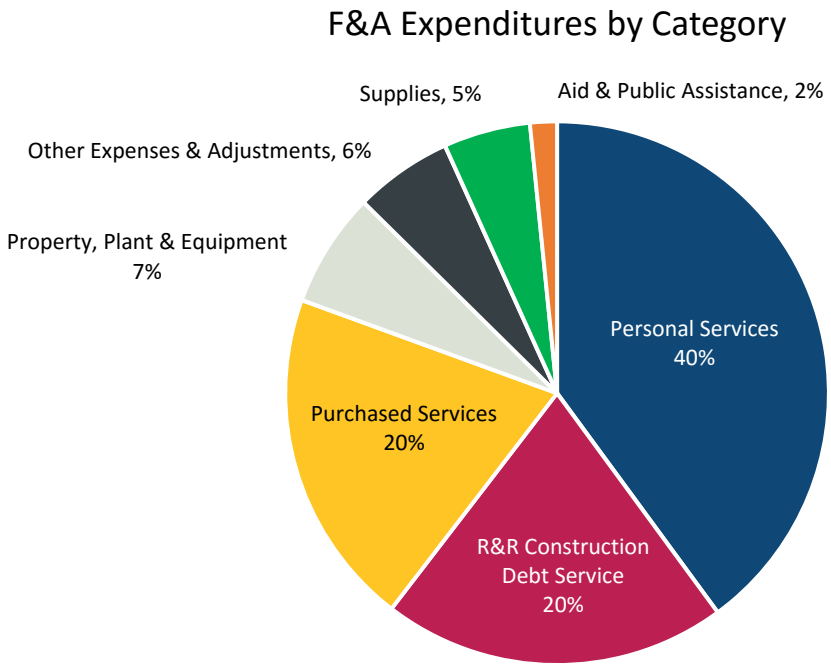

In 2019-20, the UNC System earned a total of $284.5 million in facilities and administrative receipts.

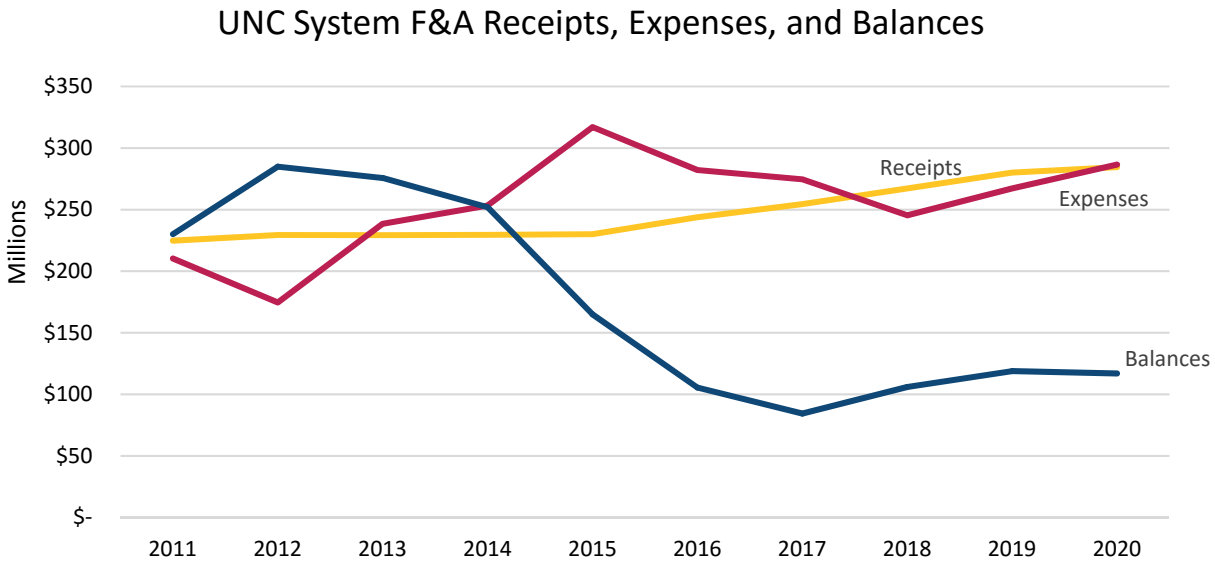

Consistent with their research missions, the two major research universities – NC State (20%) and UNC-Chapel Hill (67.5%) – accounted for 87.5% of the University-wide total.

F&A Receipts and Expenditures (cont.)

In 2019-20, the UNC System expended a total of $286.5 million of these facilities and administrative receipts.

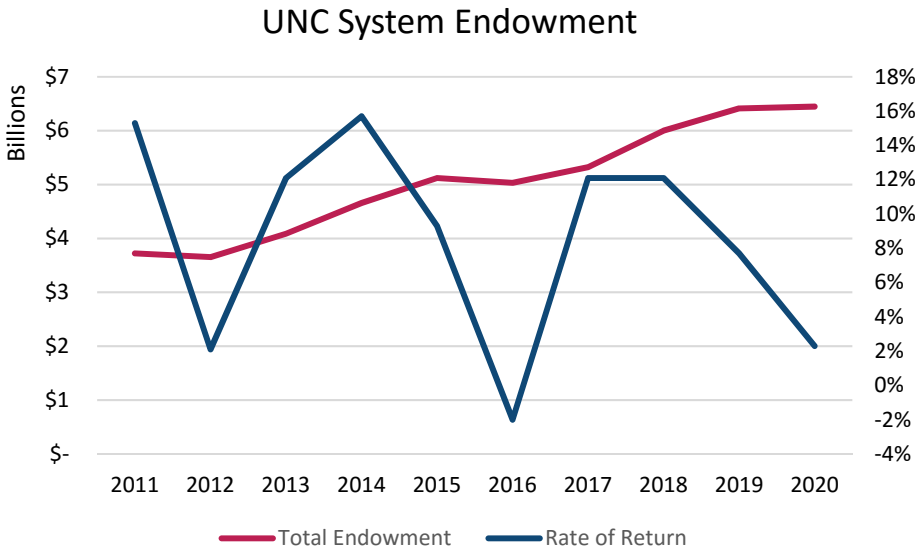

F&A receipts have steadily increased over the last ten years whereas expenses and ending balances have fluctuated.

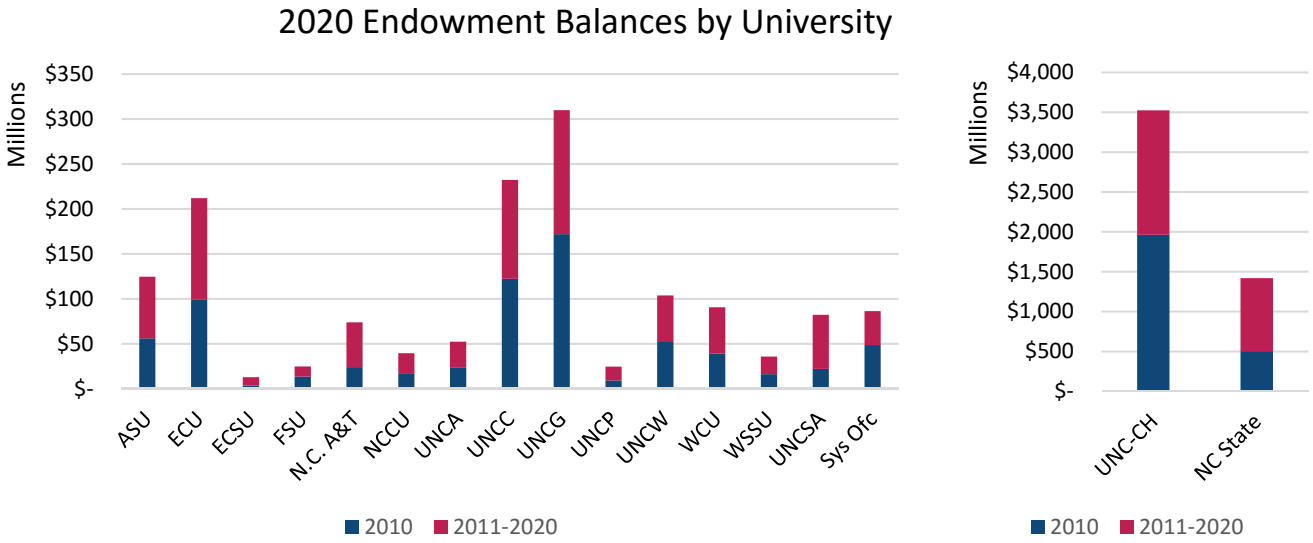

UNC System Endowment Funds

Endowment funds may be accounted for in institutional trust funds, foundations, or other associated entities based on the nature of the gift and the institutional control over the foundation. Endowment funds within the UNC System have increased 73.14% in the last 10 years. The below graph depicts the growth in total endowment assets as well as the fluctuation in the UNC Investment Fund, LLC's rate of return. The majority of UNC System endowment assets are invested in the UNC Investment Fund, LLC.

6.45% Average Annual Growth in Total Endowment Assets

8.67% Average Annual Rate of Return of UNC Investment Fund

North Carolina School of Science and Mathematics and UNC Hospitals at Chapel Hill are excluded from the above graphs as they do not submit IPEDS data.

UNC Management Company investment management fees	(173,319)	—	(173,319)

Caption Variances

Certain captions vary from institution to institution. Certain common captions have been combined for presentation in the consolidated financial statements. All receivable captions have been combined and are presented as Receivables, net. Also, several universities use various captions for prepaid items. All references to prepaid assets, prepaid expense, prepaid insurance, and prepaid bond insurance are shown under the caption prepaid items. The following is a list of other captions that are presented with a different title in the consolidated University statements.

UNC Hospitals at Chapel Hill	**UNC System Consolidation**
Net patient service revenue	Patent services, net
Contracted services	Services

Glossary[1]

Instruction - A functional expense category that includes expenses of the colleges, schools, departments, and other instructional divisions of the institution and expenses for departmental research and public service that are not separately budgeted. Includes general academic instruction, occupational and vocational instruction, community education, preparatory and adult basic education, and regular, special, and extension sessions. Also includes expenses for both credit and non-credit activities. Excludes expenses for academic administration where the primary function is administration (e.g., academic deans).

Research - A functional expense category that includes expenses for activities specifically organized to produce research outcomes and commissioned by an agency either external to the institution or separately budgeted by an organizational unit within the institution. The category includes institutes and research centers, and individual and project research. This function does not include nonresearch sponsored programs (e.g., training programs).

Public service - A functional expense category that includes expenses for activities established primarily to provide noninstructional services beneficial to individuals and groups external to the institution. Examples are conferences, institutes, general advisory service, reference bureaus, and similar services provided to particular sectors of the community. This function includes expenses for community services, cooperative extension services, and public broadcasting services.

Academic support - A functional expense category that includes expenses of activities and services that support the institution's primary missions of instruction, research, and public service. It includes the retention, preservation, and display of educational materials (for example, libraries, museums, and galleries); organized activities that provide support services to the academic functions of the institution (such as a demonstration school associated with a college of education or veterinary and dental clinics if their primary purpose is to support the instructional program); media such as audiovisual services; academic administration (including academic deans but not department chairpersons); and formally organized and separately budgeted academic personnel development and course and curriculum development expenses.

Student services - A functional expense category that includes expenses for admissions, registrar activities, and activities whose primary purpose is to contribute to students' emotional and physical well-being and to their intellectual, cultural, and social development outside the context of the formal instructional program. Examples include student activities, cultural events, student newspapers, intramural athletics, student organizations, supplemental instruction outside the normal administration, and student records. Intercollegiate athletics and student health services may also be included except when operated as self-supporting auxiliary enterprises.

[1] These definitions are based on those used by the Integrated Postsecondary Education Data System (IPEDS).

Glossary (cont.)

Institutional support - A functional expense category that includes expenses for the day-to-day operational support of the institution. Includes expenses for general administrative services, central executive-level activities concerned with management and long-range planning, legal and fiscal operations, space management, employee personnel and records, logistical services such as purchasing and printing, and public relations and development.

Operation and maintenance of plant - A functional expense category that includes expenses for operations established to provide service and maintenance related to campus grounds and facilities used for educational and general purposes. Specific expenses include utilities, fire protection, property insurance, and similar items. This function does include amounts charged to auxiliary enterprises, hospitals, and independent operations.

Student financial aid - Outright grants-in-aid, trainee stipends, tuition and fee waivers, and prizes awarded to students by the institution, including Pell grants. Awards to undergraduate students are most commonly referred to as "scholarships" and those to graduate students as "fellowships." These awards do not require the performance of services while a student (such as teaching) or subsequently as a result of the scholarship or fellowship. The term does not include loans to students (subject to repayment), College Work-Study Program (CWS), or awards granted to a parent of a student because of the parent's faculty or staff status. Also not included are awards to students where the selection of the student recipient is not made by the institution.

Auxiliary enterprises - Expenses for essentially self-supporting operations of the institution that exist to furnish a service to students, faculty, or staff, and that charge a fee that is directly related to, although not necessarily equal to, the cost of the service. Examples are residence halls, food services, student health services, intercollegiate athletics (only if essentially self-supporting), college unions, college stores, faculty and staff parking, and faculty housing.

Depreciation - The allocation or distribution of the cost of capital assets, less any salvage value, to expenses over the estimated useful life of the asset in a systematic and rational manner. Depreciation for the year is the amount of the allocation or distribution for the year involved.

Independent operations - Expenses associated with operations that are independent of or unrelated to the primary missions of the institution (i.e., instruction, research, public service), although they may contribute indirectly to the enhancement of these programs. This category is generally limited to expenses of a major federally funded research and development center. Expenses of operations owned and managed as investments of the institution's endowment funds are excluded.

Hospital services - Expenses associated with a hospital operated by the postsecondary institution (but not as a component unit) and reported as a part of the institution. This classification includes nursing expenses, other professional services, general services, administrative services, and fiscal services.

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

CONSOLIDATED FINANCIAL REPORT: PART 1

Fiscal Year Ended: June 30, 2020

Board of Governors
Committee on Budget and Finance

April 21, 2021

Presentation Outline

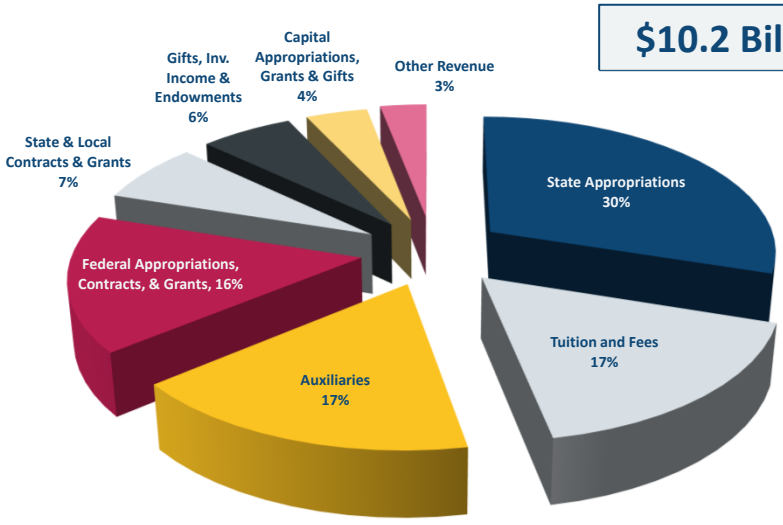

- Revenues and Expenses
- Balance Sheet Trends
- Cash Position

Revenues and Expenses

UNC System Revenues: FY 2020

(excluding UNC Hospitals)

$10.2 Billion

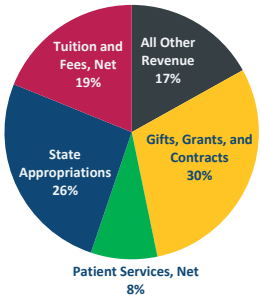

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

Revenues by Campus Size: FY 2020

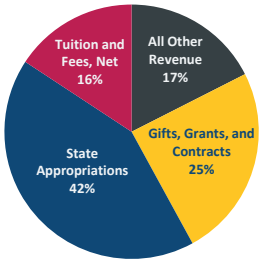

Large Universities

ASU, ECU, N.C. A&T, NC State, UNC-CH, UNCC, UNCG, UNCW

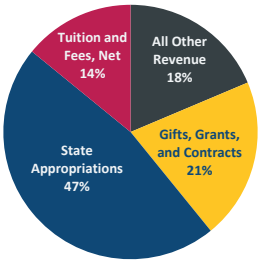

Medium Universities

FSU, NCCU, UNCA, UNCP, WCU, WSSU

Small Universities

ECSU, UNCSA

The Carnegie Classification has been used for the purpose of classifying the universities as small, medium, and large. The UNC System Office, North Carolina School of Science and Mathematics, and UNC Hospitals are not included in the classifications as these are not considered institutions of higher education. Therefore, these institutions are excluded from the above graphs.

UNC System Revenues: FY 2019-20

(excluding UNC Hospitals)

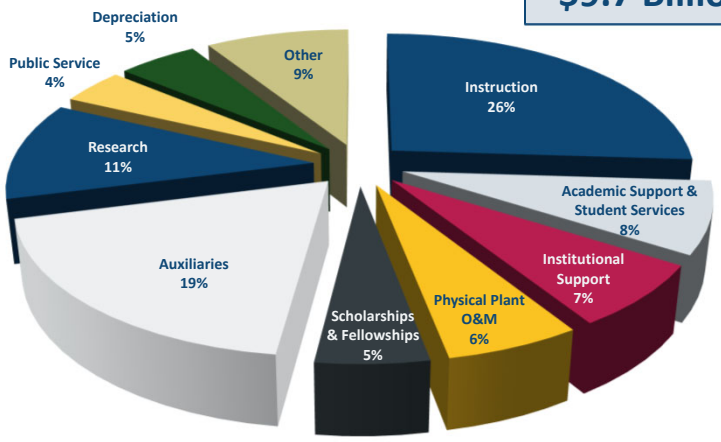

Revenues	FY 2019	FY 2020	Change	
State Appropriations	3,093,390,558	3,100,210,936	6,820,378	0.2%
Tuition & Fees	1,809,158,686	1,794,582,805	(14,575,881)	-0.8%
Auxiliaries	1,869,871,346	1,737,727,888	(132,143,458)	-7.1%
Federal Approp., Contracts & Grants	1,495,308,033	1,606,470,964	111,162,931	7.4%
State & Local Contracts & Grants	657,149,515	736,516,019	79,366,504	12.1%
Gifts, Inv. Income & Endowments	801,602,260	588,380,255	(213,222,005)	-26.6%
Capital Approp., Grants & Gifts	413,244,547	400,051,147	(13,193,400)	-3.2%
Other Revenue	382,438,875	276,358,284	(106,080,591)	-27.7%
Total	10,522,163,820	10,240,298,298	(281,865,522)	-2.7%

- **COVID-19 impacts:**
  - Student refunds in housing, dining, and parking
  - Off-cycle program (late spring) enrollment impacts
  - Gift and investment income declines
- **Impacts from no FY 2019-21 state budget:**
  - Minimal state operating and capital appropriations

UNC System Expenditures: FY 2020

(excluding UNC Hospitals)

$9.7 Billion

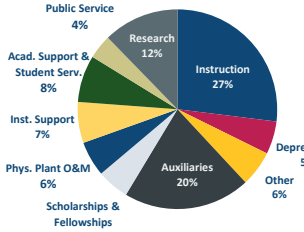

Note: Some research and private/endowment revenues are not available for immediate expenditure.

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

Expenses by Campus Size: FY 2020

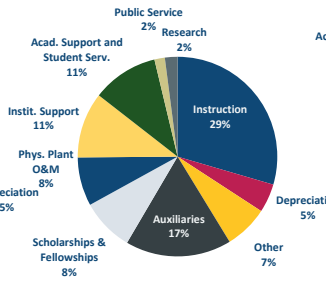

Large Universities

ASU, ECU, N.C. A&T, NC State, UNC-CH, UNCC, UNCG, UNCW

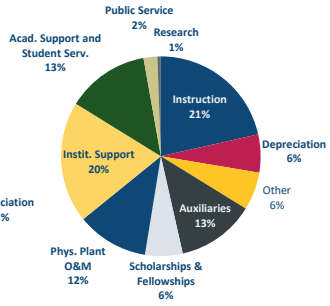

Medium Universities

UNC System Expenses: FY 2019-20

(excluding UNC Hospitals)

Expenses	FY 2019	FY 2020	Change	
Instruction	2,532,923,796	2,524,411,634	(8,512,162)	-0.3%
Academic Support & Student Services	767,376,028	752,736,894	(14,639,134)	-1.9%
Institutional Support	690,423,512	710,126,141	19,702,629	2.9%
Physical Plant O&M	596,001,525	560,422,195	(35,579,330)	-6.0%
Scholarships & Fellowships	391,962,837	515,332,620	123,369,783	31.5%
Auxiliaries	1,839,951,189	1,854,707,351	14,756,162	0.8%
Research	1,022,224,336	1,018,378,377	(3,845,959)	-0.4%
Public Service	389,972,265	370,873,817	(19,098,448)	-4.9%
Depreciation	436,853,956	491,492,651	54,638,695	12.5%
Other	652,023,191	904,253,333	252,230,142	38.7%
Total	9,319,712,635	9,702,735,013	383,022,378	4.1%

- Decreases in expenses in most activities as a result of revenue declines.
- Increase in student aid as a result of federal emergency relief (HEERF I).
- Change in "Other" expenses due to large increase in pension expense.

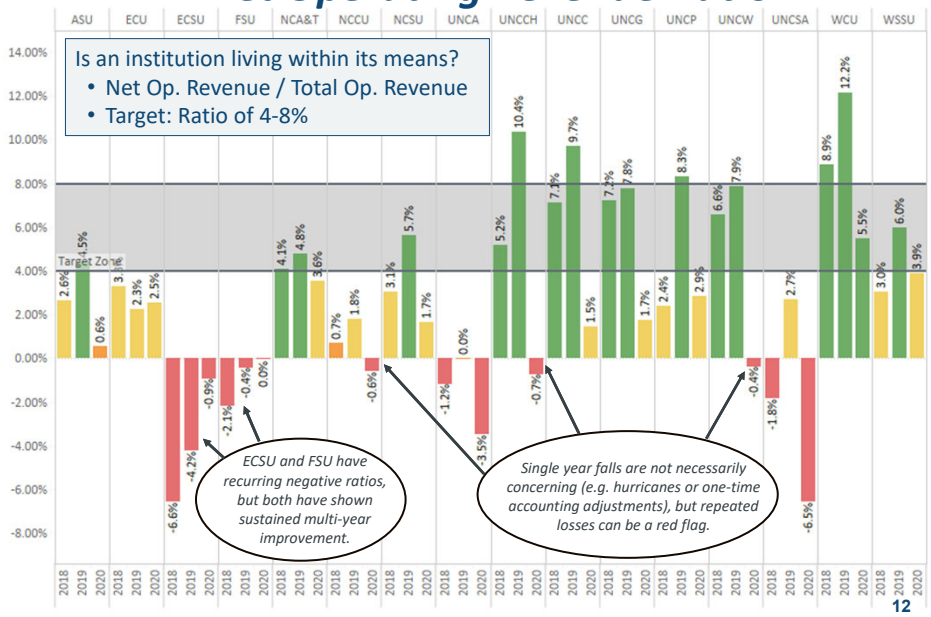

Operating Performance: Net Operating Revenue

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

Net Operating Revenue is defined as Net Revenue before Capital Appropriations, Capital Contributions, and Additions to Endowments.

Operating Performance: Net Operating Revenue Ratio

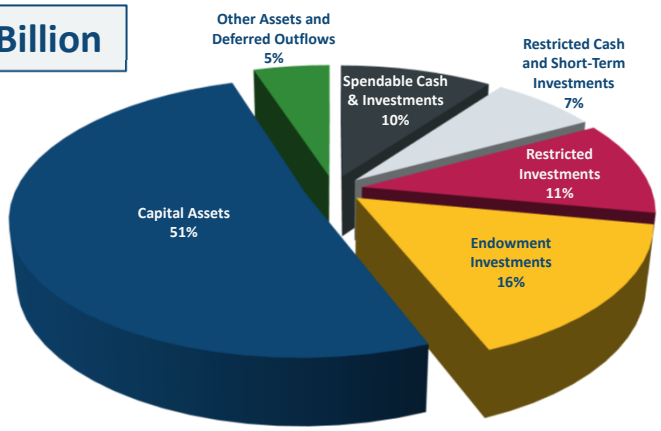

Balance Sheet Trends

UNC System Assets: FY 2020

(excluding UNC Hospitals)

$24.5 Billion

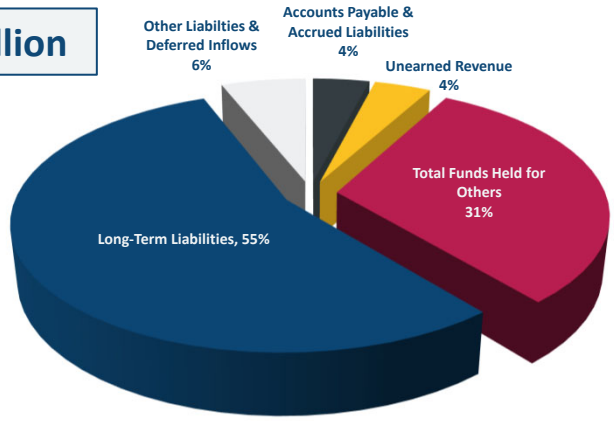

These balances have been adjusted to remove the effect of GASB Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions, and GASB Statement No. 68, Accounting and Financial Reporting for Pensions. They have been partially adjusted to remove the effect of inter-campus transactions (e.g., inter-institutional transfers and the UNC Investment Fund).

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

UNC System Liabilities: FY 2020

(excluding UNC Hospitals)

$9.3 Billion

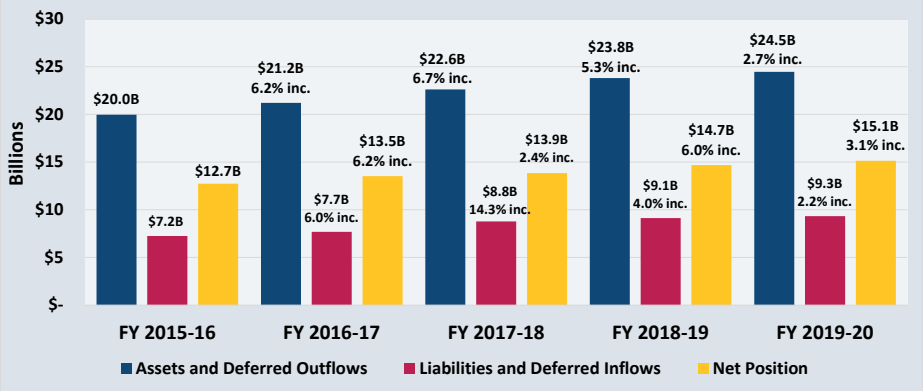

These balances have been adjusted to remove the effect of GASB Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits Other than Pensions, and GASB Statement No. 68, Accounting and Financial Reporting for Pensions. They have been partially adjusted to remove the effect of inter-campus transactions (e.g., inter-institutional transfers and the UNC Investment Fund).

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

Balance Sheet Trends: FY 2016-20

Overall Balance Sheet Changes (excluding UNC Hospitals)

These balances have been adjusted to remove the effect of GASB Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits Other than Pensions, and GASB Statement No. 68, Accounting and Financial Reporting for Pensions. They have been partially adjusted to remove the effect of inter-campus transactions (e.g., inter-institutional transfers and the UNC Investment Fund).

In FY 2015-16, Capital Assets made up 53.6% of total assets and deferred outflows; in FY 2019-20, they made up 48.4%.

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

Net Position Defined

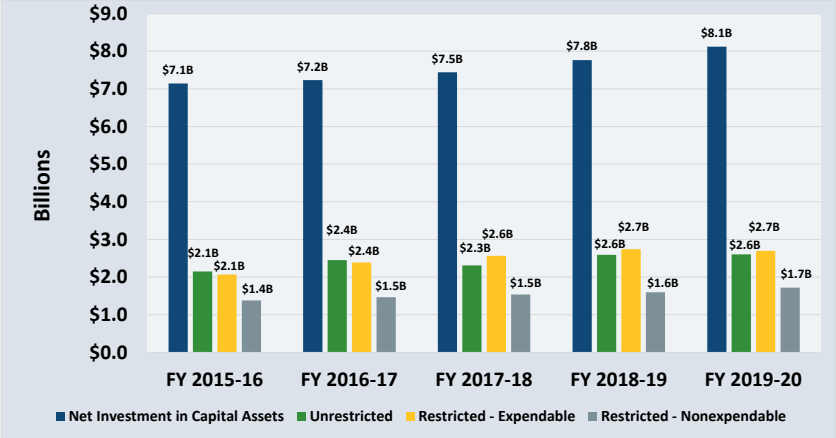

- Three Categories of Net Position:
  - Unrestricted Net Position
    - Not externally restricted by creditor, grantor, donor, or law but may be designated for specific use.
  - Restricted – Expendable
    - Generally, the return on an endowment principal; changes in these funds are correlated with market performance.
  - Restricted – Nonexpendable
    - Generally, the principal of an endowment which must be retained in perpetuity; these funds are correlated with charitable contributions.

Unrestricted Net Position Considerations

- Internally Designated Net Position – Defined
  - The designation must be expressed by (1) the institution itself or (2) a body (e.g., a budget or finance committee) or official to which the institution has delegated the authority to assign amounts to be used for specific purposes.
  - The designated funds represent planned actions and not actual commitments.
  - The designation can be subsequently modified or removed.
- Since universities have numerous programs and initiatives to accomplish their missions, they tend to have more types of internally designated net position than other organizations. Examples include:
  - Academic programs
  - Research programs
  - Student housing
  - Capital projects
  - Information technology
  - Recreational programs
  - Student relations
  - Trademarks and patents
  - Fundraising
  - Legal matters

Balance Sheet Trends FY 2016-20

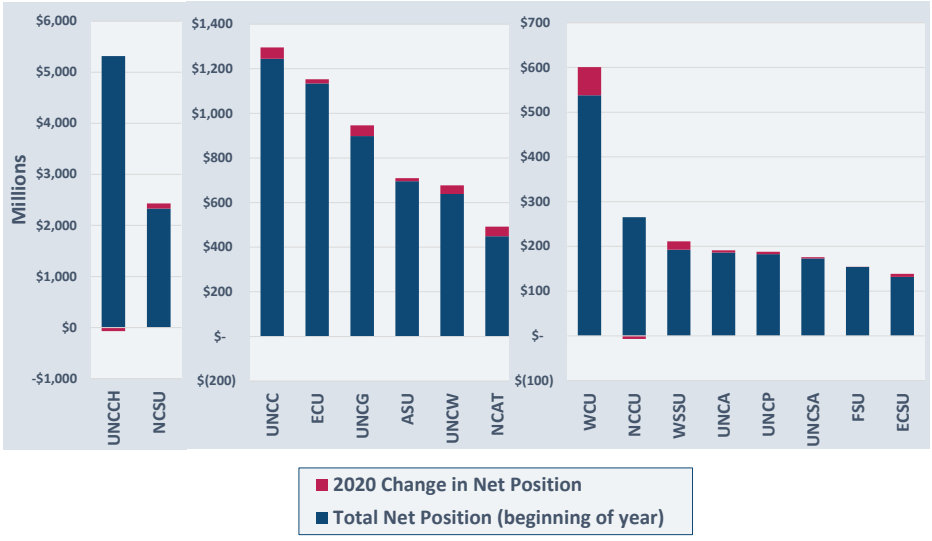

Changes in Net Position (excluding UNC Hospitals)

These balances have been adjusted to remove the effect of GASB Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits Other than Pensions, and GASB Statement No. 68, Accounting and Financial Reporting for Pensions. They have not been adjusted to remove the effect of inter-campus transactions (e.g., inter-institutional transfers and the UNC Investment Fund).

Cash Performance: FY 2019-20

(excluding UNC Hospitals)

- Credit rating agencies use measures like a university's ability to generate cash from primary business activities and the liquidity of a university's financial resources to assess creditworthiness.
  - Performance: Operating Cash Flow Margin
  - Reserves: Spendable Cash and Investments to Operating Expenses

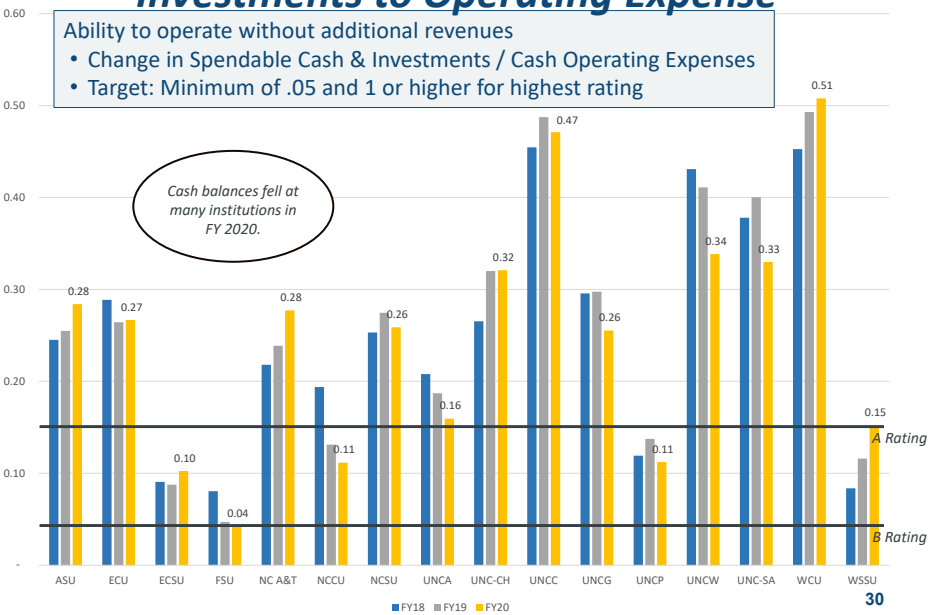

Cash Performance: Operating Cash Flow Margin

Ability to control expenses to fund strategic investment
- Change in Net Position Less Depreciation / Total Operating Revenue
- Target: Min. of 1% & >20% for highest rating

Reserves: Spendable Cash and Investments to Operating Expense

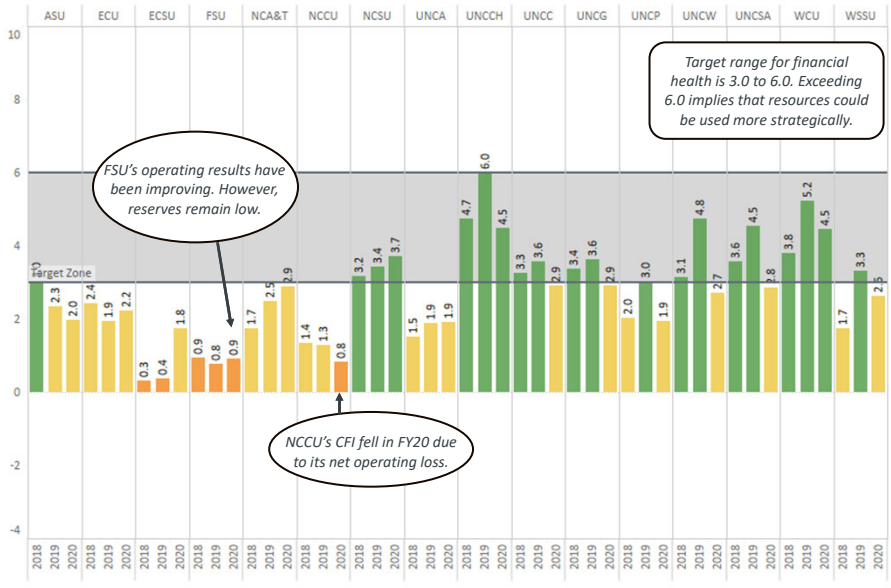

Ability to operate without additional revenues
- Change in Spendable Cash & Investments / Cash Operating Expenses
- Target: Minimum of .05 and 1 or higher for highest rating

Composite Financial Index: FY 2019-20

- University-specific composite measure developed by NACUBO:
  - Evaluates overall institutional financial health and strategic risk
  - Used widely throughout Higher Education
  - Derivable from audited financial statements
  - Useful for private and public institutions

Composite Financial Index: FY 2019-20

Conclusions

- **The UNC System is in a strong financial position, but FY 2020 financial performance was not as robust as FY 2019 for most universities due primarily to COVID-19 and the absence of a state budget.**
- **This underlines the importance of maintaining sufficient and flexible reserves and the ability to manage expenses.**
- **In particular, financial health of auxiliary enterprises plays a key role in campus financial performance.**

QUESTIONS?

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

MEETING OF THE BOARD OF GOVERNORS
Committee on Budget and Finance
April 21, 2021

AGENDA ITEM

A-4. Report of Facilities and Administrative (F&A) Receipts, 2019-2020 .....Jennifer Haygood

Situation: Annually, the Board of Governors is required to report to the Joint Legislative Education Oversight Committee and the Office of State Budget and Management the sum of overhead receipts collected and expended by the University of North Carolina System.

Background: The University of North Carolina System serves the state's interests through a three-part mission of teaching, research, and public service. The UNC System's reputation as one of the nation's top public university systems has been built, in part, on the volume and quality of research and sponsored programs conducted by its faculty. Recognizing that research carries necessary administrative, facilities, and other expenses above and beyond the direct costs of the project, federal agencies have included in research grants and contracts a portion of funds to help offset these related costs – commonly called "indirect costs," “facilities and administrative receipts," or “overhead receipts.” G.S. 116-11 (9a) directs the Board of Governors to report on the collection and use of these receipts by grant or program. The statute also directs the Board to report on the use of these receipts to provide for the maintenance and operation of facilities that were constructed with or at any time operated by funds from the General Fund.

Assessment: The University of North Carolina System received $284.5 million in overhead receipts during the fiscal year and expended $286.5 million. Of the expenditures, $46 million was used to provide for the maintenance and operation of facilities constructed with or operated by general fund appropriations. The System-wide ending fund balance supported by these receipts on June 30, 2020 was approximately $117 million.

Action: This item is for information only.

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

Report on Facilities and Administrative (F&A) Receipts

April 21, 2021

UNC System Report on Overhead Receipts
[Facilities and Administrative (F&A) Receipts]
2019-20

Legislation enacted by the 2013 General Assembly (S.L. 2013-360) included the following special provision directing the Board of Governors to report annually on the amount and uses of facilities and administrative receipts:

> **UNC BOARD OF GOVERNORS REPORT ON OVERHEAD RECEIPTS**
>
> **SECTION 11.6**.(a) G.S. 116-11 is amended by adding a new subdivision to read: "(9a) The Board of Governors shall report to the Joint Legislative Education Oversight Committee and the Office of State Budget and Management by March 1 of each year regarding the sum of facilities and administrative fees and overhead receipts for The University of North Carolina that are collected and expended by each constituent institution. The report shall include all of the following information:
>
> a) The collection of facilities and administrative fees and overhead receipts by grant or program.
> b) The use of facilities and administrative fees and overhead receipts showing expenditures by grant or program.
> c) The sum of facilities and administrative fees and overhead receipts collected or expended by each constituent institution for maintenance and operation of facilities that were constructed with or at any time operated by funds from the General Fund."

In response to that legislation, this report covers the state fiscal year ending June 30, 2020.

Background

The University of North Carolina System serves the state's interests through a three-part mission of teaching, research, and public service. The UNC System's reputation as one of the nation's top public university systems has been built, in part, on the volume and quality of research and sponsored programs conducted by its faculty. With limited direct state appropriations for research, the University has depended heavily on obtaining competitive grants and contracts to support research efforts.

In recent decades, the federal government has increased efforts to promote scientific research at United States universities, as well as research conducted by federal, nonprofit, and commercial laboratories. Recognizing that research carries necessary administrative, facilities, and other expenses above and beyond the direct costs of the project, federal agencies have included in research grants and contracts a portion of funds to help offset these related costs – commonly called "indirect costs," "overhead receipts," or "facilities and administrative (F&A) receipts." In keeping with current federal reporting practices, the term "facilities and administrative (F&A) receipts" is used for the remainder of this report.

Under Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), facilities and administrative receipts generally reimburse costs associated with supporting contract and grant activities of the institution in a manner consistent with the formulas under which the funds were recovered. Internal university controls pertaining to the compliance requirements for sponsored project expenditures under Uniform Guidance Subpart F *Audit Requirements* are designed to provide reasonable assurance regarding the achievement of the following objectives:

1. Transactions are properly recorded and accounted for in order to permit preparation of reliable financial statements and reports and to maintain accountability over assets.

2. Transactions are executed in compliance with laws, regulations, and provisions of federal and state laws and in accordance with sponsored agreement terms.

3. Funds, property, and other assets are safeguarded against loss from unauthorized use or disposition.

Research and other sponsored program awards to the 16 UNC System institutions of higher learning and the North Carolina School of Science and Mathematics totaled nearly $1.7 billion for FY 2019-20. For the year, about 73% of research and sponsored program awards came from federal sources, with about 23% from private industry and nonprofit organizations, while state and local governments provided about 4% of the receipts. Every $1 million of research supports a total of fifteen jobs[1], which does not take into account the economic impact of inventions, patents, or spin-off companies started by University researchers.

Contracts and grants support thousands of individual projects that improve human health, understanding of the natural world, education, national defense, and other areas critical to the nation and state. Grants and contracts support not only leading-edge science and public service but also the state's workforce. Contracts and grants support salaries for faculty, post-doctoral fellows, staff, graduate assistants, and undergraduate researchers, all of whom keep the University of North Carolina System in the forefront of regional economic development and training.

In 2019-20, the UNC System earned a total of $284.5 million in facilities and administrative receipts (Attachment A). F&A receipts were expended by each campus to support costs associated with maintaining an environment conducive to conducting research and scholarly advancement and ensuring competitiveness for attracting additional research funds. In 2019-20, the UNC System expended a total of $286.5 million of these facilities and administrative receipts (Attachment B). It is important to note that F&A receipts and expenditures for a given year are often not the same due to timing differences between receipts and expenditures and planning F&A receipt-supported projects.

UNC System institutions also expended $46 million of F&A receipts to operate or maintain facilities constructed with or operated by general fund appropriations (Attachment C).

[1] This information was provided by an economic impact study completed by Economic Modeling Specialists International issued in February 2015 based on FY 2012-13 information. See http://www.northcarolina.edu/economic-impact-2015 for more information on the study.

Amount of Facilities and Administrative Receipts

University-wide, a total of $284.5 million was earned in facilities and administrative receipts during the 2019-20 fiscal year. Consistent with their research missions, the two major research universities, North Carolina State University at Raleigh (20%) and UNC-Chapel Hill (67.5%), accounted for 87.5% of the University-wide total. Receipts for seven institutions – Appalachian State University, East Carolina University, North Carolina A & T State University, North Carolina Central University, UNC Charlotte, UNC Greensboro, and UNC Wilmington – accounted for most of the remaining F&A receipts. Research has increased at these seven institutions, which has translated into increased facilities and administrative receipts.

Uses of Facilities and Administrative Receipts

Facilities and administrative receipts are expended in a manner consistent with the earning rates negotiated with the federal government to recover a part of the actual costs of conducting federally sponsored research that are otherwise not reimbursable from grants and contracts.

The principal priorities for programmatic expenditures were designed to:

- maintain and expand research infrastructure
- provide matching funds/cost-sharing for external grants
- support research-related administrative functions
- encourage new research activity
- foster research/creative activity in the classroom
- provide for research support and assistantships
- promote grantsmanship education
- fund faculty "start-up" packages (support staff, laboratory facilities, equipment, and operating expenses)
- sustain academic programs, including the libraries
- provide for capital improvements and debt service
- support strategic initiatives
- provide scientific equipment

Each of the institutions also reported on the purpose of its expenditure priorities for the year in one of the twelve following programs:

Program	Expenditures
Organized Research	$ 92,077,218
Institutional Support	85,391,395
Physical Plant	39,191,769
General Academic Support	33,208,962
Regular Term Instruction	28,362,415
Libraries	2,470,476
Multi-Activity (Transfers to Capital)	1,873,807
NC State Veterinary Medicine	1,338,965
Student Services	1,130,841
Student Financial Aid	1,003,001
Community Services	389,557
School of Government	83,375
Total	**$ 286,521,781**

In addition to the programmatic summary, each institution also provided an accounting of how F&A receipts were spent in FY 2019-20. Across the UNC System, expenditures and percentages of each were categorized as follows:

Expenditures	Amount	Percent of Total
Personal Services	$ 114,408,445	40%
R&R Construction Debt Service	58,717,512	20%
Purchased Services	57,711,189	20%
Property, Plant & Equipment	19,567,758	7%
Other Expenses & Adjustments	16,722,670	6%
Supplies	14,810,893	5%
Aids & Public Assistance	4,583,314	2%
Total	**$ 286,521,781**	**100%**

Expenditures by UNC-Chapel Hill and North Carolina State University account for 90% of the total F&A expenditures. The University as a whole spent more F&A receipts than were brought in during 2019-20, reducing the F&A fund balance by just over $2 million. System-wide F&A receipts supported approximately $117 million of fund balance (net) on June 30, 2020. UNC-Chapel Hill's ending fund balance as of June 30, 2020 was $9.2 million.

In addition, each institution has highlighted its major F&A expenditures for the year:

Appalachian State University

- Fund salaries and benefits for all employees in the university's Research and Sponsored Programs Offices.
- Continue to support the research mission of the university.

East Carolina University

- Support indirect grant administration overhead.
- Fund direct costs related to research activities, such as: safety, regulatory compliance, hazardous waste disposal, business services, and information technology.
- Provide funds for strategic research program enhancement as directed by ECU senior leadership.
- Provide start-up funds for new faculty and accrue funds for future construction related to research.

Elizabeth City State University

- Provide seminars and training workshops for faculty and staff to enhance proposal writing and grants management skills.
- Support research management tools and management of federally mandated research compliance.
- Critical and/or emergency needs as identified by the chancellor.

Fayetteville State University

- Support travel, equipment, supplies, student research training, administrative costs not covered by awards, temporary staff, and other approved costs.
- Support professional development for faculty in non-sponsored research.
- Support research compliance, recognition, and grant writing workshops.
- Support infrastructure needs related to university-wide sponsored research activities.

North Carolina Agricultural and Technical State University

- Provide research services for workshops and training classes for faculty and graduate students on grant writing, budget preparation and management, research opportunities, and research compliance.
- Support for patent protection, outreach, and economic development related to research.
- Support of pre-award and post-award research administration functions for sponsored activities.
- Fund scholarships to help pay tuition and fees for students within the Graduate College, College of Engineering, and College of Agriculture and Environmental Sciences.

North Carolina Central University

- Provide support for research infrastructure, including but not limited to personnel, research databases, compliance tools, workshops, and maintenance of scientific equipment.
- Provide funding in support of the university's master plan.
- Support for protection of university intellectual property and research-related economic development initiatives.
- Provide seed funding for further grant and proposal submissions, which will spur research activities.

North Carolina State University

- Acquire specialized research equipment and provide operational support for shared research facilities in support of faculty recruitment and retention.
- Provide operational support for research units and research training programs.
- Fund building repairs and renovations necessary to support research activities.
- Invest to support research administration and regulatory compliance, as well as to stimulate new research programs.

University of North Carolina at Asheville

- Fund 2.55 FTE of pre- and post-award staff to support faculty and staff activities for the procurement, administration, and compliance of externally funded projects.
- Provide a limited redistribution of F&A receipts to qualifying departments to advance further research and programming initiatives.
- Fund faculty development, instructional, and institutional support.
- Fund debt service for new campus health services facility and subsidize externally funded projects deemed institutionally critical, where relevant project costs exceed sponsor funding.

University of North Carolina at Chapel Hill

- Fund the administrative and regulatory compliance staff and operations required to sustain the $1 billion of research conducted annually at the university.
- Fund planning and debt service for construction of research buildings and labs and the repairs, renovations, and equipment they require.
- Fund strategic programs and the supplements and matching funds that attract faculty and new research grants and contracts to North Carolina.
- Fund personnel and programs to safeguard information, materials, and technology of importance to US national interests.

University of North Carolina at Charlotte

- Fund debt service for the Partnership, Outreach, and Research to Accelerate Learning (PORTAL) facility, a premier workspace and innovation center for regional and global business pioneers.
- Fund capital improvements and infrastructure for academic and research facilities.
- Reinvest in research through the Principal Investigator F&A Return program.

The University of North Carolina at Greensboro

- Fund direct labor costs related to internal and external research/contract proposal and award management, undergraduate and graduate student support and research, safety, and regulatory compliance.
- Fund direct labor costs related to local and state requests for economic and community development and engagement assistance, including community initiatives, information related to university expertise/graduates for recruiting companies, commercialization, and technology transfer opportunities.
- Renovate and up-fit facilities and equipment in order to accommodate grant/contract facility requirements, operation and maintenance of lab facilities, increase the university's competitiveness for external funding, and IT expenses related to research.
- Provide assumption of risk and bridge funding as needed to cover faculty, postdoctoral fellows, and key research staff positions.

The University of North Carolina at Pembroke

- Fund 2 FTE staff positions in the Office of Sponsored Research to assist faculty and staff in proposal development, preparation, and submission.
- Provide on-campus grant workshops, databases, and search tools.

University of North Carolina School of the Arts

UNCSA had no F&A receipts or expenditures in 2019-20.

University of North Carolina Wilmington

- Support costs associated with maintaining an environment conducive to research and scholarly advancement.
- Provide debt service for research infrastructure.
- Support research-related administrative functions.
- Foster research/creative activity in the classroom.

Western Carolina University

- Pay salaries and other operating expenses associated with research activities.
- Support research-related professional development for faculty.

Winston-Salem State University

- Fund faculty positions.
- Provide support to increase faculty research awarded.

North Carolina School of Science and Mathematics

- Foster research activity.
- Foster creativity in the classroom.

University of North Carolina System Office

- Provide related compliance infrastructure, funding a sponsored programs program specialist position to administer Uniform Guidance (2 CFR Part 200) compliance standards.
- Support nominal F&A costs for sponsored programs not funded in the grant proposals, e.g., compliance systems/services, information technology support and supplies.

Conclusion

Facilities and administrative receipts are expended to support costs associated with maintaining an environment conducive to research and scholarly advancement and ensuring competitiveness for attracting additional research funds. Specifically, these funds support the staff and operating costs for research functions; audit and compliance related to grants and contracts; facilities and equipment repairs and maintenance; debt service for facilities that provide research space; maintenance and operation of the physical plants and offices that provide support to the universities' research endeavors; and investment in libraries to maintain current research related collections and services. F&A funds are increasingly important as University research is a critical and growing economic driver for the State of North Carolina.

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

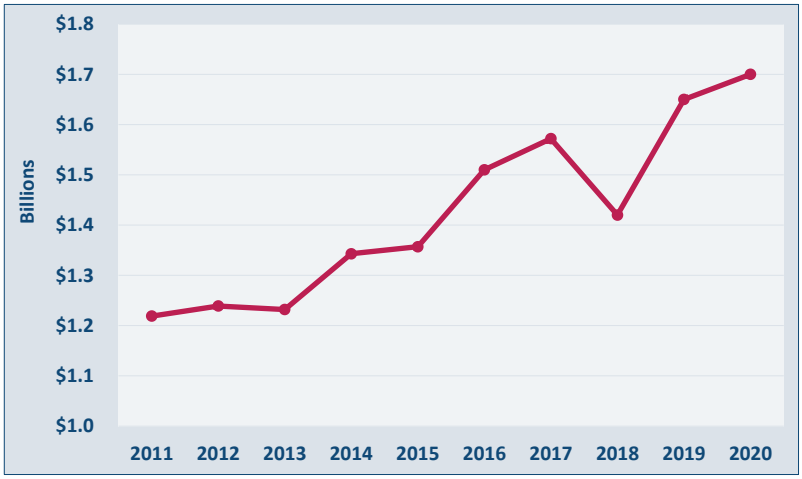

FACILITIES & ADMINISTRATIVE RECEIPTS

Fiscal Year Ended
June 30, 2020

Background

- In recent decades, the federal government has increased efforts to promote scientific research at universities.
- Research carries administrative, facilities, and other expenses beyond the direct costs of the project.
- Federal research grants include a portion of funds to help offset these costs. These funds are called facilities and administrative (F&A) receipts.

Research and Other Sponsored Program Awards FY 2011-20

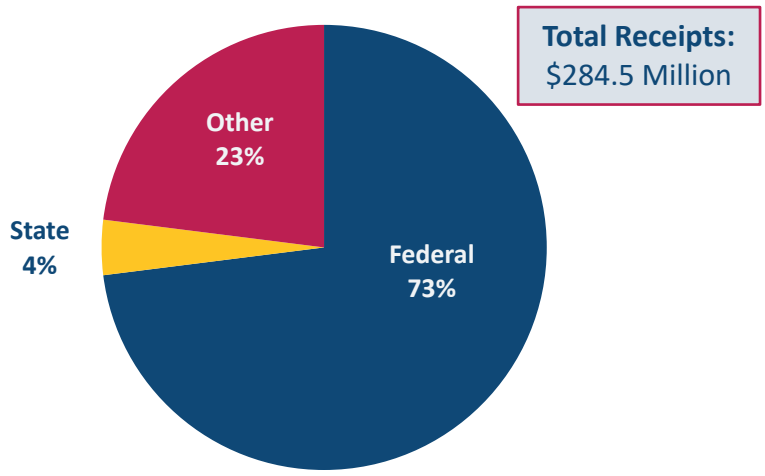

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

What are F&A Costs?

- **F&A costs support the infrastructure that makes research possible.**
- **Also known as Indirect Costs, these costs are an essential part of conducting research but are too complex to assign to an individual project or grant.**
- **Examples of F&A costs include lab infrastructure, research data networks, grants management staff, building maintenance, and hazardous waste disposal.**

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

Highlights of Campus Uses

- East Carolina University – Fund costs related to research activities, such as: safety, regulatory, hazardous waste disposal, and information technology.
- North Carolina A&T State University – Support for patent protection, outreach, and economic development related to research.
- North Carolina State University – Acquire specialized research equipment and provide operational support for shared research facilities in support of faculty recruitment and retention.
- University of North Carolina at Chapel Hill – Fund the administrative and regulatory compliance staff and operations required to sustain the $1 billion of research conducted annually at the university.

Highlights of Campus Uses (continued)

- University of North Carolina at Charlotte – Reinvest in research through the Principal Investigator F&A Return program.
- University of North Carolina at Greensboro – Renovate facilities in order to accommodate grant requirements, increase the university's competitiveness for external funding, and fund IT expenses related to research.
- University of North Carolina at Wilmington – Provide debt service for research infrastructure.

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

MEETING OF THE BOARD OF GOVERNORS
Committee on Budget and Finance
April 21, 2021

AGENDA ITEM

A-5. Duties and Authorities of the President – Proposed Policy Change .....Jennifer Haygood

Situation: The Committee on Budget and Finance will consider proposed policy revisions, which delegate additional powers and duties to the president for approval of increases up 10 percent of the originally awarded construction contract amount for capital improvement projects.

Background: The Board of Governors is working to ensure that it properly allocates authority and responsibility to the president for campus-based matters. As part of that effort, the Committee on Budget and Finance gave preliminary approval in July 2020 for proposed additional delegations of powers and duties related to construction contract increases of less than 10 percent.

Assessment: Proposed policy revision requires an amendment to Section 600.1.1 of the UNC Policy Manual. The revision will delegate to the president the authority to approve increases of up to 10 percent of the originally awarded construction contract for capital improvement projects previously authorized by the Board of Governors.

Action: This item requires a vote by the committee, with a vote by the full Board of Governors through the consent agenda at the next meeting.

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

ISSUE OVERVIEW

The Committee on Budget and Finance formed the Capital Construction Task Force on November 14, 2019, to review the capital project delivery process and to make recommendations to improve efficiency and ensure value in the execution of capital projects. The Capital Construction Task Force presented its recommendations to the Committee on Budget and Finance in July 2020, all of which were adopted. The recommendations included allowing cost increases of up to 10 percent without requiring additional approval from the Board of Governors. The recommendation requires a change to Section 600.1.1 of the UNC Policy Manual and the change is included in the supplemental information.

Currently, the constituent institutions are required to obtain approval from the Board of Governors for any cost increase for a capital project. The proposed policy change will allow the president to authorize cost increases of up to 10 percent over the originally awarded construction contract amount. The constituent institutions will submit the same documentation as required for Board approval, including designated funding source. If the requested increase is within the 10 percent contingency and the funds are available, the president can approve the increase without requiring formal Board of Governors approval. Changes of up to 10 percent of the originally awarded construction contract amount are well within an acceptable construction contract contingency. Cost increases of more than 10 percent over the awarded construction contract amount will follow the current Board of Governors approval process. The policy change will incentivize cost control and good fiscal project management by expediting the approval process for typical construction cost increases. The delegation to the president will expedite the approval process for minimal construction contract increases and allow the constituent institutions to manage minor changes to the construction contract in a timely manner.

RECOMMENDATION

It is recommended that the committee approve the policy change and recommend that the full Board of Governors adopt the amended policy at the next meeting.

Policy on Design, Construction, and Financing of Capital Improvement Projects

I. Authority. G.S. 143C-8-12 provides the Board of Governors with authority to approve certain expenditures for capital improvement projects that will be funded and operated entirely from non-General Fund money, including expenditures to plan, construct, and change the scope of such projects.

Additionally, G.S. 116-31.11 delegates to the Board of Governors the authority for the administration of design, construction, or renovation of buildings, utilities, and other property developments requiring the estimated expenditure of public money of $2,000,000 or less. The Board is also authorized to delegate that authority to constituent institutions and affiliated entities of the University of North Carolina if an institution or affiliated entity is qualified under guidelines developed in consultation with the director of the budget and the State Building Commission. Pursuant to this authority, guidelines entitled "The University of North Carolina Design and Construction Guidelines" were implemented to provide assistance to the constituent institutions in the administration of the design and construction of capital improvement projects. Copies of the guidelines may be obtained at the UNC System Office.

Pursuant to and consistent with its authority under the North Carolina General Statutes, including G.S. 116-11(13), the Board of Governors adopts the following policy regarding authority of the president and boards of trustees to approve and administer certain capital improvement projects.

II. Approval of Certain Capital Improvement Projects

A. General Delegations of Authority to the President and Boards of Trustees for Approval of Certain Capital Improvement Projects.

1. The Board of Governors delegates to the president and the boards of trustees the power to approve capital improvement projects that are funded entirely with non-General Fund money that are projected to cost less than $750,000.[1] The president's authority may be exercised on behalf of the UNC System Office, affiliated entities, or the constituent institutions in the president's discretion.

2. The Board of Governors delegates to the president and the boards of trustees authority to approve advance planning of capital improvement projects, where the advance planning effort is to be funded entirely with non-General Fund money.[2]

3. The Board of Governors delegates to the president the authority to approve an increase of up to 10 percent of the cumulative value of an originally-awarded construction contract for a System Office, affiliated entity, or constituent institution capital improvement project previously authorized by the Board of Governors.

43. After the long-term financing of a capital improvement project has been approved in accordance with statutory requirements, the president may approve interim financing or bank loans as a means of short-term financing. The president shall report any such actions to the Committee on Budget and Finance at its next meeting.

B. Additional Delegations of Authority to the President and Boards of Trustees for Approval of Capital Improvement Projects.

1. The Board of Governors may delegate to the president additional authority to approve capital improvement projects funded entirely with non-General Fund money that are projected to cost less than $1,000,000.[3]

2. Upon request by the board of trustees of a constituent institution or affiliated entity and with the recommendation of the president, the Board of Governors may delegate to the board of trustees of a constituent institution or affiliated entity additional authority to approve capital improvement projects funded entirely with non-General Fund money that are projected to cost less than $1,000,000.[4]

3. Should the Board of Governors delegate additional authority to one or more boards of trustees or affiliated entities consistent with paragraph 2., above, the president shall automatically receive authority to approve capital improvement projects at a level equal to the highest level of authority delegated to a board of trustees or affiliated entity. The president's authority may be exercised on behalf of the UNC System Office, affiliated entities, or the constituent institutions in the president's discretion.

4. The senior vice president for finance and administration, in consultation with the senior vice president and general counsel, shall establish the process by which a constituent institution may request and maintain delegated authority consistent with G.S. 143C-8-12 and other relevant state law. The minimum criteria a constituent institution must meet to receive and maintain authorization from the Board of Governors shall include, but not be limited to, performance of a written, comprehensive self-assessment that demonstrates:

a. The constituent institution has performed a written, comprehensive self-assessment that demonstrates it has the administrative, technical, and support resources necessary to properly carry out the delegated authority.

b. The chancellor has certified in writing that the constituent institution has the administrative, technical, and support resources necessary to properly carry out the delegated authority.

c. The constituent institution has a properly constituted and active campus capital project review committee comprised of individuals with sufficient technical expertise, strategic perspective and executive authority to perform the duties required herein.

d. The constituent institution has an individual on staff with substantial experience in managing capital improvement projects and the chancellor has designated that individual as the campus capital project coordinator.

e. The constituent institution has appropriate and sufficient technical and professional staff with demonstrated capability in the planning, financing, and oversight of capital improvement projects.

f. An assessment team, assembled and led by the senior vice president for finance, has reviewed the constituent institution's self-assessment, has performed an on-site capabilities appraisal that confirms the institution's self-assessment, and has recommended delegation to the president.

Constituent institutions will be reviewed for re-authorization under this section on a periodic basis, to be established by the senior vice president for finance and administration.

5. Upon review in response to a request for re-authorization or in response to a report of noncompliance with this policy or its associated regulations, for good cause, and consistent with G.S. 143C-8-12 and other relevant state law, the president may revoke or suspend the authority of a constituent institution or take other remedial action as the president deems necessary and appropriate. Once authority has been revoked or suspended pursuant to this policy, all future capital improvement projects for the institution involved shall be completed in accordance with the General Statutes of North Carolina and the general delegations of authority provided for in section II of this policy.

III. Administration of Design and Construction of Certain Capital Improvement Projects. Delegations of the Board of Governors authority for the administration of design and construction of capital improvement projects requiring the estimated expenditure of public money of $2,000,000 or less shall be in accordance with G.S. 116-31.11 and "The University of North Carolina Design and Construction Guidelines."

IV. Procedures and Reporting Requirements. The senior vice president for finance and administration shall have general authority to establish such procedures and reporting requirements for constituent institutions and affiliated entities as may be prudent to enable implementation of this policy and associated regulations.

V. Other Matters

A. Effective Date. The requirements of this policy shall be effective on July 1, 2019.

B. Relation to Other Laws. This policy is designed to supplement, and does not purport in any way to supplant or modify, those statutory enactments and rights which may govern capital improvement projects in the State of North Carolina.

C. Regulations and Guidelines. This policy shall be implemented and applied in accordance with such regulations and guidelines as may be adopted by the president.

[1]This delegation of authority shall be interpreted consistent with G.S. 143C-8-12. See also Appendix 1 to *The Code* and Section 200.6 of the UNC Policy Manual.

[2]Unless otherwise indicated by the Board of Governors, this delegation of authority to boards of trustees to approve advance planning efforts shall not be further delegated.

[3] See endnote 1, above.
[4] See endnote, 1, above.

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

MEETING OF THE BOARD OF GOVERNORS
Committee on Budget and Finance
April 21, 2021

AGENDA ITEM

A-6. Designation of Millennial Campus –
University of North Carolina at Asheville .....Jennifer Haygood and Nancy Cable

Situation: The Board of Trustees of the University of North Carolina at Asheville has requested that the Board of Governors approve the designation of 210.17 acres on its campus as a Millennial Campus.

Background: G.S. 116-198 Article 21B: The Centennial Campus, the Horace Williams Campus, and the Millennial Campuses Financing Act define the process for seeking the Millennial Campus designation. The legislation states that the Board of Governors may act on recommendations by the president of the UNC System after consultation with the chancellor and the board of trustees of a constituent institution to designate real property held by, or to be acquired by, a constituent institution as a Millennial Campus of the institution.

That designation shall be based on an express finding by the Board of Governors that the institution desiring to create a Millennial Campus has the administrative and fiscal capability to create and maintain such a campus. Furthermore, the Board of Governors shall have determined that creating the constituent institution's Millennial Campus will enhance the university's research, teaching, and service missions, as well as the economic development of the region served by the institution.

Assessment: The Millennial Campus concept has been widely and successfully used by Appalachian State University, East Carolina University, N.C. A&T State University /University of North Carolina at Greensboro, North Carolina Central University, NC State University, University of North Carolina at Chapel Hill, University of North Carolina at Charlotte, University of North Carolina Wilmington, and Western Carolina University. The proposed UNC Asheville Millennial Campus designation includes nine parcels of approximately 210.17 acres.

Action: This item requires a vote by the committee, with a vote by the full Board of Governors through the consent agenda.

Designation of Millennial Campus – University of North Carolina Asheville

ISSUE OVERVIEW

G.S. 116-198.34 grants the Board of Governors authority to designate real property as a millennial campus when recommended by the president. It states that "designation shall be based on an express finding by the Board of Governors that the institution desiring to create a millennial campus has the administrative and fiscal capability to create and maintain such a campus and provided further, that the Board of Governors has found that the creation of the constituent institution's millennial campus will enhance the institution's research, teaching, and service missions as well as enhance the economic development of the region served by the institution."

The UNC Asheville Board of Trustees is requesting millennial campus designation to support UNC Asheville's Revitalization Plan, the 30-year campus master plan, and the university's first ever 2020-2028 comprehensive capital campaign. The millennial campus designation will provide development flexibility, community engagement, innovative partnerships, and core academic mission support. The proposed properties have the potential for future development including a new performing arts center, a new OLLI facility, a new retail and mixed-use development, a conference center, improved athletic facilities, including related parking, affordable faculty housing, and other community connected and academic initiatives. The request for millennial campus designation is approximately 210.17 acres and includes the following sites:

1.	Cultural and Performing Arts Center, Odyssey School & Amphitheater	32.95 acres
2.	Osher Lifelong Learning Institute (OLLI)	5.80 acres
3.	Rhoades House	9.53 acres
4.	Kellogg Executive Leadership Center	46.29 acres
5.	Athletics Facilities	37.40 acres
6.	Affordable & Sustainable Faculty Housing	55.60 acres
7.	Botanical Gardens of Asheville	13.80 acres
8.	Riverside Properties	5.80 acres
9.	Global Leadership Institute Annex	3.00 acres
	TOTAL	210.17 acres

RECOMMENDATION

It is recommended that the Board of Governors approve the millennial campus designation with the understanding that specific projects, leases, and other actions related to the millennial campus – including those on property owned by an endowment board – shall be subject to Board of Governor's approval unless authorized under delegated authority.

UNIVERSITY of NORTH CAROLINA ASHEVILLE

Executive Summary of
UNC Asheville's Request for Millennial Campus Designation

Article 21B of Chapter 116 of the North Carolina General Statutes (the "**Millennial Campus Act**") authorizes the Board of Governors of the University of North Carolina (the "**Board**") to designate real property owned or to be acquired by a constituent institution as a "Millennial Campus" if the Board determines the designation will enhance the institution's research, teaching, and service missions and drive economic development.

UNC Asheville has recently refreshed and updated its long-range planning efforts, identifying initiatives, programs, and opportunities critical to serving its distinct role within the UNC System and maintaining its position as one of the nation's premiere public liberal arts institutions.

UNC Asheville is requesting Millennial Campus designation for the property shown on the maps attached as Exhibit A (the "**Proposed Millennial Campus**") to provide the University with the tools and flexibility required to unlock the value of its assets, accelerate UNC Asheville's strategic vision, and underscore the central role UNC Asheville plays in supporting the vibrancy and vitality of Western North Carolina.

Leveraging the Millennial Campus Designation

UNC Asheville's trajectory over the next decade and beyond will be shaped by the successful implementation of three core initiatives—the UNC Asheville's Revitalization Plan, the 30-year campus master plan completed in 2020 and the University's first-ever 2020-2028 comprehensive capital campaign.

The UNC Asheville Revitalization Plan, completed in 2021, identified six key goals: (1) Build Fiscal Capacity, (2) Strengthen Market Position and University Impact, (3) Grow Enrollment, (4) Innovate and Evolve Academically, (5) Amplify and Improve the Student Experience and Workforce/Thought Force Outcomes, and (6) Energize State and Regional Partnerships.

From 2018-2020, UNC Asheville commissioned and completed a 30-year (2020-2050) campus master plan to align the campus assets and capital improvement program with those core priorities. To fuel its plans, UNC Asheville will soon launch its first Comprehensive Centennial Campaign with a preliminary goal to raise $101+ million over the next 8 years when, in 2028, the University will celebrate its 100th year in service to the state and the nation.

As described below, a Millennial Campus designation would provide UNC Asheville with a full complement of tools and strategic leverage choices to ensure the successful implementation of these three vital initiatives.

- **Development Flexibility** – The Proposed Millennial Campus would provide mechanisms to maximize the value and revenue potential of UNC Asheville's real estate assets and provide additional delivery and financing options to address UNC Asheville's identified capital investment needs.
- **Community Engagement** – The Proposed Millennial Campus would create opportunities for UNC Asheville to deepen its engagement and impact with the community, highlighting UNC Asheville's influence in the region and raising awareness and support for its fundraising efforts.
- **Innovative Partnerships** – The Proposed Millennial Campus would help build UNC Asheville's organizational capacity by leveraging the resources and expertise of the robust regional private

sector, allowing UNC Asheville to pursue valuable public-private partnership opportunities while remaining focused on its core distinctive academic and co-curricular mission within the UNC System and the State of North Carolina.

- **Core Academic Mission Support** – The Proposed Millennial Campus would provide UNC Asheville with creative pathways to offer and expand initiatives, programs, and services designed to scale significantly its nationally recognized academic profile, strengthen its market position and its recruiting and retention efforts, and to enrich the student and faculty-staff experiences with highly robust corporate and non-profit regional partners.

Proposed Millennial Campus Projects & Initiatives

UNC Asheville continues to evaluate and validate the feasibility and strategic priority of the projects and initiatives identified in its Revitalization and Campus Master plans. The table below provides a brief overview of the key projects under consideration, how these fit into UNC Asheville's strategic objectives and its vision for the Proposed Millennial Campus, given the significant benefit the Millennial Campus designation would provide. Details regarding additional projects that are also included in the Proposed Millennial Campus are provided in Exhibit B.

Initiative	Description & Strategic Rationale
Cultural and Performing Arts Center, Odyssey School, & Amphitheater (22.15 Acres – Map Zone A and 9.4 Acres – Map Zone A1a or 1.4 Acres – Map Zone A1b)	▪ Facilitates potential partnerships with the City, County & other cultural organizations to develop a performing arts center to serve UNCA and Western North Carolina ▪ Would potentially house UNCA's drama & music programs, performance venues for the Asheville Symphony and Broadway-style shows, the Asheville Museum of Science, a WNC History & Cultural Center & a donor-funded planetarium ▪ Provides flexibility to pursue creative solutions to construct an outdoor performance venue to support UNCA's musical and theatrical programs and host other community events ▪ Would bolster the region's cultural arts scene and create synergies with the development of the proposed Performing Arts Center or the new OLLI facility, depending on the amphitheater's location
Osher Lifelong Learning Institute (5.8 Acres – Map Zone B)	▪ Facilitates development and construction of new facility for OLLI to meet expanding demand for UNCA's nationally acclaimed lifelong learning community ▪ Would facilitate partnerships with City and County organizations to create a "one-stop shop" to serve the region's aging population ▪ Would optimize OLLI's location to encourage community engagement and address topographical and congestion-related issues with existing site

Initiative	Description & Strategic Rationale
Rhoades House (9.53 Acres – Map Zone C)	▪ Facilitates partnerships with the private sector to explore the redevelopment of a residential estate along an important north-south corridor that connects UNCA to downtown Asheville ▪ Would allow UNCA to choose from a number of options to optimize use of the site, ranging from minor renovations and programmatic changes to an entirely new retail & mixed-use development
Kellogg Executive Leadership Center (46.29 Acres – Map Zone D)	▪ Provides flexibility to pursue creative approaches to optimize the use and noncommercial development of a large site surrounding the Kellogg home in Henderson County ▪ Would allow UNCA to partner with the YMCA and other community organizations to expand its presence in and service to Henderson County ▪ Would provide the opportunity to explore development plans with the private sector to take advantage of the site's natural beauty and strategic location to create a premier conference center to host academic conferences, lecture series & resident programs for visiting scholars
Athletics Facilities (37.4 Acres – Map Zone E)	▪ Provides flexibility to address identified needs for improvements to on-campus track, baseball, soccer, tennis, sports medicine & administrative facilities, plus related parking & other support facilities ▪ Would provide suitable facilities for all sports, allow UNCA to host NCAA and other events & bolster UNCA's fundraising efforts

Administrative & Fiscal Capacity Considerations

In addition to finding that a Millennial Campus would enhance the institution's core mission and the economic development of the region it serves, in approving a request for Millennial Campus designation, the Board must also find that the institution has the fiscal and administrative capability to create and maintain the Millennial Campus.

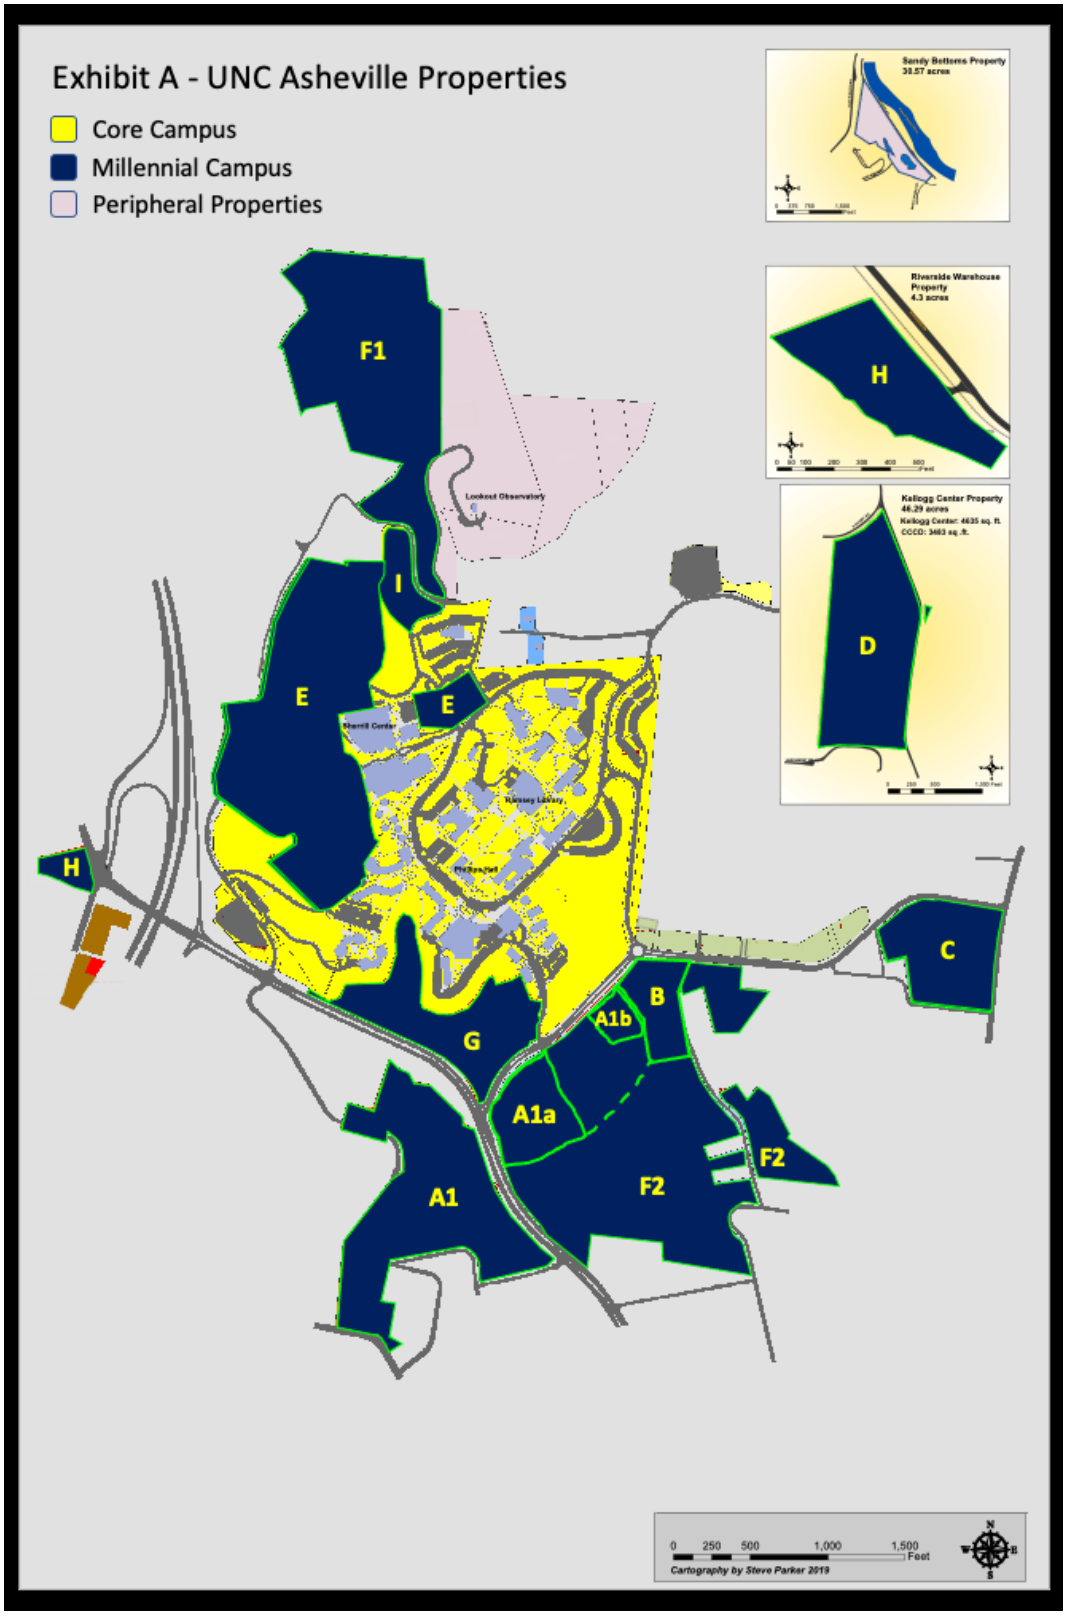

To ensure effective and coordinated oversight of the Proposed Millennial Campus, UNC Asheville has created a special Millennial Campus Leadership team to bring more than 140 years of experience at UNC Asheville across a range of academic disciplines and higher education leadership. Members of the Leadership Team, which include the Chancellor and several members of her cabinet, will oversee all aspects of the Millennial Campus's creation and operation. The Leadership Team members are listed in Exhibit C.

UNC Asheville intends to use its expanded authority to partner with the private sector and other organizations to expand its administrative and fiscal capacity, allowing it to leverage outside resources and expertise to pursue valuable opportunities while maintaining its focus on UNCA's core distinctive academic and co-curricular mission for the UNC System and for the State of North Carolina.

Conclusion

UNC Asheville requests the support of the Board of Trustees and the President in seeking the Board of Governors approval of the University of North Carolina Asheville's Millennial Campus for the following reasons:

- The Proposed Millennial Campus will provide UNC Asheville with the tools and flexibility it needs to ensure the successful implementation of its strategic initiatives, maximizing UNC Asheville's future fiscal and academic capacity.
- The Proposed Millennial Campus will help strengthen UNC Asheville's state and nationally recognized distinctive academic and co-curricular mission by (1) creating and expanding new academic programs dedicated to meeting workforce needs in the region and the state, expanding high leverage productive relationships in the University's flagship programs in mechatronics/robotics, public health, climate science and environmental resiliency, health sciences, and digital humanities; and (2) providing creative research and workforce regional needs and challenges.
- The Proposed Millennial Campus will grant UNC Asheville the flexibility to collaborate with the Asheville and WNC community to (1) enrich the region's cultural offerings, (2) spur development in the private sector, (3) generate new, diversified, and sustainable revenues for UNC Asheville, and (4) help ensure the intentional, strategic development of key land holdings surrounding UNC Asheville's campus.
- Finally, the Millennial Campus Leadership Team has the demonstrated seasoned and fiscally grounded expertise and proven experience to ensure UNC Asheville and the citizens of the State realize the benefits promised from the UNC Asheville Millennial Campus designation for years to come.

Exhibit B

Proposed Millennial Campus Projects & Initiatives – Additional Projects

Initiative	Description & Strategic Rationale
Affordable & Sustainable Faculty Housing (30.0 Acres – Map Zone F1) ***and/or*** (25.6 Acres - Map Zone F2)	▪ Allows UNCA to partner with private sector to construct & manage sustainable faculty housing and senior living facilities on one or two parcels to help meet the need for affordable housing in Asheville ▪ Would generate revenue and fundraising opportunities while supporting faculty recruitment & retention ▪ Would connect the housing development with OLLI, UNCA's campus, and the adjacent neighborhoods to create a walkable, integrated, multigenerational, and affordable community *(Map Zone H location*
Botanical Gardens of Asheville (13.8 Acres – Map Zone G)	▪ Facilitates a more robust partnership with the Botanical Gardens of Asheville and the construction of a new joint welcome center on the edge of UNCA's campus ▪ Would create a focal point to serve as a strategic gateway to UNCA's campus, improving access for visitors & enhancing UNCA's recruiting efforts
Riverside Properties (5.8 Acres – Map Zone H)	▪ Facilitates partnerships with the private sector to optimize the use & development of parcels located near a busy corridor along the French Broad River ▪ Would allow UNCA to generate revenue while shaping the long-term development of the campus' perimeter consistent with UNCA's strategic vision ▪ Would provide UNCA with the opportunity to connect its programming and development plans to the River Arts District, the French Broad River Greenway & a growing recreational & outdoor adventure scene
Global Leadership Institute Annex (3.0 Acres – Map Zone I)	▪ Allows UNCA to partner with private sector to construct a specialized housing and meeting facility to support UNCA's global leadership institute ▪ Would facilitate global leadership institute fellows and scholars becoming fully engaged members of the campus community during their extended working visits. ▪ Expand UNCA's ability to engage both the university and broader communities via meetings, lectures, and workshops without utilizing space needed for the core academic mission.

Members of UNC Asheville's Millennial Campus Leadership Team

- UNC Asheville Chancellor – Nancy J. Cable
- UNC Asheville Provost- Garikai Campbell
- Vice Chancellor for Budget and Finance – John G. Pierce
- Vice Chancellor for Student Affairs – Bill Haggard
- Vice Chancellor for University Advancement – Kirk Swenson
- Vice Chancellor for Human Resources, Institutional Equity and General Counsel – Heather Parlier
- Director of Athletics and University Enterprises– Janet Cone
- Associate Vice Chancellor for Campus Operations – David Todd
- Chief University Research Officer and Director of Corporate and Foundation Relations – Tim Elgren
- Director of Space Planning and Professor of Chemistry – Keith Krumpe

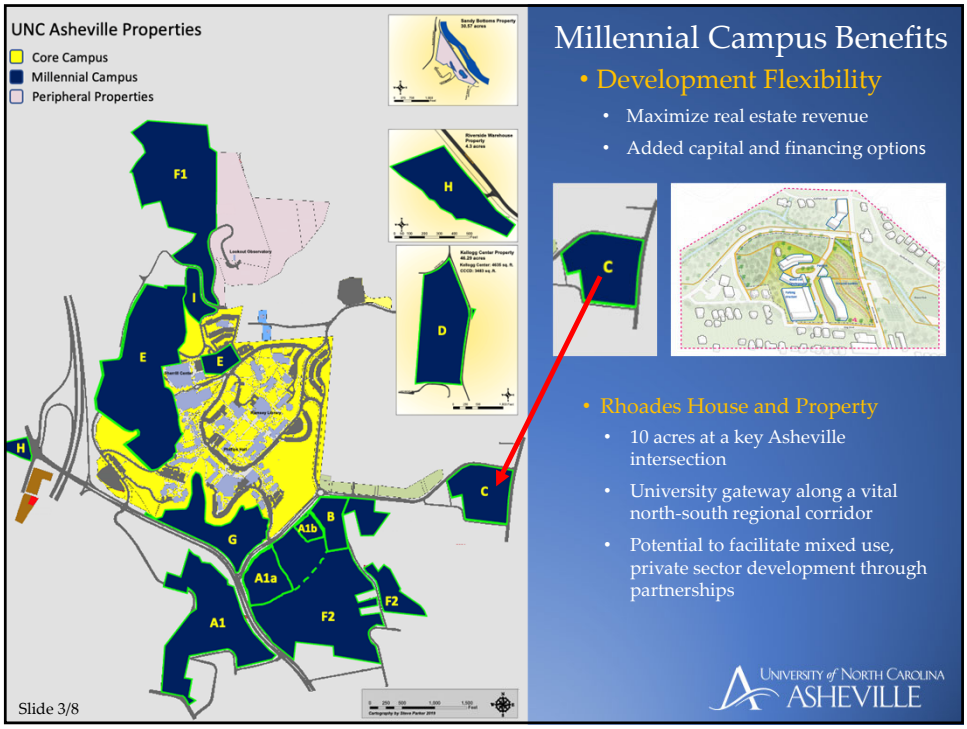

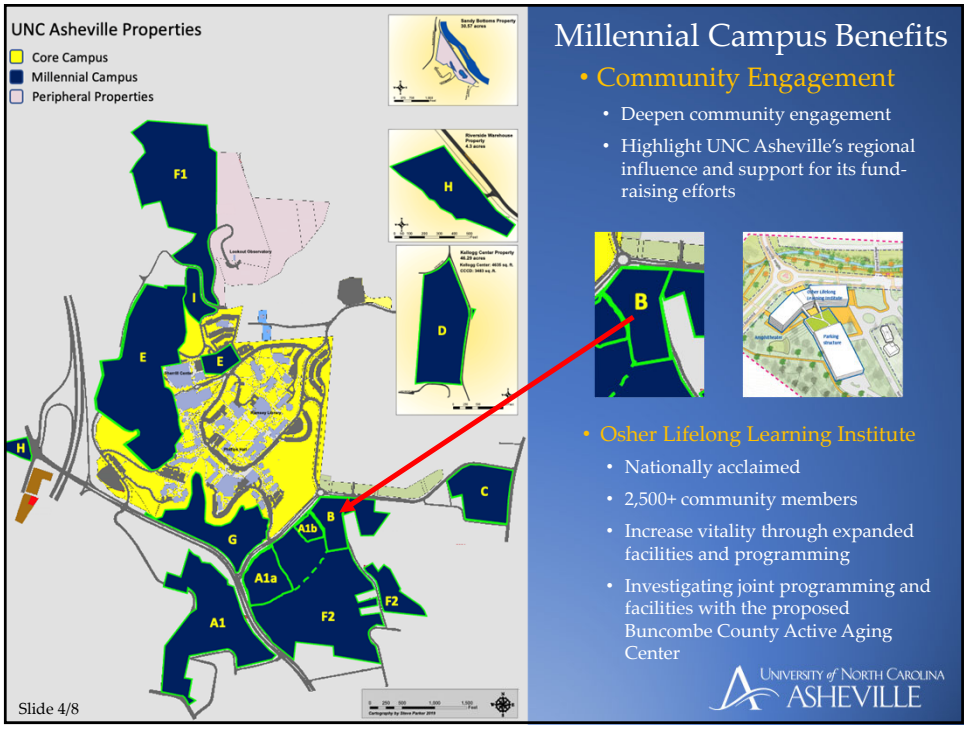

Core Initiatives for UNC Asheville

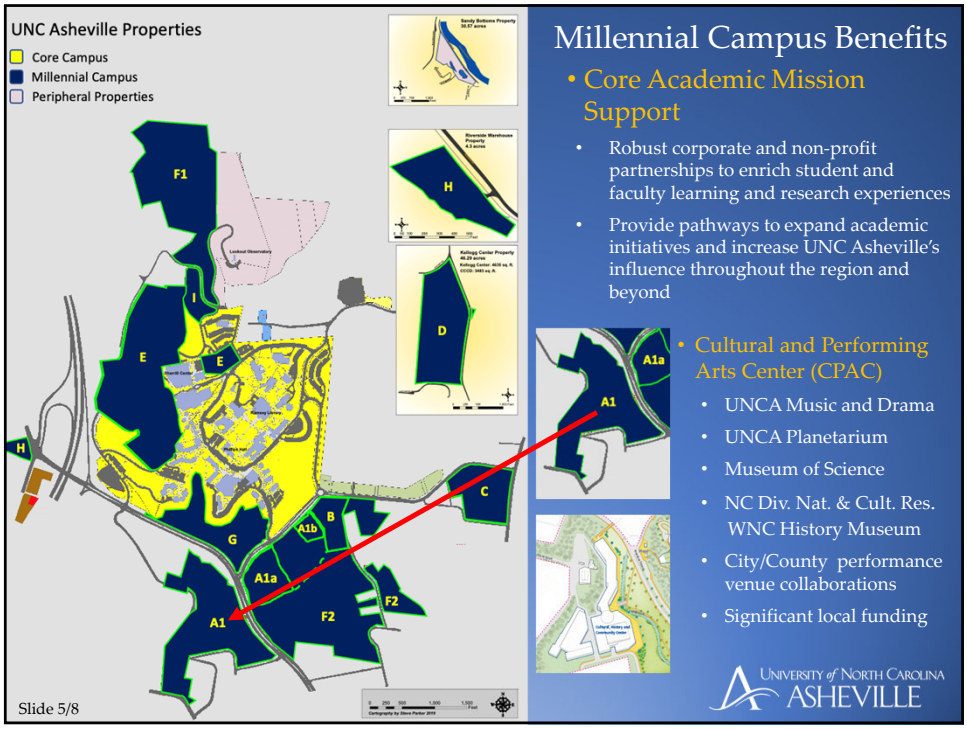

- UNC Asheville Revitalization Plan
  - Build Fiscal Capacity and Efficiency; Amplify Market Position and Institutional Impact; and Energize Local, State and Regional Partnerships
  - Innovate and Evolve Academically, and Improve the Student Experience and Workforce/Thought Force Outcomes
  - Grow Enrollment
- Campus Master Plan 2050
  - 30-year plan – 2020s, 2030s and 2040s
  - Campus Edges, Arrival, Neighborhoods, and Connections
- 2020-2028 Comprehensive Centennial Campaign
  - 1st comprehensive campaign – 2028 –100th year of service to state and nation
  - Goal of $101 million over next eight years
- Millennial Campus
  - Millennial Campus designation is vital to the successful implementation of these three core/key initiatives

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

MEETING OF THE BOARD OF GOVERNORS
Committee on Budget and Finance
April 21, 2021

AGENDA ITEM

A-7. Expansion of Millennial Campus –
Appalachian State University ..... Jennifer Haygood and Paul Forte

Situation: The Board of Trustees of Appalachian State University requests an expansion to the millennial campus to add approximately 317 acres to accommodate future development.

Background: Appalachian State University has an existing millennial campus of approximately 266 acres, including all areas currently ground leased to the public-private partnership (P3) developer for the new student housing development and the stadium end zone development. Appalachian State is requesting an amendment to the millennial campus designation to increase the millennial campus by around 317 acres. The sites to be added to the millennial campus expansion include additional residential halls, surface parking lots, parking decks, the steam plant, the state farm, and other sites. The additional properties will support opportunities to enhance the university's research, teaching, and service missions; support short-term and long-term economic development of its service area; and provide the opportunity for future public-private partnership projects including the development of multiple parking structures.

Assessment: The amendment to the millennial campus designation is recommended to support future development opportunities.

Action: This item requires a vote by the committee, with a vote by the full Board of Governors through the consent agenda.

Expansion of Millennial Campus – Appalachian State University

ISSUE OVERVIEW

G.S. 116-198.34 grants the Board of Governors authority to designate real property as a millennial campus when recommended by the president. It states that "designation shall be based on an express finding by the Board of Governors that the institution desiring to create a millennial campus has the administrative and fiscal capability to create and maintain such a campus and provided further, that the Board of Governors has found that the creation of the constituent institution's millennial campus will enhance the institution's research, teaching, and service missions as well as enhance the economic development of the region served by the institution."

The Board of Governors previously approved approximately 266 acres for the millennial campus designation at Appalachian State University and is required to approve any modification to the millennial campus designation. The Appalachian State University Board of Trustees is requesting a modification to the millennial campus designation to add approximately 317 acres for the following purposes: 1) provide flexibility to enter into agreements with private sector firms for development, 2) issue bonds to finance development, and 3) earn revenue through leasing space to third parties. The sites to be added to the millennial campus include the following:

1.	West Campus Residential Mountaineer Hall and Appalachian Heights	16.45	acres
2.	East Campus Residential Halls: Summit, Appalachian, Cone, East, Lovill, Cannon, Hoey, White, and Doughton Halls	9.11	acres
3.	East Campus surface parking lots	1.74	acres
4.	Garwood Hall parking lot and River Street parking deck	10.00	acres
5.	Alice Roess Dining Hall and Steam Plant	5.06	acres
6.	Schaefer Center for the Performing Arts	1.97	acres
7.	Peacock Hall, Edwin Duncan, Chapel Wilson, Turchin Center for theVisual Arts, Library Parking Deck, and surface parking lots	14.13	acres
8.	Holmes Convention Center and surface parking lots	15.96	acres
9.	McKinney Alumni Center	0.893	acres
10.	New River Light and Power	51.655	acres
11.	State Farm	190.00	acres
	TOTAL	316.98	acres

The proposed properties have the potential for building multiple parking structures and opportunities to enhance the university's research, teaching, and service mission, as well as both short-term and long-term economic development of its service area. Potential construction projects could also take advantage of public-private partnerships (P3) made possible by millennial campus designation.

RECOMMENDATION

It is recommended that the Board of Governors approve the modification to the millennial campus designation with the understanding that specific projects, leases, and other actions related to the millennial campus – including those on property owned by an endowment board – shall be subject to Board of Governor's approval unless authorized under delegated authority.

Proposed Additions to Millennial Campus

Appalachian State University Board of Trustees
Approved March 27, 2020

Appalachian STATE UNIVERSITY

Millennial Campus

Authorized by North Carolina General Statute 116-198 Article 21B

To build strategic facilities to support a community of academic excellence in ways that are economically sound, achievable in the near term, timely and relevant for a growing campus by taking advantage of available options under this designation including:

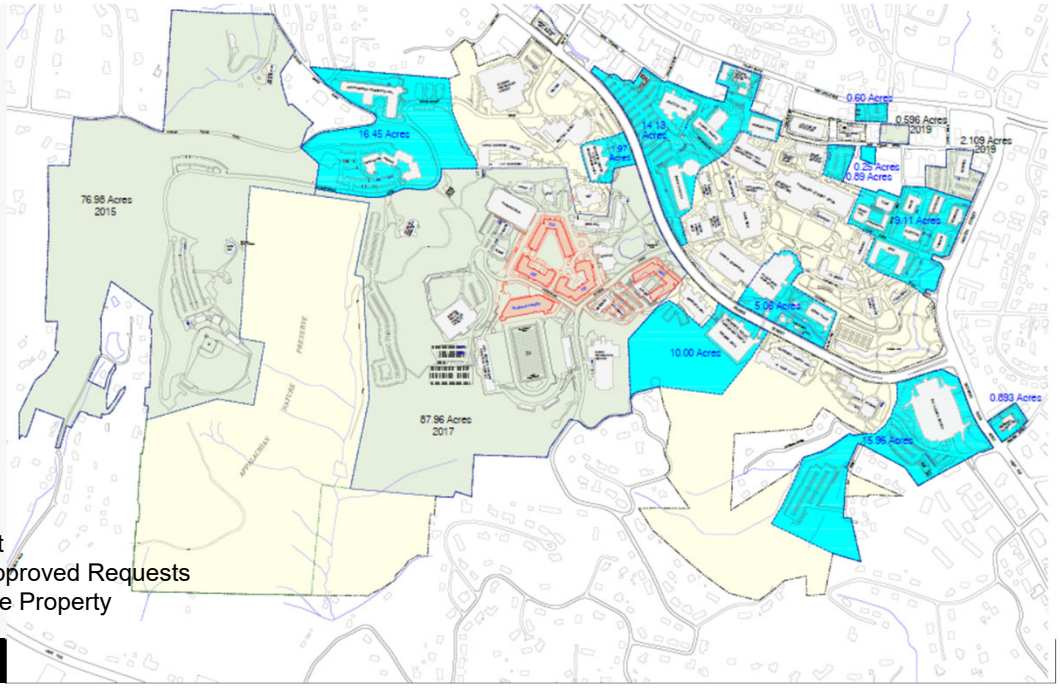

- Flexibility to enter into agreements with private sector firms to develop the properties
- Issuing bonds to finance development
- Earning revenue through leasing space in the properties to 3rd party

Millennial Campus

GS 116-36.5 provides that revenues "received through **development** of a Millennial Campus of a constituent institution of The University of North Carolina as defined by G.S. 116 198.33(4b), from whatever source, **including the net proceeds from the lease or rental of real property on a Millennial Campus**, shall be placed in a special, continuing, and non-reverting trust fund having the sole and exclusive use for further development of that Millennial Campus, including its operational development.

- Wake Forest Lease on Leon Levine Health College
- P3 Housing Ground Lease (Net Proceeds) on West Campus
- Potential Health Clinic Lease in the End Zone

- New Request
- Previously Approved Requests
- Campus/State Property

Proposed Millennial Off-Campus

Benefits of Millennial Campus

- Ability to do Public Private Partnerships
- Promote Regional Economic Development
- Streamlining approval processes
  - Board of Trustee and Board of Governor approvals
  - Construction
  - Issue Millennial Debt

Potential Millennial Campus Development

- Construction of Parking Deck Facilities
- Revitalize Peacock Hall for largest undergraduate business school program
- Day Light Boone Creek
  - Community Involvement
  - Potential P3 Opportunity
  - Grants
- Solar projects

Potential Millennial Campus Development (cont.)

- Streamline Approvals and Construction for Auxiliary Operations
  - Housing
  - Dining
  - Parking
  - Steam Plant and New River Light and Power
  - Convocation, Theater and Visual Art Centers

Summary

- Authorized by North Carolina General Statute 116-198 Article 21B.
- Currently in P3 development of 2100 beds and parking deck. Project is on-time and on budget.
- Successful model at other constituent institutions.

Action

The Appalachian State University Board of Trustees request the Board of Governors authorize and endorse the designation of the real property, enumerated in this presentation, as a part of the University's Millennial Campus. The real property tracts are listed in the maps attached to this document.

Questions?

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

MEETING OF THE BOARD OF GOVERNORS
Committee on Budget and Finance
April 21, 2021

AGENDA ITEM

A-8. Capital Improvement Projects..... Katherine Lynn

Situation: Elizabeth City State University, North Carolina State University, University of North Carolina at Charlotte, and University of North Carolina Wilmington have requested new authorizations for four capital improvement projects. Fayetteville State University, North Carolina A&T State University, North Carolina Central University, and North Carolina State University have requested increased authorization for five capital improvement projects.

Background: The Board of Governors may authorize capital construction projects at UNC System institutions using available funds.

Assessment: The constituent institutions are requesting projects that meet the statutory requirements, and it is recommended that the Board of Governors approve the projects and the method of funding. It is further recommended that these projects be reported to the NC Office of State Budget and Management as non-appropriated projects that do not require any additional debt or burden on state appropriations.

Action: This item requires a vote by the committee, with a vote by the full Board of Governors through the consent agenda.

Capital Improvement Projects – Elizabeth City State University, Fayetteville State University, N.C. A&T State University, NC Central University, NC State University, UNC Charlotte, and UNC Wilmington

ISSUE OVERVIEW

UNC System institutions are required to request authority from the Board of Governors to proceed with non-appropriated projects using available funds (non-general funds). Non-appropriated capital projects are funded by the institution and include the construction, repair, or renovation of facilities such as residence halls, dining facilities, research buildings, athletic facilities, and student health buildings.

Seven UNC System institutions have requested nine capital improvement projects: four new projects and five projects for increased authorization.

I. NEW PROJECTS

RECOMMENDATION

All projects and associated funding sources are in compliance with G.S. 143C-8-12 (State Budget Act).

It is recommended that these projects be authorized and reported to the NC Office of State Budget and Management as non-appropriated projects that do not require any additional debt or burden on state appropriations.

III. REPORTING

The following projects are being reported to the Board of Governors and Fiscal Research Division in compliance with GS 143C-8-13 (d) which permits Chancellors to authorize Repairs and Renovation projects less than $600,000 in thirteen allowable categories.

	Institution/Project Title	Amount	Fund Source	R&R Category
North Carolina A&T State University				
1.	Carver Hall Elevator Improvements	$514,000	Trust Funds	5 - ADA Compliance
North Carolina Central University				
2.	Shepard Admin Bldg. Comptroller's Office Renovation	$402,077	Trust Funds	9 - Improvements to Space

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

MEETING OF THE BOARD OF GOVERNORS
Committee on Budget and Finance
April 21, 2021

AGENDA ITEM

A-9. Disposition of Property by Demolition – Appalachian State University..... Katherine Lynn

Situation: The Board of Trustees for Appalachian State University requests authorization to dispose of property by demolition of Coltrane and Gardner Residence Halls. The demolition of the two residential halls is required to support construction of Phase 3 of the public-private partnership (P3) student housing project.

Background: The Board of Trustees approved the demolition of the existing Coltrane and Gardner Residence Halls on March 26, 2021. Coltrane and Gardner Residence Halls are both nine-story residential buildings, constructed in 1968, and approximately 51,930 GSF and 51,461 GSF, respectively. Coltrane Residence Hall has 282 beds and Gardner Residence Hall has 281 beds, for a total of 563 beds. Phase 3 of the new student housing project includes approximately 750 beds and 275 surface parking spaces. The residence hall is scheduled to open Fall 2022.

Assessment: The demolition of Coltrane and Gardner Residence Halls is required to accommodate construction of Phase 3 of the new student housing project.

Action: This item requires a vote by the committee, with a vote by the full Board of Governors through the consent agenda.

Disposition of Property by Demolition – Appalachian State University

ISSUE OVERVIEW

UNC System institutions are required to request authority from the Board of Governors to proceed with certain acquisitions and dispositions of real property.

The Board of Trustees of Appalachian State University requests authorization to demolish two structures located on the main campus:

STRUCTURE	GSF	YEAR BUILT	Number of Student Beds
1. Coltrane Residence Hall	+/- 51,930	1968	282
2. Gardner Residence Hall	+/- 51,461	1968	281

The demolition of the existing buildings is required to support construction of Phase 3 of the new student housing project in the same area. Phase 3 will include 750 beds (semi-suite, two double occupancy rooms with shared bathroom) and 275 surface parking spaces. The project is scheduled to be completed Fall 2022.

Appalachian State University researched the cost to renovate the existing residence halls and determined that it would be more cost effective to replace the existing building with new buildings due to the current condition of the facilities and the modifications required to meet current building code and campus design standards.

The cost of demolition is included in the P3 contract.

RECOMMENDATION

It is recommended that the Board of Governors approve this request. This item requires approval by the Council of State.

DISPOSITION OF REAL PROPERTY

Institution or Agency: **Appalachian State University** Date: **26 March 2021**

The Department of Administration is requested, as provided by GS §146-28 et seq., to dispose of the real property herein described by *purchase, lease, rental,* or *other (specify).* **Demolition**

This disposition is recommended for the following reasons:

Appalachian State University ("University") is requesting the demolition of Coltrane Residence Hall, a 53-year-old building used for student housing.

The University researched the renovation of the existing facility as a part of developing a master plan for student housing. It was determined to be more cost effective to raze the building and replace it with new construction compared to renovating the existing facility due to the current condition of the facility and the work required to bring the building up to current building code and campus design standards.

In 2014, the University completed a study for a renovation of a similar residence hall on the University campus with an estimate cost of renovation at over $114,000 per bed. The construction cost for new replacement facilities through the P3 is approximately $ 71,000 per bed. The University is expanding its on-campus student housing utilizing a Public-Private Partnership, ("P3") led by its developer partner, RISE. The entire P3 housing project (which noted the need to demolish Coltrane Residence Hall as part of the phased development) has previously been approved by all applicable State authorities. Phase 1 of the project is complete and Phase 2, which is currently underway, will replace the 282 beds previously provided in Coltrane Hall. Demolition of Coltrane Hall is being requested as part of Phase 3 of the project in order to provide surface parking on land currently occupied by Coltrane Hall.

Description of Property: *(Attach additional pages if needed.)*

Built in 1968, Coltrane Hall is a 9 story residence hall with 51,930 GSF and 45,769 assignable square feet. It is located at 193 Stadium Drive in Boone, NC, 28608. It occupies a portion of Watauga County parcel 2900-86-4969-000. Coltrane Hall's fixed asset number is #00257563.

Estimated value: **Insured for $18,811,643 replacement value in 2020.**

Where deed is filed, if known: **Watauga County, a portion of 2900-86-4969-000**

If deed is in the name of agency other than applicant, state the name:

N/A

Rental income, if applicable, and suggested terms:

N/A

Funds from the disposal of this property are recommended for the following use:

N/A

(Complete if Agency has a Governing Board.)
Action recommending the above request was taken by the Governing Board of **Appalachian State University** and is recorded in the minutes thereof on **March 26, 2021** *(date)*.

DISPOSITION OF REAL PROPERTY

Institution or Agency: **Appalachian State University** Date: **26 March 2021**

The Department of Administration is requested, as provided by GS §146-28 et seq., to dispose of the real property herein described by *purchase, lease, rental,* or *other (specify).* **Demolition**

This disposition is recommended for the following reasons:

Appalachian State University ("University") is requesting the demolition of Gardner Residence Hall, a 53-year-old building used for student housing.

The University researched the renovation of the existing facility as a part of developing a master plan for student housing. It was determined to be more cost effective to raze the building and replace it with new construction compared to renovating the existing facility due to the current condition of the facility and the work required to bring the building up to current building code and campus design standards.

In 2014, the University completed a study for a renovation of a similar residence hall on the University campus with an estimate cost of renovation at over $114,000 per bed. The construction cost for new replacement facilities through the P3 is approximately $ 71,000 per bed. The University is expanding its on-campus student housing utilizing a Public-Private Partnership, ("P3") led by its developer partner, RISE. The entire P3 housing project (which noted the need to demolish Gardner Residence Hall as part of the phased development) has previously been approved by all applicable State authorities. Phase 1 of the project is complete and Phase 2, which is currently underway, will replace the 281 beds previously provided in Gardner Hall. Demolition of Gardner Hall is being requested as part of Phase 3 of the project in order to provide surface parking on land currently occupied by Gardner Hall.

Description of Property: *(Attach additional pages if needed.)*

Built in 1968, Gardner Hall is a 9 story residence hall with 51,461 GSF and 42,163 assignable square feet. It is located at 191 Stadium Drive in Boone, NC, 28608. It occupies a portion of Watauga County parcel 2900-86-4969-000. Gardner Hall's fixed asset number is #00257554.

Estimated value: **Insured for $18,641,747 replacement value in 2020.**

Where deed is filed, if known: **Watauga County, a portion of 2900-86-4969-000**

RESOLUTION OF THE APPALACHIAN STATE UNIVERSITY BOARD OF TRUSTEES AUTHORIZING DEMOLITION OF COLTRANE RESIDENCE HALL AND GARDNER RESIDENCE HALL IN CONJUNCTION WITH THE DEVELOPMENT OF PHASE III OF THE P3 STUDENT HOUSING PROJECT

WHEREAS, the Appalachian State University Board of Trustees on March 16, 2018 adopted a resolution endorsing the use of a public-private partnership to construct new student housing at Appalachian State University; and

WHEREAS, Appalachian subsequently contracted with private partners for the development of an on-campus student housing village consisting of approximately 2,100 beds of student housing, parking, dining, and related infrastructure (the "Project") on Appalachian's Millennial Campus, to be developed in three (3) Phases; and

WHEREAS, development of the Project's Phase III improvements will require the demolition of Coltrane Residence Hall and Gardner Residence Hall, with the beds from each being replaced as part of the Project; and

WHEREAS, under North Carolina law, approval for the demolition of State property must first be approved by the North Carolina State Property Office, and ultimately by the North Carolina Council of State.

NOW THEREFORE, BE IT RESOLVED by the Appalachian State University Board of Trustees as follows:

1. The Board of Trustees approves the PO-2 State Property Office form to begin the formal State of North Carolina approval process for the demolition of Coltrane Residence Hall and Gardner Residence Hall, respectively, as part of Appalachian's P3 Student Housing Project.

2. All previous actions taken by the Board of Trustees or other duly authorized Appalachian representatives in connection with the approval of the Project that are not in conflict with this resolution are hereby ratified and approved.

3. This Resolution shall take effect immediately upon its passage.

ADOPTED AND APPROVED this 26th day of March, 2021.

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

MEETING OF THE BOARD OF GOVERNORS
Committee on Budget and Finance
April 21, 2021

AGENDA ITEM

A-10. Acquisition of Property by Deed and Disposition of Property by Demolition – N.C. A&T State University ..... Katherine Lynn

Situation: The Board of Trustees of North Carolina A&T State University requests authorization to acquire by deed three properties located on Stedman Street and Arlee Street, and to demolish the existing structures for future campus expansion and the construction of new student housing.

Background: The N.C. A&T Board of Trustees approved the purchase of three properties located on Stedman Street and Arlee Street, and the demolition of existing structures to support the construction of future student housing. The structures to be demolished are apartment buildings.

Assessment: The acquisition of the properties and the demolition of existing structures are required to support the construction of future student housing and is in accordance with the campus master plan.

Action: This item requires a vote by the committee, with a vote by the full Board of Governors through the consent agenda, and approval by the Council of State.

Acquisition of Property by Deed/Disposition of Property by Demolition – N.C. A&T State University

ISSUE OVERVIEW

UNC System institutions are required to request authority from the Board of Governors to proceed with certain acquisitions and dispositions of real property.

The Board of Trustees of North Carolina A&T State University has requested authorization to purchase three properties located on Stedman Street and Arlee Street, and the demolition of existing structures to support the construction of future student residential housing and future campus expansion. The structures to be demolished are apartment buildings and include the following:

412 Stedman Street
425 Stedman Street
1205 Arlee Street

The total estimated value is $3,503,751.22.

The Board of Governors previously approved the purchase and demolition of 27 properties in the same area and the demolition of an existing structure on Bluford Street.

The properties listed above will be purchased from the N.C. A&T Foundation with federal Title III funds.

RECOMMENDATION

It is recommended that the Board of Governors approve this request. This item requires approval by the Council of State.

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

MEETING OF THE BOARD OF GOVERNORS
Committee on Budget and Finance
April 21, 2021

AGENDA ITEM

A-11. Amendment to Use Agreement – Fayetteville State University ..... Jennifer Haygood

Situation: Fayetteville State University (FSU) requests that the Board of Governors authorize amendments to a previously approved use agreement related to the financing of the Renaissance Hall student housing facility on the campus of FSU, which was financed through the Fayetteville State University Housing, LLC (the "Company"), a university-affiliated nonprofit entity.

Approval by the Board to amend the use agreement will allow the Company to issue refunding limited obligation bonds (the "2021 Bonds") in an aggregate principal amount not to exceed $20,000,000 for the purpose of (1) refunding the callable maturities of FSU's Limited Obligation Bonds, Series 2011 (the "2011 Bonds") and (2) paying costs of issuance related to the 2021 Bonds.

Background: To finance Renaissance Hall, the Company previously executed and delivered the 2011 Bonds. FSU currently operates Renaissance Hall as university housing under the terms of a lease between the State and the Company and a use agreement among the Board, FSU and the Company. FSU has requested the approval of an amendment to the use agreement to memorialize the terms of the refinancing.

Assessment: Due to the favorable interest rate environment, the Company may refinance the 2011 Bonds for debt service savings. FSU estimates that the refinancing will reduce its payment obligations under the related lease and use agreement by approximately $1.8 million on a net present value basis, representing approximately 10 percent of the par amount refunded.

Refinancing the 2011 Bonds will require an amendment to the use agreement to reflect FSU's lower payment obligations with respect to the 2011 Bonds.

FSU currently has an issuer credit rating of "BBB+" with a negative outlook by Standard and Poor's and an issuer credit rating of "A" with a stable outlook by Fitch. The Company's 2011 Bonds are currently rated "BBB" with a stable outlook by Standard and Poor's and "A-" with a stable outlook by Fitch. This transaction is expected to have no impact on the credit rating for FSU or the Company's housing bonds.

Action: This item requires a vote by the committee, with a vote by the full Board of Governors through the consent agenda.

Amendment to Use Agreement – Fayetteville State University

ISSUE OVERVIEW

Fayetteville State University (FSU) requests that the Board of Governors authorize an amendment to a previously approved use agreement related to the financing of the Renaissance Hall student housing facility on the campus of FSU, which was constructed through a university-affiliated nonprofit entity, Fayetteville State University Housing, LLC (the "Company").

Subject to approval by the board to amend the use agreement, the Company will issue refunding limited obligation bonds in an aggregate principal amount not to exceed $20,000,000 (the "2021 Bonds") for the purpose of refinancing its Limited Obligation Bonds, Series 2011 (the "2011 Bonds").

The Company was created for the purpose of constructing student housing on the campus of FSU. To finance Renaissance Hall, the Company executed and delivered the 2011 Bonds. In connection with the delivery of the 2011 Bonds, FSU entered into a use agreement and a lease agreement, which were previously approved by the Board and the Council of State. The use agreement established FSU's payment obligations under the lease in an amount equal to the debt service on the 2011 Bonds.

Due to the current favorable interest rate environment, the Company has the opportunity to refinance the 2011 Bonds and pass on the savings to FSU, which FSU anticipates will reduce its payment obligations under the lease and use agreement by approximately $1,800,000 on a net present value basis, representing roughly 10 percent of the par amount refunded.

Refinancing the 2011 Bonds will require an amendment to the use agreement to reflect FSU's lower payment obligations with respect to the 2021 Bonds.

FSU anticipates that the Company's 2021 Bonds will be sold on a negotiated basis to an underwriter, or through a private placement with a financial institution. These will be selected in either case through a competitive RFP process and in consultation with the Senior Vice President for Finance and Administration.

FSU currently has an issuer credit rating of "BBB+" with a negative outlook by Standard and Poor's and an issuer credit rating of "A" with a stable outlook by Fitch. The Company's 2011 Bonds are currently rated "BBB" with a stable outlook by Standard and Poor's and "A-" with a stable outlook by Fitch. This transaction is expected to have no impact on the credit rating for FSU or the Company's 2021 Bonds.

Parker Poe Adams & Bernstein LLP is bond counsel, and First Tryon is the financial advisor to FSU.

RECOMMENDATION

It is recommended that FSU be authorized to enter into the amendment to the use agreement as set out in the attached resolution.

A RESOLUTION AUTHORIZING AGREEMENTS RELATED TO THE REFINANCING OF RENTALS RELATED TO THE PRIVATE HOUSING FACILITIES ON THE CAMPUS OF THE FAYETTEVILLE STATE UNIVERSITY

WHEREAS, by Chapter 116 of the General Statutes of North Carolina, the Board of Governors (the *"Board"*) of the University of North Carolina System (the *"UNC System"*) is vested with general control and supervision of the constituent institutions of the UNC System; and

WHEREAS, Fayetteville State Housing, LLC (the *"Company"*), as lessee, and the State of North Carolina (the "*State*"), as lessor, entered into a Lease Agreement dated August 12, 2011 (the "*Ground Lease*"), whereby the Company leased from the State the real property (the "*Project Site*") on which the Company constructed the student housing facilities known as Renaissance Hall comprising approximately 336 beds (the *"Project"*) on the campus of Fayetteville State University (*"FSU"*);

WHEREAS, the Company, as lessor, and the State, as lessee, entered into a Lease Agreement dated August 12, 2011 (the *"Lease"*), whereby the Company leased to the State the Project Site and whereby FSU agreed to pay Base Rentals and any Additional Rentals (as those terms are defined in the Use Agreement hereinafter defined) to the Company;

WHEREAS, the Company and FSU entered into a Use Agreement dated as of May 15, 2011 (the "*2011 Use Agreement*"), whereby FSU assumed the obligations of the State under the Lease, operates and maintains the Project and is obligated to pay Base Rentals and any Additional Rentals to the Company, as described in the 2011 Use Agreement;

WHEREAS, the Company executed and delivered its Limited Obligation Bonds (Fayetteville State University Housing Project), Series 2011 (the *"2011 Bonds"*), the proceeds of which were used to construct the Project, under an Indenture of Trust dated as of May 15, 2011 (the *"2011 Indenture"*) between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (the *"Trustee"*); and

WHEREAS, FSU and the Company and its financial advisor have advised the Board that it may be able to achieve debt service savings by refunding all or a portion of the 2011 Bonds; and

WHEREAS, to achieve the refunding of the 2011 Bonds, the Company will execute and deliver its Refunding Limited Obligation Bonds (Fayetteville State University Student Housing Project) (with appropriate series designations) in an aggregate principal amount not to exceed $20,000,000 (the *"2021 Bonds"*) pursuant to the 2011 Indenture and a Supplemental Indenture, Number 1 (the *"Supplement"* and, together with the 2011 Indenture, the *"Indenture"*) between the Company and the Trustee;

WHEREAS, in connection with execution and delivery of the 2021 Bonds, the Company and FSU will execute and deliver an Amendment to the 2011 Use Agreement (the "*Amendment*" and collectively with the 2011 Use Agreement, the "*Use Agreement*") to reduce the Base Rentals under the 2011 Use Agreement to reflect the refunding and to make other necessary changes; and

WHEREAS, the 2021 Bonds will be secured solely from the Base Rentals paid by FSU under the Lease and as otherwise set forth in the Lease, the Use Agreement and the Indenture;

WHEREAS, Loop Capital Markets LLC (the *"Placement Agent"*) will serve as the placement agent for the 2021 Bonds and will place the 2021 Bonds pursuant to the terms of a placement agent agreement (the *"Placement Agreement"*) between the Placement Agent and the Company; and

WHEREAS, there is now on file with the Board and FSU forms of the following documents (the *"Financing Documents"*), which the Board proposes to approve and authorize FSU to execute and deliver, as applicable:

1. the Amendment;

2. the Supplement; and

3. the Placement Agreement;

WHEREAS, there will be a Limited Offering Memorandum relating to the 2021 Bonds (the *"Limited Offering Memorandum"*) that will include certain information about FSU;

NOW, THEREFORE, BE IT RESOLVED by the Board as follows:

Section 1. Authorization of the Amendment and the Supplement. That the form and content of the Amendment and the Supplement be and the same hereby are in all respects authorized, approved and confirmed, and the Chancellor and Vice Chancellor for Business and Finance of FSU and the Chairman of the Board, the President of the UNC System, the Senior Vice President for Finance and Administration and CFO of the UNC System, the Secretary and the Assistant Secretary of the Board and the Secretary of the UNC System, or anyone acting in an interim capacity, individually and collectively (collectively, the *"Authorized Officers"*), be and they hereby are authorized, empowered and directed to execute, approve and deliver the Amendment and the Supplement in substantially the form and content presented to the Board, but with such changes, modifications, additions or deletions therein as to them seem necessary, desirable or appropriate, their execution thereof to constitute conclusive evidence of the Board's approval of any and all such changes, modifications, additions or deletions therein.

Section 2. Authorization of Placement Agreement. The form and content of the Placement Agreement is in all respects authorized, approved and confirmed. The Authorized Officers are authorized and empowered to execute and deliver the Placement Agreement, including any Letter of Representations attached thereto.

Section 3. Authorization of Limited Offering Memorandum. The Board of Trustees of FSU will approve the form and content of the Limited Offering Memorandum and the delivery and use of the Limited Offering Memorandum.

Section 4. General Authority. From and after the execution and delivery of the Financing Documents, the Authorized Officers are each hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Financing Documents as executed, and are further authorized to take any and all further actions to execute and deliver any and all other documents as may be necessary to the issuance and on-going administration of the 2021 Bonds. Any provision in this Resolution that authorizes more than one Authorized Officer to take certain actions shall be read to permit such Authorized Officers to take the authorized actions either individually or collectively.

Section 5. ***Conflicting Provisions.*** All resolutions or parts thereof of the Board in conflict with the provisions herein contained are, to the extent of such conflict, hereby superseded and repealed.

Section 6. ***Effective Date.*** This Resolution is effective on its adoption.

PASSED, ADOPTED, AND APPROVED this 22nd day of April, 2021.

STATE OF NORTH CAROLINA
COUNTY OF ORANGE

I, Meredith McCullen, Secretary of the University of North Carolina System, DO HEREBY CERTIFY that (1) the foregoing is a full, true and correct copy of the approving resolution adopted by the Board of Governors of the University of North Carolina System at its meeting on April 22, 2021, and appearing in the minutes of such meeting, (2) notice of the meeting of the Board of Governors of the University of North Carolina System held on April 22, 2021 was sent to each member of the Board, and (3) a quorum was present at the meeting on April 22, 2021, at which time the foregoing Resolution was adopted.

WITNESS, my hand and the seal of the University of North Carolina System this ____ day of April, 2021

[SEAL]

Meredith McCullen, Secretary of the University of North Carolina System

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

MEETING OF THE BOARD OF GOVERNORS
Committee on Budget and Finance
April 21, 2021

AGENDA ITEM

A-12. Amendment to Use Agreement –
University of North Carolina School of the Arts.....Jennifer Haygood

Situation: The University of North Carolina School of the Arts (UNCSA) requests that the Board of Governors authorize amendments to a previously-approved use agreement related to the financing of the Center Stage student housing facility on the campus of UNCSA, which was financed through the University of North Carolina School of the Arts Housing Corporation (the "Company"), a university-affiliated nonprofit entity.

Background: The Company previously executed and delivered a Certificate of Participation, Series 2015 (the "2015 COP"), which was placed with Capital One Public Funding, LLC ("Capital One"), to refinance Center Stage. UNCSA currently operates Center Stage as university housing under the terms of a lease between the State and the Company and a use agreement among the Board, UNCSA and the Company. UNCSA has requested the approval of an amendment to the use agreement to memorialize the terms of a refinancing with Capital One.

Refinancing the 2015 COP will reflect UNCSA's lower payment obligations to Capital One with respect to the 2015 COP. In exchange for locking in a lower rate (from 2.99 percent to 2.00 percent), Capital One requires a waiver to the June 1, 2023 call provision.

Assessment: Due to the favorable interest rate environment, the Company has the opportunity to refinance the 2015 COP for debt service savings. UNCSA estimates that the refinancing will reduce its payment obligations under the related lease and use agreement by approximately $141,700 on a net present value basis, representing approximately 4.0 percent of the par amount refunded. Maximum cost of issuance assumed for this transaction is $30,000, and actual costs shall not exceed this amount without prior consent of the Senior Vice President for Finance and Administration.

UNCSA currently has an issuer credit rating of "A2" with a stable outlook by Moody's Investors Service. UNCSA is currently not rated by Standard & Poor's or Fitch Ratings. This transaction is expected to have no impact on UNCSA's credit rating.

Action: This item requires a vote by the committee, with a vote by the full Board of Governors through the consent agenda.

Amendment to Use Agreement – University of North Carolina School of the Arts

ISSUE OVERVIEW

University of North Carolina School of the Arts (UNCSA) requests that the Board of Governors authorize an amendment to a previously-approved use agreement related to the financing of the Center Stage student housing facility on the campus of UNCSA that were acquired through a university-affiliated nonprofit entity, University of North Carolina School of the Arts Housing Corporation (the "Company").

The Company was created for the purpose of acquiring student housing near the campus of UNCSA. To refinance the student housing facilities, the Company previously executed and delivered a Certificate of Participation, Series 2015 (the "2015 COP"), and UNCSA entered into a use agreement and a lease agreement, which were previously approved by the Board and the Council of State. The use agreement established UNCSA's payment obligations under the lease in an amount equal to the debt service on the 2015 COP.

Due to the current favorable interest rate environment, the Company has the opportunity to refinance the 2015 COP and pass on the savings to UNCSA, which UNCSA anticipates will reduce its payment obligations under the lease and use agreement by approximately $141,700 on a net present value basis, representing approximately 4.0% of the par amount refunded.

Refinancing the 2015 COP will require an amendment to the use agreement to reflect UNCSA's lower payment obligations with respect to the 2015 COP. In exchange for locking in a lower rate (from 2.99 percent to 2.00 percent), Capital One requires a waiver to the June 1, 2023 call provision.

Capital One Public Funding, LLC, the current holder of the 2015 COP, has committed to refinance the 2015 COP at lower, fixed rate of interest for all principal payments due after June 1, 2021, eliminating interest rate risk related to the refinancing and reducing costs of issuance.

UNCSA currently has an issuer credit rating of "A2" by Moody's Investors Service with a stable outlook. UNCSA is currently not rated by Standard & Poor's or Fitch Ratings. This transaction is expected to have no impact on the credit rating for UNCSA.

Parker Poe Adams & Bernstein LLP is bond counsel, and First Tryon is the financial advisor to UNCSA.

RECOMMENDATION

It is recommended that UNCSA be authorized to enter into the amendment to the use agreement as set out in the attached resolution.

A RESOLUTION AUTHORIZING AMENDMENTS TO AGREEMENTS RELATED TO THE CONSTRUCTION OF STUDENT HOUSING FACILITIES ON THE CAMPUS OF THE UNIVERSITY OF NORTH CAROLINA SCHOOL OF THE ARTS

WHEREAS, by Chapter 116 of the General Statutes of North Carolina, the Board of Governors (the *"Board"*) of the University of North Carolina (the *"UNC System"*) is vested with general control and supervision of the constituent institutions of the UNC System; and

WHEREAS, NCSA Housing Corporation, now known as University of North Carolina School of the Arts Housing Corporation (the *"Corporation")*, executed and delivered its Certificates of Participation (North Carolina School for the Arts Student Housing Project), Series 2005 (the *"2005 Certificates"*), the proceeds of which were used to acquire a student housing facility containing 156 beds and certain related facilities (the *"Project"*) connected to the campus of The University of North Carolina School of the Arts (*"UNCSA"*); and

WHEREAS, the Corporation, as lessor, and the State of North Carolina (the "*State*"), as lessee, have entered into a Lease Agreement dated as of September 16, 2005 (the *"Lease"*), whereby the Corporation leases to the State the Project and the real property on which the Project is located and whereby UNCSA, under a Use Agreement dated as of September 1, 2005 (the "*2005 Use Agreement*") between UNCSA and the Corporation, agrees to pay Base Rentals and any Additional Rentals (as those terms are defined in the Use Agreement defined below and collectively referred to herein as *"Rent"*); and

WHEREAS*,* under an Indenture of Trust dated as of September 1, 2005 (the "*2005 Indenture*") between the Corporation and Wachovia Bank, National Association, the successor to which is U. S. Bank National Association, as trustee (the "*Trustee*") and Supplemental Indenture, Number 1 dated as of June 1, 2015 (the *"First Supplement"*) between the Corporation and Trustee, the Corporation executed and delivered a Refunding Certificate of Participation (The University of North Carolina School for the Arts Student Housing Project), Series 2015 (the *"2015 Certificate"*), to provide the funds to prepay the 2005 Certificates in advance of their maturities; and

WHEREAS*,* Capital One Public Funding, LLC (*"COPF"*), the holder of the 2015 Certificate, has committed to reduce the interest rate with respect to the portion of the 2015 Certificate due on and after June 1, 2022 in exchange for eliminating UNCSA's ability to optionally prepay such amounts; and

WHEREAS*,* to achieve debt service savings and reduce the interest cost to UNCSA, UNCSA has determined that it is in its best interests to request that the Corporation enter into a Supplemental Indenture, Number 2 (the "*Second Supplement"* and together with the First Supplement and the 2005 Indenture, the *"Indenture"*) to execute and deliver a new Refunding Certificate of Participation (The University of North Carolina School of the Arts Student Housing Project) (the *"2021 Certificate"*) that will prepay the portion of the 2015 Certificate due on and after June 1, 2022, bear interest at the reduced interest rate, not be subject to optional prepayment before maturity, and be subject to other changes COPF requires in connection with the interest rate change; and

WHEREAS*,* UNCSA has determined that it is in its best interests to amend the Use Agreement in connection with the execution and delivery of the Second Supplement so as to reduce its base rentals over the term of the Lease and establish Base Rentals in an amount sufficient to pay the principal and interest with respect to the 2021 Certificate and make other conforming changes (the "*Amendment*" and

collectively with the 2005 Use Agreement, as previously amended, the "*Use Agreement*"); and

WHEREAS, the 2021 Certificate is not and will not be an obligation of the Board or UNCSA, but will be secured solely from the Base Rentals paid by UNCSA; and

WHEREAS, there has been presented to the Board forms of the Amendment and the Second Supplement (collectively, the "*Financing Documents*") which the Board proposes to approve and authorize UNCSA to execute and deliver; and

NOW, THEREFORE, THE BOARD OF GOVERNORS OF THE UNIVERSITY OF NORTH CAROLINA DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

Section 1. Authorization of the Financing Documents. That the form and content of the Financing Documents be and the same hereby are in all respects authorized, approved and confirmed, and the Chancellor and Vice Chancellor for Finance and Administration of UNCSA and the President, the President and Senior Vice President for Finance and Administration and CFO of the UNC System (individually and collectively, the "*Authorized Officers*"), be and they hereby are authorized, empowered and directed to execute, approve and deliver the Financing Documents, as applicable, including necessary counterparts, in substantially the form and content presented to the Board, but with such changes, modifications, additions or deletions therein as to them seem necessary, desirable or appropriate, their execution thereof to constitute conclusive evidence of the Board's approval of any and all such changes, modifications, additions or deletions therein.

Section 2. General Authority. From and after the execution and delivery of the Financing Documents, the Authorized Officers are each hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Financing Documents as executed, and are further authorized to take any and all further actions to execute and deliver any and all other documents as may be necessary to complete the transaction contemplated by the Financing Documents and ongoing administration thereof. Any provision in this Resolution that authorizes more than one Authorized Officer to take certain actions shall be read to permit such Authorized Officers to take the authorized actions either individually or collectively

Section 3. Conflicting Provisions. All resolutions or parts thereof of the Board in conflict with the provisions herein contained are, to the extent of such conflict, hereby superseded and repealed.

Section 4. Effective Date. This Resolution is effective on its adoption.

PASSED, ADOPTED, AND APPROVED this 22nd day of April, 2021.

STATE OF NORTH CAROLINA
COUNTY OF ORANGE

I, Meredith McCullen, Secretary of the University of North Carolina System, DO HEREBY CERTIFY that (1) the foregoing is a full, true and correct copy of the approving resolution adopted by the Board of Governors of the University of North Carolina System at its meeting on April 22, 2021, and appearing in the minutes of such meeting, (2) notice of the meeting of the Board of Governors of the University of North Carolina System held on April 22, 2021 was sent to each member of the Board, and (3) a quorum was present at the meeting on April 22, 2021, at which time the foregoing Resolution was adopted.

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

MEETING OF THE BOARD OF GOVERNORS
Committee on Budget and Finance
April 21, 2021

AGENDA ITEM

A-13. Sale of Special Obligation Bonds – Appalachian State University.....Jennifer Haygood

Situation: Appalachian State University (Appalachian) requests that the Board of Governors issue special obligation bonds in a principal amount not to exceed $17,000,000 (the "2022 Bonds") for the purpose of (1) refunding the callable maturities of Appalachian's General Revenue Refunding Bonds, Series 2012 (the "2012 Bonds") and (2) paying costs of issuance with respect to the 2022 Bonds.

Background: The Board is authorized to issue special obligation bonds for capital improvement projects that have been approved by the General Assembly. These projects have been previously approved by the Board and the General Assembly and have been approved for financing. This request is to refinance for savings those previously issued bonds.

Assessment: Due to the favorable interest rate environment, Appalachian has the opportunity to refinance the 2012 Bonds for debt service savings. Appalachian estimates that it can achieve approximately $1 milion in net present value savings by refunding the 2012 Bonds, representing over six percent of the par amount refunded.

The 2022 Bonds will be delivered for settlement on or before the May 1, 2022 call date for the 2012 Bonds, under the terms of a forward delivery bond purchase agreement, which will eliminate interest rate risk between now and the call date.

Appalachian currently has an issuer credit rating of "Aa3" with a stable outlook by Moody's Investors Service. This transaction is expected to have no impact on Appalachian's credit rating.

Action: This item requires a vote by the committee, with a vote by the full Board of Governors through the consent agenda.

Sale of Special Obligation Bonds – Appalachian State University

ISSUE OVERVIEW

The Board of Governors is authorized to issue special obligation bonds for capital improvements projects that have been approved by the General Assembly. Although a specific source of funding is used by a campus when retiring these bonds, special obligation bonds are generally payable from all campus revenues excluding tuition, State appropriations, and restricted reserves.

Appalachian State University (Appalachian) requests that the Board issue special obligation bonds in an amount not to exceed $17,000,000 (the "2022 Bonds") for the purpose of refunding the callable maturities of Appalachian's General Revenue Refunding Bonds, Series 2012 (the "2012 Bonds"). Appalachian estimates that it can achieve approximately $1 million in net present value savings by refunding the 2012 Bonds, representing over six percent of the par amount refunded.

The 2022 Bonds will be issued on a tax-exempt basis and privately placed with Raymond James & Associates, which was selected through a competitive request for proposals process. The 2022 Bonds will be delivered for settlement on or before the May 1, 2022 call date for the 2012 Bonds, under the terms of a forward delivery bond purchase agreement, which will eliminate interest rate risk between now and the call date.

Appalachian currently has an issuer credit rating of "Aa3" with a stable outlook by Moody's Investors Service.

McGuireWoods LLP is bond counsel, and First Tryon is the financial advisor.

RECOMMENDATION

It is recommended that the president of the University, or his designee, be authorized to sell the special obligation bonds through the attached resolution.

RESOLUTION OF THE BOARD OF GOVERNORS OF THE UNIVERSITY OF NORTH CAROLINA SYSTEM AUTHORIZING THE ISSUANCE OF SPECIAL OBLIGATION BONDS TO REFINANCE SPECIAL OBLIGATION BOND PROJECTS FOR APPALACHIAN STATE UNIVERSITY

WHEREAS, by Chapter 116 of the General Statutes of North Carolina, as amended, the Board of Governors (the "Board") of the University of North Carolina (the "UNC System") is vested with general control and supervision of the constituent institutions of the UNC System, including Appalachian State University ("Appalachian"); and

WHEREAS, the Board is authorized by Article 3 of Chapter 116D of the General Statutes of North Carolina, as amended (the "Act") to issue, subject to the approval of the Director of the Budget, at one time or from time to time, special obligation bonds of the Board for the purpose of paying all or any part of the cost of acquiring, constructing, or providing a special obligation project and refunding bonds for the purpose of refunding any bonds issued by the Board under the Act or under any Article of Chapter 116 of the General Statutes, including the payment of any redemption premium on the bonds refunded and any interest accrued or to accrue to the date of redemption of the bonds refunded; and

WHEREAS, the Board has determined that it may achieve debt service savings by refunding all or a portion of Appalachian's General Revenue Refunding Bonds, Series 2012 (the "Refunded Bonds"); and

WHEREAS, in order to refund the Refunded Bonds, the Board has determined to issue the Appalachian State University General Revenue Refunding Bonds, Series 2022, in an aggregate principal amount not to exceed $17,000,000 (the "2022 Bonds"), to (1) refund the callable maturities of the Refunded Bonds and (2) to pay costs of issuance of the 2022 Bonds; and

WHEREAS, if the Board can achieve debt service savings, the Board has determined to issue the 2022 Bonds to refund all or a portion of the Refunded Bonds and pay related costs of issuance under the General Trust Indenture, dated as of November 1, 2003 (the "General Indenture"), between the Board and The Bank of New York Mellon Trust Company, N.A., as successor trustee (the "Trustee"), and Series Indenture, Number 18, to be dated as of January 1, 2022 (the "Eighteenth Series Indenture" and, together with the General Indenture, the "Indentures"), between the Board and the Trustee; and

WHEREAS, through a request for proposals process, Raymond James & Associates (the "Purchaser") has been selected to purchase the 2022 Bonds, and is expected to purchase the 2022 Bonds on a forward-delivery basis pursuant to the terms of a forward delivery bond purchase agreement (the "Purchase Agreement") between the Board and the Purchaser; and

WHEREAS, the projects to be refinanced with the proceeds of the 2022 Bonds are collectively referred to herein as the "Special Obligation Bond Projects"; and

WHEREAS, the 2022 Bonds and other obligations issued under the General Indenture are payable solely from "Available Funds" as defined in the General Indenture; and

WHEREAS, there have been made available to the Board forms of the following documents (hereinafter collectively referred to as the "Board Documents"), which the Board proposes to approve, execute and deliver, as applicable, to effectuate the financing:

1. the Eighteenth Series Indenture;

2. the form of the 2022 Bonds, as set forth in the Eighteenth Series Indenture; and

3. the Purchase Agreement; and

WHEREAS, the issuance of the 2022 Bonds does not directly or indirectly or contingently obligate the State of North Carolina or any agency or political subdivision of the State to levy or to pledge any taxes to pay the cost, in whole or in part, of refinancing the Special Obligation Bond Projects in compliance with Section 116D-23 of the Act;

NOW, THEREFORE, BE IT RESOLVED by the Board of Governors of the University of North Carolina as follows:

Section 1. Sufficiency of Available Funds. The Board hereby finds that sufficient Available Funds are available to pay the principal of and interest on the 2022 Bonds.

Section 2. Authorization of Bonds. The Board hereby authorizes and approves the issuance of the 2022 Bond in the maximum amount of $17,000,000, subject to the terms and conditions of this Resolution.

Section 3. Authorization of Board Documents. The form and content of the Board Documents are hereby in all respects authorized, approved and confirmed, and the Chairman of the Board, the President of the UNC System, the Senior Vice President for Finance and Administration and CFO of the UNC System, the Secretary and the Assistant Secretary of the Board and the Secretary of the UNC System (collectively, the "Authorized Officers") are hereby authorized, empowered and directed, individually and collectively, to execute and deliver the Board Documents for and on behalf of the Board, including necessary counterparts, in substantially the form and content presented to the Board, but with such changes, modifications, additions or deletions therein as any Authorized Officer may deem necessary, desirable or appropriate, including such changes as may be necessary to reflect the terms of the 2022 Bonds (including, but not limited to, the setting of interest rates, whether fixed rates to one or more terms or to maturity, or variable rates, and the amortization of principal). The execution of the Board Documents shall constitute conclusive evidence of the Board's approval of any and all such changes, modifications, additions or deletions therein. From and after the execution and delivery of the Board Documents, the Authorized Officers are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the General Indenture and the Board Documents as executed.

Section 4. General Authority. From and after the execution and delivery of the documents hereinabove authorized, the Authorized Officers are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of such documents as executed, and are further authorized to take any and all further actions to execute and deliver any and all other documents as may be necessary for the issuance and sale of the 2022 Bonds and the refunding of the Refunded Bonds. The 2022 Bonds may be sold to the Purchaser in a private placement, and the foregoing officers are hereby authorized, empowered and directed to execute and deliver such documents, instruments and certificates as may be required to effect the sale of the 2022 Bonds to the Purchaser. The Authorized Officers are further authorized to take any and all further actions to execute and deliver any and all other documents as may be necessary to the issuance and on-going administration of the 2022 Bonds.

Section 5. Conflicting Provisions. All resolutions or parts thereof of the Board in conflict with the

provisions herein contained are, to the extent of such conflict, hereby superseded and repealed.

Section 6. Effective Date. This Resolution is effective immediately on the date of its adoption.

MEETING OF THE BOARD OF GOVERNORS
Committee on Budget and Finance
April 21, 2021

AGENDA ITEM

A-14. Sale of Special Obligation Bonds – East Carolina University ..... Jennifer Haygood

Situation: East Carolina University (ECU) requests that the Board issue special obligation bonds (the "2021 Bonds") in an aggregate principal amount not to exceed $50,450,000 for the purpose of (1) refunding the callable maturities of ECU's General Revenue Bonds, Series 2014A (the "2014A Bonds") and (2) paying costs of issuance related to the 2021 Bonds.

Background: The Board of Governors is authorized to issue special obligation bonds for capital improvement projects that have been approved by the General Assembly. These projects have been previously approved by the Board of Governors and the General Assembly and have been approved for financing. This request is for refinancing the previously issued bonds.

Assessment: Due to the favorable interest rate environment, ECU has the opportunity to refinance the 2014A Bonds for debt service savings. ECU estimates that it can achieve approximately $4.1 million in net present value savings by refunding the 2014A Bonds, representing over nine percent of the par amount refunded.

ECU currently has an issuer credit rating of "Aa3" with a stable outlook by Moody's Investors Service, and an issuer credit rating of "AA-" with a negative outlook by Standard & Poor's.

Action: This item requires a vote by the committee, with a vote by the full Board of Governors through the consent agenda.

Sale of Special Obligation Bonds – East Carolina University

ISSUE OVERVIEW

The Board of Governors is authorized to issue special obligation bonds for capital improvements projects that have been approved by the General Assembly. Although a specific source of funding is used by a campus when retiring these bonds, special obligation bonds are generally payable from all campus revenues excluding tuition, State appropriations, and restricted reserves.

East Carolina University (ECU) requests that the Board issue taxable special obligation bonds in an aggregate principal amount not to exceed $50,450,000 (the "2021 Bonds") for the purpose of refinancing up to $44,730,000 of its General Revenue Bonds, Series 2014A (the "2014A Bonds"). ECU estimates that it can achieve approximately $4.1 million in net present value savings by refunding the 2014A Bonds, representing over nine percent of the par amount refunded.

The 2021 Bonds will be sold on a negotiated basis to an underwriter selected through a competitive RFP process and in consultation with the Senior Vice President for Finance and Administration.

ECU currently has an issuer credit rating of "Aa3" with a stable outlook by Moody's Investors Service and an issuer credit rating of "AA-" with a negative outlook by Standard & Poor's.

Parker Poe Adams & Bernstein LLP is bond counsel, and First Tryon is the financial advisor.

RECOMMENDATION

It is recommended that the President of the University, or his designee, be authorized to sell the special obligation bonds through the attached resolution.

RESOLUTION OF THE BOARD OF GOVERNORS OF THE UNIVERSITY OF NORTH CAROLINA SYSTEM AUTHORIZING THE ISSUANCE OF SPECIAL OBLIGATION BONDS TO REFINANCE SPECIAL OBLIGATION BOND PROJECTS FOR EAST CAROLINA UNIVERSITY

WHEREAS, by Chapter 116 of the General Statutes of North Carolina, the Board of Governors (the *"Board"*) of the University of North Carolina System (the *"UNC System"*) is vested with general control and supervision of the constituent institutions of the UNC System;

WHEREAS, the Board is authorized by Chapter 116D of the General Statutes of North Carolina (the *"Act"*) to issue, subject to the approval of the Director of the Budget, at one time or from time to time, (1) special obligation bonds of the Board for the purpose of paying all or any part of the cost of acquiring, constructing, or providing special obligation projects and (2) refunding bonds for the purpose of refunding any bonds by the Board under the Act or under any Article of Chapter 116 of the General Statutes of North Carolina, including the payment of any redemption premium on them and any interest accrued or to accrue to the date of redemption of the bonds refunded;

WHEREAS, East Carolina University (*"ECU"*) and its financial advisor have advised the Board that it may be able to achieve debt service savings by refunding a portion of East Carolina University General Revenue Refunding Bonds, Series 2014A (the *"2014A Bonds"*), the proceeds of which were used to finance a residence hall;

WHEREAS, if debt service savings can be achieved, the Board has determined to issue East Carolina University Taxable General Revenue Refunding Bonds (with appropriate descriptions and series designations) in one or more series (the *"Bonds"*) in an aggregate principal amount not to exceed $50,450,000 to (1) refund all or a portion of the 2014A Bonds maturing on and after October 1, 2024 (the *"Refunded Bonds"*) and (2) pay the costs of issuing the Bonds;

WHEREAS, the Board has determined to issue the Bonds under the General Trust Indenture dated as of June 1, 2003 (the *"General Indenture"*) between the Board and Wachovia Bank, National Association, the successor to which is U.S. Bank National Association, as trustee (the *"Trustee"*), and a Series Indenture (the *"Series Indenture"*) between the Board and the Trustee; and

WHEREAS, the Bonds and other obligations issued under the General Indenture are payable solely from any legally available funds of ECU, or of the Board held for ECU, in each Fiscal Year, but excluding (1) appropriations by the General Assembly of the State of North Carolina from the State General Fund, (2) tuition payments by ECU students, (3) funds whose purpose has been restricted by the gift, grant or payee thereof, (4) revenues generated by Special Facilities (as defined in the General Indenture) and (5) funds restricted by law (the *"Available Funds"*).

WHEREAS, Wells Fargo Bank, National Association (the *"Underwriter"*) will agree to purchase all of the Bonds pursuant to the terms of a bond purchase agreement (the *"Purchase Agreement"*) between the Board and the Underwriter;

WHEREAS, there have been made available to the Board forms of the following documents (the *"Board Documents"*), which the Board proposes to approve, ratify, execute and deliver, as applicable, to effectuate the financing:

1. the General Indenture;

2. the Series Indenture;

3. the Purchase Agreement;

4. an Escrow Agreement between the Board and U.S. Bank National Association, as escrow agent, related to the refunding of the Refunded Bonds;

5. the Preliminary Official Statement (the *"Preliminary Official Statement"*) relating to the Bonds, which after the inclusion of certain pricing and other information will become the final Official Statement (the *"Official Statement"*) relating to the Bonds; and

6. the Bonds in the form set forth in the Series Indenture;

WHEREAS, the issuance of the Bonds does not directly or indirectly or contingently obligate the State or any agency or political subdivision of the State to levy or to pledge any taxes to pay the cost, in whole or in part, of the Bonds in compliance with Section 116D-23 of the Act;

NOW, THEREFORE, BE IT RESOLVED by the Board as follows:

Section 1. ***Authorization of Bonds.*** That the Board hereby authorizes the issuance of the Bonds in an aggregate principal amount not to exceed $50,450,000 under the General Indenture and the Series Indenture to pay the costs of refunding the Refunded Bonds and costs incurred in connection with the issuance of the Bonds. The Bonds may be issued in one or more series of bonds, as the Senior Vice President for Finance and Administration and CFO of the UNC System (the *"SVP-Finance"*), or her designee, in consultation with the appropriate officers at ECU, determine to be in ECU's best interest to achieve debt service savings on the Refunded Bonds.

Section 2. ***Sufficiency of Available Funds.*** That the Board hereby finds that sufficient Available Funds are available to pay the principal of and interest on the Bonds and to provide for the maintenance and operation of the facilities at ECU to the extent required under the General Indenture.

Section 3. ***Selection of Underwriters and other Financing Team Members.*** That the Board authorizes the SVP-Finance and the Vice Chancellor for Administration and Finance of ECU to select co-managing underwriters for the Bonds, if necessary or desirable, and any other professionals necessary to undertake the financing as contemplated in this Resolution.

Section 4. ***Authorization of Board Documents.*** That the form and content of the Board Documents be and the same hereby are in all respects authorized, approved and confirmed, and the Chairman of the Board, the President of the UNC System, the SVP-Finance, the Secretary and the Assistant Secretary of the Board and the Secretary of the UNC System, or anyone acting in an interim capacity, individually and collectively (the *"Authorized Officers"*), be and they hereby are each authorized, empowered and directed to execute and deliver the Board Documents for and on behalf of the Board, including necessary counterparts, in substantially the form and content presented to the Board, but with such changes, modifications, additions or deletions therein as to them seem necessary,

desirable or appropriate, their execution thereof to constitute conclusive evidence of the Board's approval of any and all such changes, modifications, additions or deletions therein, and that from and after the execution and delivery of the Board Documents, the Authorized Officers are each hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Board Documents as executed.

Section 5. ***Authorization of Purchase Agreement.*** That the Chairman of the Board, the President of the UNC System and the SVP-Finance, individually or collectively, be and they hereby are each authorized, empowered and directed to execute and deliver the Purchase Agreement for and on behalf of the Board, including necessary counterparts, in a form and substance consistent with the terms of this Resolution and that from and after the execution and delivery of the Purchase Agreement, the Authorized Officers are each hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Purchase Agreement as executed.

Section 6. ***Authorization of Preliminary Official Statement and Official Statement.*** That the form, terms and content of the Preliminary Official Statement be and the same hereby are in all respects authorized, approved and confirmed, and the use of the Preliminary Official Statement by the Underwriter in connection with the sale of the Bonds is hereby in all respects authorized, approved, ratified and confirmed. The President of the UNC System and the SVP-Finance, or their respective designees, individually or collectively, be and they hereby are each authorized, empowered and directed to deliver the Official Statement for and on behalf of the Board in substantially the form and content of the Preliminary Official Statement presented to the Board, but with such changes, modifications, additions or deletions therein as to them seem necessary, desirable or appropriate, their execution of the Purchase Agreement to constitute conclusive evidence of the Board's approval of any and all such changes, modifications, additions or deletions therein, and the use of the Preliminary Official Statement and the Official Statement by the Underwriter in connection with the sale of the Bonds to investors is hereby authorized, approved and confirmed.

Section 7. ***General Authority.*** From and after the execution and delivery of the documents hereinabove authorized, the Authorized Officers are each hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of said documents as executed, and are further authorized to take any and all further actions to execute and deliver any and all other documents as may be necessary to the issuance and on-going administration of the Bonds. Any provision in this Resolution that authorizes more than one Authorized Officer to take certain actions shall be read to permit such Authorized Officers to take the authorized actions either individually or collectively. The Chancellor and the Vice Chancellor for Administration and Finance at ECU, or their respective designees, individually or collectively, are hereby authorized to execute and deliver all documents as may be necessary to the issuance and on-going administration of the Bonds on behalf of ECU.

Section 8. ***Conflicting Provisions.*** All resolutions or parts thereof of the Board in conflict with the provisions herein contained are, to the extent of such conflict, hereby superseded and repealed.

Section 9. ***Effective Date.*** This Resolution is effective immediately on the date of its adoption.

PASSED, ADOPTED, AND APPROVED this 22nd day of April, 2021.

STATE OF NORTH CAROLINA
COUNTY OF ORANGE

I, Meredith McCullen, Secretary of the University of North Carolina System, DO HEREBY CERTIFY that (1) the foregoing is a full, true and correct copy of the approving resolution adopted by the Board of Governors of the University of North Carolina System at its meeting on April 22, 2021, and appearing in the minutes of such meeting, (2) notice of the meeting of the Board of Governors of the University of North Carolina System held on April 22, 2021 was sent to each member of the Board, and (3) a quorum was present at the meeting on April 22, 2021, at which time the foregoing Resolution was adopted.

April 21, 2021

AGENDA ITEM

A-15. Sale of Special Obligation Bonds –
The University of North Carolina at Greensboro ..... Jennifer Haygood

Situation: The University of North Carolina at Greensboro (UNCG) requests that the Board issue special obligation bonds (the "2021 Bonds") in an aggregate principal amount not to exceed $16,000,000 for the purpose of (1) refunding the callable maturities of (a) UNCG's General Revenue and Revenue Refunding Bonds, Series 2011 (the "2011 Bonds") and (b) UNCG's General Revenue and Revenue Refunding Bonds, Series 2012A (the "2012A Bonds"); and (2) paying costs of issuance related to the 2021 Bonds.

Background: The Board of Governors is authorized to issue special obligation bonds for capital improvement projects that have been approved by the General Assembly. These projects have been previously approved by the Board of Governors and the General Assembly and have been approved for financing. This request is for refinancing the previously issued bonds.

Assessment: Due to the favorable interest rate environment, UNCG has the opportunity to refinance the 2011 Bonds and the 2012A Bonds for debt service savings. UNCG estimates that it can achieve approximately (1) $170,000 in net present value savings by refunding the 2011 Bonds, representing approximately 8.9 percent of the par amount refunded, and (2) $1,255,000 in net present value savings by refunding the 2012A Bonds, representing approximately 9.5 percent of the par amount refunded.

UNCG currently has an issuer credit rating of "Aa3" with a stable outlook by Moody's Investors Service, and an issuer credit rating of "A+" with a stable outlook by Standard & Poor's. UNCG is currently not rated by Fitch Ratings.

Action: This item requires a vote by the committee, with a vote by the full Board of Governors through the consent agenda.

Sale of Special Obligation Bonds – The University of North Carolina at Greensboro

ISSUE OVERVIEW

The Board of Governors is authorized to issue special obligation bonds for capital improvements projects that have been approved by the General Assembly. Although a specific source of funding is used by a campus when retiring these bonds, special obligation bonds are generally payable from all campus revenues excluding tuition, State appropriations, and restricted reserves.

The University of North Carolina at Greensboro (UNCG) requests that the Board issue special obligation bonds in one or more series in an aggregate principal amount not to exceed $16,000,000 (the "2021 Bonds") for the purpose of (1) refunding the callable maturities of (a) UNCG's General Revenue and Revenue Refunding Bonds, Series 2011 (the "2011 Bonds") and (b) UNCG's General Revenue and Revenue Refunding Bonds, Series 2012A (the "2012A Bonds") and (2) paying costs of issuance related to the 2021 Bonds.

UNCG estimates that it can achieve approximately (1) $170,000 in net present value savings by refunding the 2011 Bonds, representing over 8.9 percent of the par amount refunded and (2) $1,255,000 in net present value savings by refunding the 2012A Bonds, representing approximately 9.5 percent of the par amount refunded.

The 2021 Bonds will be placed directly with JPMorgan Chase Bank, N.A. (or one of its affiliates), which was selected through a competitive request for proposals process. The 2021 Bonds issued to refund the 2011 Bonds will be issued on a tax-exempt basis. The 2021 Bonds issued to refund the 2012A Bonds will be issued on a taxable basis but will be eligible for conversion to a lower, tax-exempt rate on or after January 1, 2022, when the 2012A Bonds become currently callable.

UNCG currently has an issuer credit rating of "Aa3" with a stable outlook by Moody's Investors Service, and an issuer credit rating of "A+" with a stable outlook by Standard & Poor's. UNCG is currently not rated by Fitch Ratings.

Parker Poe Adams & Bernstein LLP is bond counsel, and First Tryon is the financial advisor.

RECOMMENDATION

It is recommended that the president of the University, or his designee, be authorized to sell the special obligation bonds through the attached resolution.

RESOLUTION OF THE BOARD OF GOVERNORS OF THE UNIVERSITY OF NORTH CAROLINA SYSTEM AUTHORIZING THE ISSUANCE OF SPECIAL OBLIGATION BONDS TO REFINANCE SPECIAL OBLIGATION BOND PROJECTS AND A SUBSEQUENT TAX-EXEMPT SPECIAL OBLIGATION BOND FOR THE UNIVERSITY OF NORTH CAROLINA AT GREENSBORO

WHEREAS, by Chapter 116 of the General Statutes of North Carolina, the Board of Governors (the *"Board"*) of the University of North Carolina System (the *"UNC System"*) is vested with general control and supervision of the constituent institutions of the UNC System;

WHEREAS, the Board is authorized by Chapter 116D of the General Statutes of North Carolina (the *"Act"*) to issue, subject to the approval of the Director of the Budget, at one time or from time to time, (1) special obligation bonds of the Board for the purpose of paying all or any part of the cost of acquiring, constructing, or providing special obligation projects and (2) refunding bonds for the purpose of refunding any bonds by the Board under the Act or under any Article of Chapter 116 of the General Statutes of North Carolina, including the payment of any redemption premium on them and any interest accrued or to accrue to the date of redemption of the bonds refunded;

WHEREAS, The University of North Carolina at Greensboro (*"UNC Greensboro"*) and its financial advisor have advised the Board that it may be able to achieve debt service savings by refunding (1) The University of North Carolina at Greensboro General Revenue and Revenue Refunding Bonds, Series 2011 (the *"2011 Bonds"*), the proceeds of which were used to finance the renovation of housing and dining facilities and to refinance special obligation bond projects and (2) The University of North Carolina at Greensboro General Revenue and Revenue Refunding Bonds, Series 2012A (the *"2012A Bonds"*), the proceeds of which were used to finance the acquisition of a residence hall and the construction of a campus police building and to refinance special obligation bond projects;

WHEREAS, if debt service savings can be achieved, the Board has determined to issue (1) The University of North Carolina at Greensboro General Revenue Refunding Bond, Series 2021A (the *"2021A Bond"*) in an aggregate principal amount not to exceed $2,000,000 to (a) refund the 2011 Bonds maturing on and after April 1, 2022 (the "*Refunded 2011 Bonds*") and (b) pay the costs of issuing the 2021A Bond, and (2) The University of North Carolina at Greensboro Taxable General Revenue Refunding Bond, Series 2021B (the *"2021B Bond"* and together with the 2021A Bond, the "*2021 Bonds*") in an aggregate principal amount not to exceed $14,000,000 to (a) refund the 2012A Bonds maturing on and after April 1, 2023 (the "*Refunded 2012A Bonds*") and (b) pay the costs of issuing the 2021B Bond and the 2022 Bond (as defined below);

WHEREAS, the Board has determined to issue the 2021 Bonds under the General Trust Indenture dated as of June 1, 2001 (the "*General Indenture*") between the Board and The Bank of New York, the successor to which is The Bank of New York Mellon Trust Company, N.A., as trustee (the *"Trustee"*) and a Series Indenture (the *"Series Indenture"*), between the Board and the Trustee; and

WHEREAS, the Board has arranged to sell the 2021A Bond to JPMorgan Chase Bank, N.A., or its affiliate DNT Asset Trust (the "*2021A Purchaser*"), and the 2021B Bond to JPMorgan Chase Bank, N.A. (the *"2021B Purchaser"* and together with the 2021A Purchaser, the "*Purchasers*"), each selected through a request for proposals process whose bid resulted in the most favorable terms for UNC

Greensboro, pursuant to the terms of the Series Indenture and a Bond Purchase Agreement (the "*Bond Purchase Agreement*") between the Board and the Purchasers;

WHEREAS, pursuant to the terms and conditions of the Series Indenture and a forward delivery bond purchase agreement (the *"Forward Bond Purchase Agreement"* and together with the Bond Purchase Agreement, the "*Purchase Agreements*") between the Board and the 2021B Purchaser, the Board also desires to authorize the sale and issuance to the 2021B Purchaser (or any subsequent owner of the 2021B Bond) of a tax-exempt revenue refunding bond in the principal amount equal to the outstanding principal amount of the 2021B Bond at the time of issuance thereof (the *"2022 Bond"* and together with the 2021 Bonds, the "*Bonds*") for the purpose of refunding and redeeming the 2021B Bond;

WHEREAS, the Bonds and other obligations issued under the General Indenture are payable solely from any legally available funds of UNC Greensboro, or of the Board held for UNC Greensboro, in each Fiscal Year, including Unrestricted Fund Balances shown as such on the UNC Greensboro financial statements, but excluding (1) appropriations by the General Assembly of the State from the State General Fund, (2) tuition payments by UNC Greensboro students, (3) funds whose purpose has been restricted by the gift, grant or payee thereof and (4) revenues generated by Special Facilities (the *"Available Funds"*);

WHEREAS, there have been made available to the Board forms of the following documents (the *"Board Documents"*), which the Board proposes to approve, ratify, execute and deliver, as applicable, to effectuate the financing:

1. the General Indenture;

2. the Series Indenture;

3. the Purchase Agreements;

4. an Escrow Agreement between the Board and The Bank of New York Mellon Trust Company, N.A., as escrow agent, related to the refunding of the Refunded 2012A Bonds; and

5. the Bonds in the forms set forth in the Series Indenture;

WHEREAS, the issuance of the Bonds does not directly or indirectly or contingently obligate the State or any agency or political subdivision of the State to levy or to pledge any taxes to pay the cost, in whole or in part, of the Bonds in compliance with Section 116D-23 of the Act;

NOW, THEREFORE, BE IT RESOLVED by the Board as follows:

Section 1. ***Authorization of Bonds.*** That the Board hereby authorizes the issuance of the 2021A Bond in an aggregate principal amount not to exceed $2,000,000 and the 2021B Bond in an aggregate principal amount not to exceed $14,000,000, each under the General Indenture and the Series Indenture to pay the costs of refunding the Refunded Bonds and costs incurred in connection with the issuance of the 2021 Bonds and the 2022 Bond. The Board also authorizes the issuance of the 2022 Bond in the principal amount equal to the outstanding principal amount of the 2021B Bond at the time of issuance of the 2022 Bond under the General Indenture and the Series Indenture to refund the 2021B

Bond. The Bonds may be issued in one or more series of bonds, as the Senior Vice President for Finance and Administration and CFO of the UNC System (the *"SVP-Finance"*), or her designee, in consultation with the appropriate officers at UNC Greensboro, determine to be in UNC Greensboro's best interest to achieve debt service savings on the Refunded Bonds, with respect to the 2021 Bonds, and to achieve debt service savings on the 2021B Bond, with respect to the 2022 Bond.

Section 2. ***Sufficiency of Available Funds.*** That the Board hereby finds that sufficient Available Funds are available to pay the principal of and interest on the Bonds and to provide for the maintenance and operation of the facilities at UNC Greensboro to the extent required under the General Indenture.

Section 3. ***Selection of Financing Team Members.*** That the Board authorizes the SVP-Finance and the Vice Chancellor for Business Affairs of UNC Greensboro to select any other professionals necessary to undertake the financing as contemplated in this Resolution.

Section 4. ***Authorization of Board Documents.*** That the form and content of the Board Documents be and the same hereby are in all respects authorized, approved and confirmed, and the Chairman of the Board, the President of the UNC System, the SVP-Finance, the Secretary and the Assistant Secretary of the Board and the Secretary of the UNC System, or anyone acting in an interim capacity, individually and collectively (the *"Authorized Officers"*), be and they hereby are each authorized, empowered and directed to execute and deliver the Board Documents for and on behalf of the Board, including necessary counterparts, in substantially the form and content presented to the Board, but with such changes, modifications, additions or deletions therein as to them seem necessary, desirable or appropriate, their execution thereof to constitute conclusive evidence of the Board's approval of any and all such changes, modifications, additions or deletions therein, and that from and after the execution and delivery of the Board Documents, the Authorized Officers are each hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Board Documents as executed.

Section 5. ***General Authority.*** From and after the execution and delivery of the documents hereinabove authorized, the Authorized Officers are each hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of said documents as executed, and are further authorized to take any and all further actions to execute and deliver any and all other documents as may be necessary to the issuance and on-going administration of the Bonds. Any provision in this Resolution that authorizes more than one Authorized Officer to take certain actions shall be read to permit such Authorized Officers to take the authorized actions either individually or collectively. The Chancellor and the Vice Chancellor for Business Affairs at UNC Greensboro, or their respective designees, individually or collectively, are hereby authorized to execute and deliver all documents as may be necessary to the issuance and on-going administration of the Bonds on behalf of UNC Greensboro.

Section 6. ***Conflicting Provisions.*** All resolutions or parts thereof of the Board in conflict with the provisions herein contained are, to the extent of such conflict, hereby superseded and repealed.

Section 7. ***Effective Date.*** This Resolution is effective immediately on the date of its adoption.

PASSED, ADOPTED, AND APPROVED this 22nd day of April, 2021.

STATE OF NORTH CAROLINA
COUNTY OF ORANGE

I, Meredith McCullen, Secretary of the University of North Carolina System, DO HEREBY CERTIFY that (1) the foregoing is a full, true and correct copy of the approving resolution adopted by the Board of Governors of the University of North Carolina System at its meeting on April 22, 2021, and appearing in the minutes of such meeting, (2) notice of the meeting of the Board of Governors of the University of North Carolina System held on April 22, 2021 was sent to each member of the Board, and (3) a quorum was present at the meeting on April 22, 2021, at which time the foregoing Resolution was adopted.

WITNESS, my hand and the seal of the University of North Carolina System this ____ day of April, 2021

[SEAL]

Meredith McCullen, Secretary of the University of North Carolina System

THE UNIVERSITY OF NORTH CAROLINA SYSTEM

MEETING OF THE BOARD OF GOVERNORS
Committee on Budget and Finance
April 21, 2021

AGENDA ITEM

A-16. 2021-22 Non-Appropriated Capital Improvement Project –
The University of North Carolina at Greensboro ..... Jennifer Haygood

Situation: Non-appropriated capital projects are financed by the university and require legislative approval for the issuance of debt. For the 2021-22 legislative session, The University of North Carolina at Greensboro is requesting approval for The Arts Place at Tate and Gate project, estimated at a total project cost of $10,330,306. UNC Greensboro is submitting this request outside the normal request cycle due to an unanticipated opportunity to finance the project with bond savings realized from refunding existing debt.

With Board approval, the project will be forwarded to the General Assembly for authorization during the 2021-22 legislative session.

Background: On an annual basis, the Board considers university proposals for projects funded from non-appropriated sources requiring the issuance of long-term debt. The project will be funded from refunded proceeds of a forward delivery bond purchase associated with the 2014 bonds and private fund raising, contingent on the Board's approval of the project and separate approval of the sale of the special obligation bond.

Assessment: The project complies with G.S. 143C (State Budget Act).

Action: This item requires a vote by the committee and a vote by the full Board of Governors.

2021-22 Non-Appropriated Capital Improvement Project

ISSUE OVERVIEW

Non-appropriated capital projects are financed by the university and include the construction, repair, or renovation of facilities such as residence halls, dining facilities, research buildings, athletic facilities, and student health buildings. Legislative approval is required for the issuance of debt; these "self-liquidating" capital projects are approved by the legislature after the passage of the Appropriations Act. This project, if approved by the Board, will be forwarded to the General Assembly for authorization during the 2021-22 legislative session. Legislative approval is not required for non-appropriated capital projects that do not require debt issuance.

Project	Total ($)	Cash/GO Bond/ Other ($)	Debt ($)	Source of Funds
The University of North Carolina at Greensboro				
The Arts Place at Tate and Gate	$10,330,306	$830,306	$9,500,000	Bond Savings/Private Funds
UNCG Subtotal	*$10,330,306*	*$830,306*	*$9,500000*	

ADDITIONAL DETAIL

The University of North Carolina at Greensboro

Project: The Arts Place at Tate and Gate

Total Cost: $10,334,000

Description: This project is for a new 20,000 GSF multi-purpose cultural arts venue located at 842 West Gate City Boulevard. The goal of this project is to foster an active partnership between UNC Greensboro with the surrounding local and regional arts community. The project will include demolition of the existing building, a flexible performance space, gallery, instructional and practice rooms, office and administrative space, a retail component, as well as underground parking to support the needs of the venue. This location also provides an important and prominent gateway entrance to the campus.

Funding: The funding source for this improvement project is bond savings realized from the refinancing of existing debt through a forward delivery bond purchase agreement and private philanthropy. Contingent on the Board's approval, the savings realized will be reallocated to the proposed project. The project will not involve any State funds or student fee revenues.

RECOMMENDATION

It is recommended that the non-appropriated capital project be approved, contingent on the approval of reallocating the existing debt service fee, and submitted for legislative approval of debt issuance.

STATE OF NORTH CAROLINA - DEPARTMENT OF ADMINISTRATION
STATE CONSTRUCTION OFFICE
PROPOSED REPAIR & RENOVATION OR CAPITAL IMPROVEMENT PROJECT
BIENNIUM 2021-2023

Form OC-25
(Rev 8/2020)

DEPARTMENT and DIVISION: UNC Greensboro DATE: 04/20/21
PROJECT IDENTIFICATION: Arts Place at Tate & Gate
PROJECT CITY or LOCATION: Greensboro, NC
PROJECT DESCRIPTION & JUSTIFICATION: (Attach add'l data as necessary to indicate need, size, function of improvements as well as a master plan.)

The scope of this project is for a new 20,000 GSF multi-purpose cultural arts venue located at 842 West Gate City Boulevard. The goal of this project is to foster an active partnership between UNC Greensboro with the surrounding local and regional arts community. The project will include demolition of the existing building, a flexible performance space, gallery, instructional and practice rooms, office and administrative space, a retail component, as well as underground parking to support the needs of the venue. This location also provides an important and prominent gateway entrance to campus.

(Definitions/explanations are provided on pg 2 to assist in completion of this form. Lump sums are not to be used as a unit of cost unless further substantiating breakdown is provided.)

CURRENT ESTIMATED CONSTRUCTION COST	QTY	UNIT	COST PER UNIT	TOTAL
A. Land Requirement				$0
B. Site Preparation
