

ADMINISTRATIVE MEMORANDUM

SUBJECT 1971-73 Enrollment Estimates

NUMBER #3

DATE October 6, 1969

May I remind you that we will soon be receiving the request of the State Budget Officer for enrollment estimates for the 1971-73 biennium. I assume that substantially the same information will be required as has been the case in past years, (BUDGET MEMORANDUM NO. 56, October 19, 1967), should you wish to begin preparation of the estimates prior to receipt of the new MEMORANDUM.

I would like to have the campus estimates, in the form prescribed by the State Budget Officer, in to Vice President King at least two weeks prior to the deadline to be established by the Budget Memorandum.

The submission to the State Budget Officer for all campuses will be made by my office.

William Friday, President
