

**AGENDA ITEM**

B-1. Review of UNC System Financial Information..... Jonathan Pruitt

**Situation:** A presentation will be made detailing budget and finance information currently available for the University of North Carolina.

**Background:** Quality financial and budgetary information is critical to meeting the goals of the newly adopted strategic plan and continues to be an area of focus. The presentation will include an inventory of financial information currently available, an overview of the University’s financial performance for the fiscal year ended 2016, and a discussion of future financial data needs.

**Assessment:** A summary of financial information for the University of North Carolina is presented for information.

**Action:** This item is for information only.
