**WHEREAS**, current Department of Defense Regulations contain a provision making it mandatory that the chair of the Board and principal officers meet the personnel clearance requirements established for a contractor's facility clearance; and

**WHEREAS**, said Department of Defense Regulations permit the exclusion from the personnel clearance requirements of certain members of the Board of Governors and other officers, provided that this action is recorded in the corporate minutes.

**BE IT RESOLVED** that in the future, when any individual enters upon any duties as chair of the Board, the president of the University of North Carolina, Insider Threat Program Senior Official, or as the University's Facility Security Officer, such individual shall immediately make application for the required security clearance; and

**BE IT FURTHER RESOLVED** that the following members of the Board of Governors and other officers shall not require, shall not have, and can be effectively excluded from access to **CLASSIFIED** information in the possession of the corporation and do not occupy positions that would enable them to affect adversely corporate policies or practices in the performance of classified contracts for the Department of Defense or the User Agencies of its Industrial Security Program.
