

A-2. Authorization of Tuition for 2021-22

The following RESOLUTION for the 2021-22 academic year reflects the tuition increases proposed by the institutions. The Board of Governors recommended no increases for resident students due to the COVID-19 pandemic. Several institutions are requesting increases to nonresident rates.

The 2016 General Assembly enacted a guaranteed tuition program that fixes tuition rates for first-time full-time resident undergraduates and transfer students that remain continuously enrolled for eight consecutive semesters or the equivalent number of remaining semesters for transfer students. Resident undergraduate tuition rates for 2021-22 will only apply to the cohort of students that enroll in the fall of 2021. The chancellors and their boards of trustees requested tuition rate increases for students consistent with legislative and UNC System Office guidelines.

RESOLUTION AUTHORIZING TUITION

WHEREAS, G.S. 116-143 requires that the Board of Governors of the University of North Carolina System shall fix the tuition and fees, not inconsistent with the actions of the General Assembly, at the UNC System constituent institutions.

NOW, THEREFORE, BE IT RESOLVED, that, effective with the Fall Term of 2021, the constituent institutions are authorized to charge and collect the following tuition rates.

I. 2021-22 Tuition Rates

In accordance with legislative and UNC System Office guidelines, institutions submitted tuition and fee proposals for 2021-22. The tuition amounts for all programs are shown on pages 3 through 9.

A. *Increases in Tuition for Professional Schools*

Three universities are proposing graduate professional school tuition increases for 2021-22. The rates require Board of Governors approval.

North Carolina A & T State University

Master of Accountancy – \$2,000 for nonresidents

N.C. A&T requests a tuition increase of \$2,000 for nonresidents for the Master of Accountancy program. The revenue generated would support marketing/recruitment initiatives and graduate assistantships.

Joint Master of Social Work (with UNCG) – reduction of \$374.13 for nonresidents

Joint Ph.D. of Social Work (with UNCG) – reduction of \$374.13 for nonresidents

N.C. A&T requests a tuition decrease of \$374.13 for nonresidents in the Joint Master and Joint Ph.D. in Social Work programs in order to match the rate at UNCG and maintain a competitive position in recruitment. Students will have access to activities and services regardless of university home base. A reduction in operating expenses will be necessary to absorb the decreased revenue.

UNC-Chapel Hill

School of Law: Juris Doctor (J.D.) – \$2,500 for nonresidents (new students only)

UNC-Chapel Hill requests an increase of \$2,500 for graduate nonresident students in the J.D. program. This increase is in addition to the \$566 proposed for all graduate nonresidents. The revenue generated would fund faculty recruitment and retention, student support services, and scholarships.

UNC Greensboro

MS-Sustainability and Environment – new established rates – \$7,019, residents/\$20,737, nonresidents

UNC Greensboro is requesting to establish tuition rates as shown above for the new Master of Science in Sustainability and Environment program approved by the Board of Governors in the spring of 2020. The tuition revenue generated would support program administration costs, professional development, advertising, and graduate assistant stipends.

B. 2021-22 Increases in Regular Tuition Rates

Proposed increases for professional schools may also include the requested campus-based increase for resident and nonresident graduate students.

II. 2021-22 Special Tuition Rates

Nonresident Graduate Students

Consistent with the General Statutes and by authorization of the Board of Governors through a resolution passed by the Board in 1983, the institutions are authorized to charge special tuition rates for nonresident graduate students.

For nonresident graduate students who are awarded a graduate teaching or research assistantship and who are paid a stipend of at least \$2,000 per academic year, the institution may award tuition remission to reduce the nonresident tuition rate to the in-state rate. For example, the nonresident graduate student tuition rate is proposed to increase from \$26,421 to \$27,082 at North Carolina State University for 2021-22. NC State's graduate nonresident students who are eligible to receive tuition remission will be charged the resident tuition rate, which will remain at \$9,095 for the 2021-22 academic year.

Each university receives a state appropriation for graduate tuition remissions and some universities supplement this appropriation from other non-state sources. Institutions may not provide graduate tuition remissions to all students. The number of awards is limited to those that meet the criteria and the budget availability.

Note: The 2011 General Assembly eliminated state appropriations for nonresident undergraduate tuition waivers that had been in place since 1983 [Sec. 9.13(b) of S.L. 2011-145].

III. Tuition for Students Enrolled in Degree-Credit Courses

It is proposed that, effective with the fall term of 2021, resident students and nonresident students taking courses within North Carolina be charged the regular-term tuition rates established by the Board and that tuition rates for these students be implemented on a per-credit-hour basis to be calculated as follows:

- Undergraduate students shall be charged tuition per credit hour, at a rate equal to the annual undergraduate tuition rate at their institution divided by 24. The per-credit rate shall be capped at 12 credits per semester for fall and spring semesters, meaning undergraduate students shall not be charged for additional credits beyond 12 in a fall or spring semester.
- Graduate students shall be charged tuition per credit hour, at a rate equal to the annual graduate tuition rate divided by 18. The per-credit rate shall be capped at nine credits for fall and spring semesters, meaning graduate students shall not be charged for additional credits beyond nine per semester in a fall or spring semester.

It is further proposed that the Board continue to delegate to the president the authority to set tuition rates for nonresident students taking courses outside North Carolina and to approve tuition rates for self-supported summer enrollment.
