REGULATIONS ON HEALTH INSURANCE CONTINUATION WHEN A REDUCTION IN FUNDING ELIMINATES AN EPA POSITION

I. Principle

Pursuant to State law [N.C.G.S. 135-40.2(a)(6)], when a University campus or affiliated entity eliminates a job due to a reduction in funds, unless otherwise exempt from this Regulation, the employee in that job may be entitled to up to twelve (12) months of continued coverage by the State Health Plan if he or she meets the eligibility criteria below for this coverage to remain in effect. The University campus or entity shall continue paying premiums for this coverage in accordance with the eligibility criteria listed below. Elimination of an employee’s job neither requires nor permits an employer to pay State Health Plan premiums for dependents of the employee; however, the former employee may continue dependents’ coverage under the same terms as current employees. At the expiration of this coverage, former employees may pay the premiums for their continued coverage and that of their dependents. There is no time limit as to how long this coverage may be purchased. [See N.C.G.S. 135-40.2(b)(12).]

This Regulation explains who is eligible for continued coverage and provides information about how campuses may ensure that coverage is properly provided to former employees who meet the eligibility criteria.

II. Eligibility for Continued Coverage

The following conditions must all be met for the employee to be eligible for continued coverage.

A. The employee’s job must be eliminated. This Regulation does not apply to an employee’s separation from a job that does not result in the position being eliminated or abolished.

B. The job elimination must be due to a reduction, in total or in part, of the funds used to support the job or its responsibilities. This includes a reallocation of funds and elimination of the position. The source of funds for the position does not affect eligibility for this benefit, except if the appointment is contingent upon the availability of funds. (See Ineligibility for Continued Coverage below.)

C. Employment for at least twelve (12) months in a permanent full-time or permanent part-time (three/fourths time or more) position by a University campus, an affiliated entity, and/or another state entity (can be more than one), prior to the elimination of the job, is required.
D. The employee must be participating in the State Health Plan at the time of separation from employment due to elimination of the job.

III. Ineligibility for Continued Coverage

If any of the following conditions apply, the employee will not be eligible for continued coverage.

A. An employee working pursuant to a fixed term contract that ends at the same time as the termination is not eligible for this coverage.

B. An employee who was (a) paid in total or in part from non-state funding sources, and, (b) at the time of the job elimination was working under an appointment letter or a contract, either of which states that the job is contingent on the continuing availability of funds is not eligible for this coverage.

C. An employee who retires (withdrawal from active service with a retirement allowance from the Teachers’ and State Employees’ Retirement System of North Carolina or the UNC Optional Retirement Program) is not eligible for this coverage. In this case, health insurance is provided through the retiree health insurance program.

IV. Procedure

Prior to communicating with the employee, a departmental representative must contact the office responsible for either EPA or SPA personnel, as appropriate, so that the personnel/human resources office may review the circumstances to determine if the proposed job elimination is due to a reduction in funds. If the personnel/human resources office determines that this Regulation applies, that office will work with the department to ensure that the employer-provided contributions to the employee’s State Health Plan coverage are appropriately continued for up to twelve (12) months. Additionally, the employing department must communicate in writing to the employee that he or she is being separated due to the unavailability of funds to support the position.
