Regulations of the Board of Governors concerning tuition waiver under G.S. Chapter 115B authorize the president to issue "such additional guidance and policies, not inconsistent with [the Board’s] regulations, as the President may deem appropriate to assist the institutions to implement G.S. Chapter 115B." Accordingly, in response to inquiry by several of the constituent institutions, I am establishing the following policies. Section references in the policies are to the divisions of the Board’s policy, as adopted on November 14, 1997, and distributed by Administrative Memorandum Number 377 (dated November 17, 1997), a copy of which is attached to this Administrative Memorandum.

1. Definition. As used in these policies the term "educational program" means either:

   a. Those courses taken within the University of North Carolina in fulfillment of requirements for a degree, certificate, or certification;

   or

   b. Any course or aggregation of courses within the University of North Carolina not taken with respect to pursuit of a degree, certificate, or certification.

2. Surviving spouse. Tuition waiver pursuant to Section 2c, for a "survivor who is the unremarried widow or widower of a deceased emergency worker":

   a. Shall not be granted with respect to any academic term commencing after remarriage of the widow or widower.

   b. Shall not be denied by reason of the elapse of time while the widow or widower is in either enrolled or non-enrolled status.

3. Spouse of disabled emergency worker. Tuition waiver pursuant to Section 2d, for the "spouse of an emergency worker who became permanently and totally disabled on or after October 1, 1997, as a direct result of a traumatic injury sustained in the line of duty as an emergency worker," shall not be denied by reason of the elapse of time while the spouse of the disabled emergency worker is in either enrolled or non-enrolled status.
4. **Child of disabled emergency worker.** Tuition waiver pursuant to Section 2e, for "a child, at least 17 but not yet 23, whose parent became permanently and totally disabled on or after October 1, 1997, as a direct result of a traumatic injury sustained in the line of duty as an emergency worker":

a. Shall not be extended beyond 48 consecutive calendar months incident to an educational program in pursuit of a baccalaureate degree.

b. Shall not be extended beyond the time period necessary to complete the relevant educational program through consecutive regular-term academic semesters, carrying a "normal" (full) academic load, if incident to an educational program in pursuit of a certificate, certification, or a degree other than the baccalaureate degree.

c. Shall be available for course enrollments after the student reaches age 23 only if the enrollments are part of an educational program in pursuit of a degree, certificate, or certification, that was begun before the student reached age 23 and all other pertinent requirements of G.S. Chapter 115B are met.

5. **Multiple educational programs.** Tuition waiver under any provision of G.S. Chapter 115B:

a. May be extended to a student for more than one educational program if the student qualifies for the tuition waiver with respect to each enrollment incident to each educational program.

b. Shall not be afforded to a student with respect to more than one educational program at any one time.

c. Shall not be afforded to a student with respect to simultaneous enrollment at two or more constituent institutions unless each simultaneous enrollment is incident to one educational program.

6. **Reapplication.** Following enrollment with tuition waiver under any provision of G.S. Chapter 115B, a student shall reapply for tuition waiver:

a. Incident to enrollment for any succeeding academic year under the same educational program.

b. After any break in enrollment for successive regular-term academic semesters.

c. Incident to initial enrollment in any subsequent educational program, irrespective of when in the academic year that program will commence.

These policies should be given immediate application at the constituent institutions. Questions concerning these policies may be directed to Mr. David Edwards, special assistant to the president.

Attachment: Administrative Memorandum Number 377
The 1997 General Assembly amended G.S. Chapter 115B, continuing tuition waiver on a space-available basis for North Carolina residents at least age 65 and extending the waiver, with several limitations, to the spouse and children of deceased or totally and permanently disabled emergency workers of this state. Under the mandate of G.S. 115B-3 the Board of Governors, on November 14, 1997, promulgated revised regulations to implement G.S. Chapter 115B as amended. The new regulations and the amended statute are attached to this Administrative Memorandum.

This Administrative Memorandum supersedes Administrative Memorandum Number 90 (dated October 17, 1977) and its rewrite at Section X-B-1-3 of The Administrative Manual of The University of North Carolina. Please implement this Administrative Memorandum at your institution. Questions in this matter may be addressed to Mr. David Edwards, Special Assistant to the President.

WHEREAS the opportunity for tuition-free enrollment within The University of North Carolina by persons 65 years of age or older has existed since 1975 under G.S. Chapter 115B and corresponding regulations of The University of North Carolina; and

WHEREAS the 1997 General Assembly, through enactment of Session Law 1997-505, expanded the privilege of tuition-free enrollment to include certain family of deceased or totally disabled emergency workers of this state; and

WHEREAS G.S. Chapter 115B, as amended in 1997, continues to direct that the Board of Governors of The University of North Carolina (hereinafter "the Board") promulgate rules and regulations necessary for the implementation of the statute with respect to the constituent institutions of The University of North Carolina,

NOW, THEREFORE, the Board hereby adopts the following regulations to implement the tuition waiver privilege of G.S. Chapter 115B:

1. Definitions. These regulations shall be administered under the following definitions:

   a. "Emergency worker" means a firefighter, volunteer firefighter, law enforcement officer, or rescue squad worker.

   b. "Employer" means the State of North Carolina or any of its departments, agencies, and institutions; or a county, city, town, or other political subdivision of the State.

   c. "Firefighter" or "volunteer firefighter" means a fireman eligible under G.S. 58-86-25 for membership in the North Carolina Firemen's and Rescue Squad Workers' Pension Fund.

   d. "Law enforcement officer" means:

      (1) An employee or volunteer of an employer who (a) possesses the power of arrest, (b) has taken the law enforcement oath administered under authority of the State as prescribed by G.S. 11-11, and (c) is certified as a law enforcement officer under the provisions of G.S. Chapter 17C or is certified as a deputy sheriff under the provisions of G.S. Chapter 17E; or

      (2) The sheriff of a county of this State.

   e. "Legal resident" or "resident" means a domiciliary of North Carolina without reference to duration of domicile. The determination of legal residence shall
be made in accordance with A Manual to Assist the Public Higher Education Institutions of North Carolina in the Matter of Student Residence Classification for Tuition Purposes, as amended. Determinations with respect to legal residence may be appealed as provided by the residence Manual and the “Policies and Procedures of the State Residence Committee.”

f. “Permanently and totally disabled as a direct result of a traumatic injury sustained in the line of duty” means a person who:

(1) As a law enforcement officer, firefighter, volunteer firefighter, or rescue squad worker suffered a disabling injury while in active service or training for active service;

(2) At the time of active service or training was a North Carolina legal resident; and

(3) Has been determined to be permanently and totally disabled for compensation purposes by the North Carolina Industrial Commission.

g. “Rescue squad worker” means any member of a rescue squad or an emergency medical services squad eligible under G.S. 58-86-30 for membership in the North Carolina Firemen's and Rescue Squad Workers' Pension Fund.

(3) Was a North Carolina legal resident at the time of active service or training for active service.

“Survivor” does not mean the remarried widow or widower of a law enforcement officer, firefighter, volunteer firefighter, or rescue squad worker.

i. "Tuition" means the amount charged for registering for a credit hour of instruction and shall not mean any other fees or charges or costs of textbooks.

The spouse of an emergency worker who became permanently and totally disabled on or after October 1, 1997, as a direct result of a traumatic injury sustained in the line of duty as an emergency worker. Neither the legal residence nor the age of the emergency worker's spouse is material in determining the spouse's eligibility for tuition waiver.

e. A child, at least age 17 but not yet 23, whose parent became permanently and totally disabled on or after October 1, 1997, as a direct result of a traumatic injury sustained in the line of duty as an emergency worker; provided, that the child may apply the waiver to courses for an enrollment period not to exceed 48 months with respect to a baccalaureate degree or, otherwise, for a time period not to exceed the number of months required to complete the educational program for which the child is applying. 4. **Student status.** This tuition waiver privilege may apply to courses taken under any student status recognized under institutional policy (e.g., degree candidate, special student, auditor); provided, that tuition waiver shall be available only for courses for which a tuition charge is set and normally levied.

5. **Other scholarship awards.** If a person who receives tuition waiver under G.S. Chapter 115B as the survivor, spouse, or child of an emergency worker also receives a cash scholarship, from whatever source, paid or payable to the enrolling institution, the amount of the scholarship shall be applied to the credit of the person in payment of expenses incident to the person's attendance at the institution, and, if the terms of the scholarship permit, any balance shall be returned to the student.

6. **FTE accounting.** Persons attending classes under the tuition-waiver privilege of these regulations shall be counted in the computation of institutional enrollment for funding purposes.

7. **Implementation: proof of eligibility.** The Chancellor of each constituent institution, or the Chancellor's delegate, shall have authority to make those determinations required under these regulations for application of the tuition-waiver privilege; and the Chancellor, or the Chancellor's delegate, may require such proof as he or she deems necessary to insure that a person applying to the respective institution for tuition waiver is eligible for the benefits provided under these regulations for the pertinent course(s).

With respect to applications for tuition waiver from spouses and children of disabled emergency workers and from survivors of emergency workers, each institution shall include in its required proof of eligibility, the following:
a. To demonstrate a parent-child relationship, submission of a birth certificate, legal adoption papers, or other documentary evidence deemed appropriate by the institution.

b. To demonstrate a marital relationship, submission of a marriage certificate or other documentary evidence deemed appropriate by the institution.

d. To evidence permanent and total disability of an emergency worker, submission of documentation from the North Carolina Industrial Commission deemed necessary by the institution.

8. **Timely application.** Application for the tuition benefit shall be permitted with respect only to academic terms commencing on or after the date on which the applicant delivers in proper order, an application for the benefit, including all supporting forms, documents, and materials.

9. **Crime of misrepresentation.** Before a person is accorded tuition waiver pursuant to these regulations, that person shall be informed by the constituent institution to which he or she has applied, of the criminal penalties authorized by G.S. 115B-6 with respect to conviction for (a) willfully misrepresenting eligibility for tuition benefits provided under these regulations or (b) knowingly aiding or abetting an applicant to misrepresent his or her eligibility; namely, that guilt of such acts constitutes a misdemeanor for which the offender, upon conviction thereof, shall be fined not more than fifty dollars ($50.00) or imprisoned for not more than 30 days, or both.

10. **Supplemental guidance.** The President is authorized to issue such additional guidance and policies, not inconsistent with these regulations, as the President may deem appropriate to assist the institutions to implement G.S. Chapter 115B.

11. **Supersession of prior regulations.** These regulations supersede those adopted by the Board of Governors on October 14, 1977, with respect to G.S. Chapter 115B.

12. **Effective date.** These regulations shall be effective retroactively to October 1, 1997.
