

North Carolina School of Science and Mathematics Mission Statement

(Proposed)

The mission of the North Carolina School of Science and Mathematics, an innovative and collaborative leader in secondary STEM education, is to advance our state, nation, and world by creating opportunities for broad access to exemplary public education that fosters, challenges, inspires, and empowers students and communities to design their future.

North Carolina School of Science and Mathematics Mission Statement

(Current)

The mission of the North Carolina School of Science and Mathematics, an intellectually stimulating, diverse, inclusive, and collaborative community, is to:

- educate and nurture academically talented students to become state, national, and global leaders,
- increase access to high quality public education in North Carolina, and
- cultivate engaged citizens who will work for the betterment of the world,
- through challenging programs, with an emphasis on STEM, driven by the pursuit of excellence and innovation.
