Ann Lemmon
Secretary of the University
The University of North Carolina
General Administration
Post Office Box 2688
Chapel Hill, North Carolina 27515-2688

Dear Ms. Lemmon:

It is our pleasure to submit the name of Mary Suzanne Kraemer, MD, FACP, to the UNC System Board of Governors for consideration as a member of the Vidant Medical Center Board of Trustees. This appointment will fill Seat Number Two currently held by David Womack whose term expires on February 29, 2016.

Dr. Kraemer began her career with the Brody School of Medicine at East Carolina University in 1997 as an assistant clinical professor and currently serves as a clinical professor in the department of internal medicine. She also serves as the program director of the internal medicine residency program of The Brody School of Medicine and Vidant Medical Center, a position she has held since 2004. In 2015, she was named chief of staff for Vidant Medical Center, a one-year appointment where she represented the medical staff working directly with Vidant Medical Center and Vidant Health in all matters of mutual concern.

Dr. Kraemer's substantial experience in health care delivery along with the training, recruitment and retention of health professionals to serve rural and other underserved populations is an area of expertise that would serve the Vidant Medical Center board well as we work to provide more consistent team approaches to the care of patients and populations. We are pleased that Dr. Kraemer has expressed her interest and enthusiasm to serve on the Vidant Medical Center Board of Trustees.

Thank you for considering our request.

Sincerely,

JoAnne K. Burgdorff
Chairman
Vidant Medical Center Board of Trustees
