To complement the provisions of Chapter Five and further to clarify these duties, responsibilities, and relationships, the following regulations are adopted by the Board of Governors:

I. Definition of “Senior Academic and Administrative Officers”

A. Senior officers of the University of North Carolina who are subject to the provisions of Section II of this policy are: the President [N.C.G.S. 116-14(a)]; the vice presidents, associate vice presidents, assistant vice presidents, and other members of the President’s professional staff designated by the Board of Governors on recommendation of the President [N.C.G.S. 116-14(b)]; the chancellors of the constituent institutions [N.C.G.S. 116-11(4)]; the vice chancellors, provosts, and deans of the constituent institutions, and the directors of major administrative, educational, research and public services activities of the constituent institutions designated by the Board of Governors [N.C.G.S. 116-11(5)].

B. Other senior officers of the University of North Carolina who are subject to the provisions of Section III of this policy are: (1) members of the President’s professional staff other than those identified in subparagraph A above [N.C.G.S. 116-14(b)]; and (2) associate and assistant vice chancellors; associate and assistant deans; and other administrative positions within the constituent institutions, other than those identified in subparagraph A above, that have been designated by the President. [N.C.G.S. 116-11(5)].

1 Other officers include (a) members of the chancellor’s professional staff; (b) those responsible for the administrative direction of separately designated divisions or departments of institutional activity commonly associated with institutions of higher education; (c) those positions whose primary responsibility is to attract external funds for and/or market the University; and, (d) other officers holding positions characterized by active, continuing...
II. Senior Academic and Administrative Officers of the University of North Carolina as Defined in Section I.A. above, Shall Be Subject to the Following Regulations.

A. Appointments and Discontinuation of Appointments

1. All senior officers as defined in Section I.A. above, are employed in their administrative positions pursuant to this policy. Except with regard to the appointment of the President and the Chancellors, no contract or other writing (except for The Code) may vary these terms, nor may any oral agreement modify these provisions. The appointments of these senior officers are subject to the approval of the Board of Governors or a Board of Trustees delegated such authority by the Board of Governors. Such officers do not have tenure in their administrative positions. Except for the President and the Chancellors, they serve at the discretion of their employer and are not appointed to serve for specified periods of time. “Employer” in this context means, respectively, the official or entity designated in paragraphs (a) through (d) below. The continuance of these administrators in office therefore is at all times subject to determination by the appropriate authority, as follows:

(a) The President’s continuance in office is determined by the Board of Governors.

(b) The continuance in office of members of the President’s professional staff is determined by the President.

(c) The continuance in office of the chancellor of a constituent institution is determined by the Board of Governors, which may act to terminate such an appointment upon its own initiative or upon recommendation of the President. The Board of Governors in all instances shall consult the appropriate chair of the Board of Trustees prior to terminating the appointment of a chancellor. The President may place a chancellor on temporary leave, with or without pay, if the President has reason to believe that illness, injury, misconduct, neglect of duty, or other circumstances may interfere with the chancellor’s performance of the duties of the position. Before placing a chancellor on temporary leave, the President shall consult with the Chairman of the Board of Governors, the chair of the Committee on Personnel and Tenure, and the appropriate chair of the Board of Trustees.

(d) The continuance in office of vice chancellors, provosts, deans, and directors of major educational, research and public services activities of the constituent institutions shall be determined by the chancellor of the institution.

(e) Notwithstanding the provisions of (b) and (d) above, the Board of Governors, in accordance with the provisions of Section 501B(6) of The

involvement in formulating, interpreting, and implementing institutional policy and exercising substantial independence of administrative authority and discretion in areas such as program planning and design and allocation of resources.
Code, reserves the right to initiate action to terminate appointment of those officers when it deems such action to be necessary in the best interests of the University.

2. Senior officers of a constituent institution are subject to the direction and control of the chancellor and serve at the chancellor's discretion. They are employees at will; thus, the chancellor may not purport to confer on any such officer a period of employment of fixed duration or otherwise confer any property interest in such employment. However, such an officer may be appointed to a period of employment not to exceed a specified number of years, so long as the instrument accomplishing such an appointment states clearly that the incumbent officer is subject to removal at any time, during that period, at the option of the chancellor.

3. Tenure status as a member of the faculty of a constituent institution, held concurrently by any senior officer of the University is separate and distinct from the administrative office, and such tenure status is governed by the provisions of Chapter Six of The Code and by the tenure policies of the relevant constituent institution. Those tenure policies have no bearing upon and do not govern the administrative appointments covered by this policy.

4. Appointment of Chancellors
   a. The appointment of chancellors shall be made by the Board of Governors upon the recommendation of the President, in accordance with N.C.G.S §116-11(4).
   b. The Board of Governors may approve a contract with a chancellor as recommended by the President. The contract may specify the chancellor's term of employment, salary, benefits, and performance based deferred or supplemental compensation; provisions for the termination of the chancellor's employment; and any other terms recommended by the President.
   c. In all other regards, the employment of chancellors is subject to The Code, the Policies of the Board of Governors, and the North Carolina General Statutes.
   d. Except as specifically otherwise provided in the contract, and except as provided in ¶ II.A.1(c) of this policy, after the Board of Governors has approved a contract with a chancellor, it will be the sole responsibility of the President to implement the terms of the contract.

B. Compensation

The compensation of senior officers shall be set by the Board of Governors or a Board of Trustees delegated such authority by the Board of Governors.

No chancellor and no senior academic and administrative officer may be paid, in addition to his or her salary as established pursuant to the foregoing requirements, for any services rendered to any institution-related foundation, endowment, or other University-related enterprise.

C. Equal Employment Opportunity

It is the policy and intention of the University of North Carolina that there be equal
employment opportunity and freedom from unlawful discrimination in all employment within the University. There shall be no discrimination in positions covered by this policy on the basis of race, color, creed, national origin, sex, religion, disability, age, or honorable service in the armed services of the United States. Employment in positions covered by this policy shall be conducted in accordance with all provisions of State or federal law or regulation prohibiting any such discrimination, and in accordance with applicable affirmative action plans.

D. Political Activity

Employment in positions covered by this policy shall not be adversely affected by the exercise of rights guaranteed by the First Amendment of the United States Constitution or by Article I of the North Carolina Constitution; provided, that employees in positions covered by this policy shall be subject to any limitations on political activity established by Article 5 of N.C.G.S. Chapter 126. The Board of Governors’ policies concerning political activity, Policy §§300.5 et seq., as they may be revised from time to time, shall apply to positions covered by this policy.

A senior officer shall be subject to the same State-prescribed holidays given employees subject to the State Personnel Act.

Annual leave in excess of 30 days will be automatically converted to sick leave at the end of the year. A senior officer who has accrued such unused annual leave as of the date of discontinuation of employment shall be paid for such unused annual leave, subject to a maximum of 30 days.

Subject to institutional policy and approval by the employee’s supervisor, a senior officer may be advanced the amount of leave that can be accrued during the remainder of the year or during a twelve-month period.

3. Sick Leave, Family and Medical Leave, Family Illness Leave, Civil Leave, Military Leave, Community Service Leave, and Special Annual Leave Bonus

However, with respect to sick leave, subject to institutional policy and approval by the employee’s supervisor, a senior officer may be advanced the amount of sick leave that can be accrued during the remainder of the year or during a twelve-month period.

4. **Miscellaneous Leaves of Absence**

A senior officer who desires a leave of absence for an interval of 90 days or less must obtain the approval of the President, who shall report all such arrangements to the Board of Governors. A leave of absence for a period exceeding 90 days shall require the approval of the Board of Governors.

5. **Voluntary Shared Leave**

A senior officer shall be subject to the same provisions concerning shared leave as are applicable to employees subject to the State Personnel Act with the exception that the donation and acceptance of such leave shall be computed on the basis of days rather than hours.

F. **Educational Entitlement**

A senior officer is entitled to the same opportunities as other University employees to invoke the privilege of tuition waiver conferred by N.C.G.S. § 116-143.G.

G. **Statutory and Other Rules of Employment**

A senior officer enjoys the protections of and is subject to the provisions of Article 7 of N.C.G.S. 126, entitled “The Privacy of State Employee Personnel Records.”

2. **Employment Preference for Veterans**

A senior officer enjoys the protections of and is subject to the provisions of N.C.G.S. §§ 128-15 and 128-15.1, which provide for preference in employment for veterans of United States military service and their spouses and widows or widowers.

3. **Employment of Related Persons**

A senior officer is subject to the policy concerning employment of related persons, Policy §300.4.2, as it may be revised from time to time.

H. **Retirement**

A senior officer may retire in accordance with the provisions of Chapter 135 of the North Carolina General Statutes (“Retirement System of Teachers and State Employees”).
III. Senior Academic and Administrative Officers of the University of North Carolina as Defined in Section I.B. above, Shall Be Subject to the Following Regulations.

A. Appointments

1. All senior academic and administrative officers as defined in Section I.B. above, are employed in their administrative positions pursuant to this policy. The authority to make appointments and determine salaries for positions within Section I.B. (1) is exercised by the Board of Governors, on recommendation of the President, or a Board of Trustees delegated such authority by the Board of Governors; for positions within Section I.B. (2), such authority is delegated by the Board of Governors to the chancellors and the respective Boards of Trustees of the constituent institutions.

2. Every appointment within a constituent institution covered by this policy shall be made by the chancellor, or the chancellor’s delegate, by means of a letter of appointment that fulfills the requirements of this Section III.

3. Every letter of appointment to a position covered by this policy shall include:

(a) the title of the position;

(b) the initial salary;

(c) provision for periodic review of compensation\(^4\);

(d) provision consistent with Sections III.A.4. and III.A.5. below, if contingencies based on availability of funding are applicable;

(e) the annual leave entitlement of the employee;

(f) notice that the employment conferred is either for a stated definite term or is an “employment at will” subject to continuation or discontinuation at the discretion, respectively, of the President or of the chancellor; and

(g) notice that the employment is subject to this policy as originally adopted and as it may be periodically revised from time to time, and a copy of the policies shall be attached to the letter of appointment.

4. When a position covered by this policy is funded in whole or substantial part from sources other than continuing State budget funds or permanent trust accounts, the letter of appointment shall state that continuation of the employee’s service in that position is contingent upon the continuing availability of funds from such other sources to support that position, shall specify the source of such funds, and shall state that the effect of such contingency may apply without the additional notice otherwise required by Sections III.B.1., III.B.2., and III.B.3.; provided, that the affected employee shall be informed at the earliest practicable date of the occurrence of such a funding contingency.

\(^4\) Subject to any compensation policies adopted by the Board of Governors or the Board of Trustees.
5. When an employee is to serve simultaneously in both a position covered by this policy and a position of University employment not covered by this policy, with the result that two different prescriptions may appear to obtain with respect to a particular condition of employment or a right or responsibility of the employee, one position shall be designated the base position to determine the conditions of employment and the rights and responsibilities of the employee. If appointment to a position covered by this policy occurs subsequent to an appointment to a position not covered by this policy, the letter of appointment to the position covered by this policy shall embody the required designation of base employment; conversely, if appointment to a position covered by this policy precedes appointment to the other category of University employment, the letter of appointment or contract establishing the second employment shall embody the required designation of base employment. In either case, the designation of base employment shall specifically describe the different rights, duties, and compensation for each position and the relationship, if any, between the two positions.

Any funding contingency of the type referred to in Section III.A.4. shall be set forth separately for the position covered by this policy and for the other position, since the operation of any such contingencies may be independent.

When an appointment to a position covered by this policy is to be accompanied by appointment to a faculty position that is intended to be nominal or honorary, or to create a faculty affiliation not entailing significant duties or compensation, the term “adjunct,” or similar nomenclature, shall be used to identify the faculty appointment.

B. Discontinuation of Employment

1. Discontinuation of appointment, with notice or severance pay

Employment within a position covered by this policy that is established by the letter of appointment to be an employment at will is subject to discontinuation at any time at the discretion, respectively, of the President or of the chancellor; provided, that such a discontinuation (as distinguished from discharge for cause, Section III.B.4.) shall be subject to advance timely notice of discontinuation or the payment of severance pay, in calendar days, as follows:

(a) during the first year of service, not less than 30 days notice prior to discontinuation of employment or the payment of severance pay for 30 days;

(b) during the second and third years of service, not less than 60 days notice prior to discontinuation of employment or the payment of severance pay for 60 days; and

(c) during the fourth and all subsequent years of continuous service, not less than 90 days notice prior to discontinuation of employment or the payment of severance pay for 90 calendar days.

The determination of whether the employee shall receive notice of
discontinuance of the appointment or severance pay shall be in the sole discretion of the respective chancellor or the president.

2. **Expiration of term appointment**

Employment within a position covered by this policy that is established by the letter of appointment to be for a stated definite term expires automatically at the conclusion of the stated term; such an appointment may be renewed or extended at the option of the employer, by written notice satisfying the requirements of Section III.A. If the employer intends not to renew or extend the term contract, (1) with respect to a term of one year or less, no notice of intent not to renew shall be required; (2) with respect to a term of more than one year but less than four years, notices of intent not to renew shall be transmitted in writing at least 60 days prior to this expiration date of the term; (3) with respect to a term of four years or more, notice of intent not to renew shall be transmitted in writing at least 90 days prior to the expiration date of the term. Failure to provide written notices as required in subsections (2) and (3) shall result in the automatic extension of employment for a period, respectively, of either 60 days or 90 days, beyond the scheduled expiration date of the term.

3. **Termination of employment because of financial exigency or program curtailment or elimination**

Employment within a position covered by this policy that is established by the letter of appointment to be for a stated definite term may be terminated prior to expiration of the stated term because of (1) demonstrable, bona fide institutional financial exigency or (2) major curtailment or elimination of a program. “Financial exigency” is defined to mean a significant decline in financial resources of the University that compels a reduction in the university’s or the institution’s budget. The determination of whether a condition of financial exigency exists or whether there shall be a major curtailment or an elimination of a program shall be made, respectively, by the President or by the chancellor, with advance notice to and approval by the Board of Governors. If the financial exigency or curtailment or elimination of a program is such that the contractual obligation to an employee within a position covered by this policy cannot be met, the employment of the individual may be terminated, subject to the following notice requirements;

(a) during the first year of service, not less than 30 days notice prior to termination;

(b) during the second and third years of employment, not less than 60 days notice prior to termination; and

(c) during the fourth and all subsequent years of service, not less than 90 days notice prior to termination.

4. **Discharge for Cause**

Any employee occupying a position covered by this policy may be discharged for stated cause. Discharge for cause is to be distinguished from discontinuation
with notice (Section III.B.1.), automatic expiration of term (Section III.B.2.), and
termination (Section III.B.3.). Stated causes for discharge shall include, but not
necessarily be limited to, incompetence, unsatisfactory performance, neglect of
duty, or misconduct that interferes with the capacity of the employee to perform
effectively the requirements of his or her employment. Discharge for cause is to
be preceded by written notice of intent to discharge and is subject to invocation
by the affected employee of the grievance procedures of Section III.C. of this
policy. When an employee occupying a position covered by this policy has been
notified of the intention to discharge for cause, the President or chancellor, as
applicable, may suspend the employment at any time and continue the suspension
until a final decision concerning discharge has been reached by the procedures
prescribed herein; the power to suspend shall be invoked only in exceptional
circumstances and such suspension shall be with full pay.

C. Review of Employment Decisions and Grievances

The Office of the President and each constituent institution respectively shall adopt and
publicize procedures applicable to relevant cohorts of employees, under which covered
employees may secure review of decisions concerning discharge for cause or other
disciplinary action, or of grievances concerning the interpretation and application of any
provision of this policy; provided, however, that grievances concerning discontinuations
or terminations of employment with notice, pursuant to Sections III.B.1, III.B.2., and
III.B.3, may be brought only upon allegations of violations of applicable notice
requirements or violations of any provision of Section III.D. or III.E. of this policy.
Decisions reached pursuant to such grievance procedures concerning the discontinuation
or termination of employment may be had in accordance with the provisions of Section
609 C of The Code.

D. Equal Employment Opportunity

It is the policy and intention of the University of North Carolina that there be equal
employment opportunity and freedom from unlawful discrimination in all employment
within the University. There shall be no discrimination in positions covered by this
policy on the basis of race, color, creed, national origin, sex, religion, disability, age, or
honorable service in the armed services of the United States. 5 Employment in positions
covered by this policy shall be conducted in accordance with all provisions of state or
federal law or regulation prohibiting any such discrimination, and in accordance with
applicable affirmative action plans.

E. Political Activity

Employment in positions covered by this policy shall not be adversely affected by the
exercise of rights guaranteed by the First Amendment of the United States Constitution or
by Article I of the North Carolina Constitution; provided, that employees in positions
covered by this policy shall be subject to any limitations on political activity established
by Article 5 of N.C.G.S. Chapter 126. The Board of Governors’ policies concerning
political activity, Policy §300.5, et seq. as they may be revised from time to time, shall
apply to positions covered by this policy.

5 Bona fide occupational qualifications or other exceptions to those general prohibitions, specifically
provided for by State or Federal law, may be applied to positions covered by this policy.
F. Holiday and Leave Entitlement

1. Holidays

Employees in positions covered by this policy shall be subject to the same State-prescribed holidays given employees subject to the State Personnel Act.

2. Annual Leave

(a) Basic Leave Policy

The amount of annual leave to which a permanent full-time employee (1.00 FTE) in a position covered by this policy shall be entitled to accrue is 24 workdays per year. Annual leave is accrued at a monthly rate and is adjusted proportionately for permanent part-time employees who work halftime or more (.50 - .99 FTE). The monthly earnings amount is equal to one-twelfth of the annual rate for each month the employee works or is on approved leave with pay. Monthly leave is earned when an employee works or is on approved leave with pay at least half the working days of a month. An employing institution shall define a year as either “fiscal year” (July 1 - June 30) or “calendar year” (January 1 - December 31). (Note: Employing institutions that have previously defined a year as “contract year” may continue to do so.) The scheduling of an employee’s annual leave shall be subject to the approval of the employee’s supervisor. With respect to an incumbent employee who is earning more than 24 days per year as of the date this policy becomes effective, such employee shall be entitled to continue to earn leave at the current rate.

---

6 Effective July 1, 2001.
The maximum number of unused days of annual leave that may be carried forward from one year to the next shall be 30 workdays. Annual leave in excess of 30 days will be automatically converted to sick leave at the end of the year.

(b) Transfer of Accrued Annual Leave

An employing institution must establish campus-wide uniform guidelines regarding the transfer of accrued annual leave from a UNC constituent institution or State or local governmental agency whose leave is currently transferable in accordance with the policy prescribed for employees subject to the State Personnel Act [See State Personnel Manual, Section 5-1]. Upon discontinuation of employment from the employing institution, the employee may either elect a payout of accrued annual leave [see (d) below] or transfer the remaining balance of any unused annual leave to another State or local governmental agency, subject to the receiving agency’s approval.

(c) Advancement of Annual Leave

Subject to institutional policy and approval by the employee’s supervisor, an employee may be advanced the amount of leave that can be accrued during the remainder of the year or during a twelve-month period. If an employee separates from the employing institution and has taken more annual leave than has been accrued, the employing institution must determine the amount of leave that the employee must repay to the institution and make deductions from the employee’s final salary check accordingly.

(d) Payout of Accrued Annual Leave

An employee in a position covered by this policy who has accrued unused annual leave upon discontinuation of employment from the employing institution and who either does not elect or is not eligible to transfer such accrued leave to another State or local governmental agency, shall be paid for such unused annual leave. The amount paid to an employee who has been employed an aggregate of 24 months or less by one or more State or local governmental agencies is equal to one day for each month worked less the number of days of annual leave taken during the employment period. An employee who has been employed for more than 24 months shall be paid subject to a maximum of 30 such days. Each institution shall establish guidelines for payout of leave if a change in employment status occurs and such employee is no longer covered by this policy.

3. Sick Leave, Family and Medical Leave, Family Illness Leave, Civil Leave, Military Leave, Community Service Leave and Special Annual Leave Bonus

Employees in positions covered by this policy shall be subject to the same policies concerning sick leave, family and medical leave, family illness leave, civil leave, military leave, community service leave, and special annual leave bonus (awarded to employees in leave earning status on 9/30/02) as may be
prescribed for employees subject to the State Personnel Act. However with respect to sick leave, subject to institutional policy and approval by the employee's supervisor, an employee may be advanced the amount of sick leave that can be accrued during the remainder of the year or during a twelve-month period.

4. **Leave of Absence Without Pay**

Employees in positions covered by this policy may request a leave of absence without pay, subject to approval of such leave by the President or by the chancellor, as applicable.

5. **Voluntary Shared Leave**

Employees in positions covered by this policy shall be subject to the same provisions concerning shared leave as are applicable to employees subject to the State Personnel Act with the exception that the donation and acceptance of such leave shall be computed on the basis of days rather than hours.

G. **Educational Entitlement**

Employees in positions covered by this policy are entitled to the same opportunities as other University employees to invoke the privilege of tuition waiver conferred by N.C.G.S. § 116-143.

H. **Statutory and Other Rules of Employment**

1. **Privacy of Personnel Records**

Employees in positions covered by this policy enjoy the protections of and are subject to the provisions of Article 7 of N.C.G.S. 126, entitled "The Privacy of State Employee Personnel Records."

2. **Employment Preference for Veterans**

Employees in positions covered by this policy enjoy the protections of and are subject to the provisions of N.C.G.S. §128-15 and 128-15.1, which provide for preference in employment for veterans of United States military service and their spouses and widows or widowers.

a. The President and her/his staff shall review the annual financial audit reports, special reports, electronic data processing reports, performance reports, management letters, or any other report issued by the State Auditor's Office for each special responsibility constituent institution.

b. The President shall take immediate action regarding reported weaknesses in the internal control structure, deficiencies in the accounting records, and noncompliance with rules and regulations. In any instance where significant findings are identified, the President shall notify the Chancellor/Executive Director of the particular special responsibility constituent institution that the institution must make satisfactory progress in resolving the findings, as determined by the President of The University, after consultation with the State Auditor, within a three-month period commencing with the date of receipt of the published financial audit report, any other audit report, or management letter.

c. If satisfactory progress is not made within a three-month period, the President shall recommend to the Board of Governors at its next meeting that the designation of the particular institution as a special responsibility constituent institution be terminated until such time as the exceptions are resolved to the satisfaction of the President of The University of North Carolina, after consultation with the State Auditor. However, once the designation as a special responsibility constituent institution has
been withdrawn by the Board of Governors, reinstatement may not be effective until the beginning of the following fiscal year at the earliest.

d. Any actions taken by the Board of Governors with respect to withdrawal or reinstatement of an institution's status as a special responsibility constituent institution shall be reported immediately to the Joint Legislative Education Oversight Committee.

e. The President and her/his staff, after consultation with the State Auditor, shall review and consult with the Director of the Office of State Personnel and the Director of the Division of State Purchasing and Contracts in ascertaining whether or not a constituent institution has the management staff and internal financial controls to administer the additional authorities authorized under G.S. 116-30.2, 116-30.4, and 116-31.10. Such review and consultation must take place no less frequently than once each biennium.

f. The President shall review plans submitted by the Chancellors/Executive Director for uses of funds carried forward from the previous fiscal year and anticipated lapsed salary funds and, upon approval, present a summary of these plans to the Board of Governors at its August meeting each year.

B. Budget Administration

1. Appropriations to Special Responsibility Constituent Institutions

a. All General Fund appropriations made by the General Assembly for continuing operations of a special responsibility constituent institution of The University of North Carolina shall be made in the form of a single sum to each budget code of the institution for each year of the fiscal period for which the appropriations are being made.

b. Notwithstanding G.S. 143-23(al), G.S. 143-23 (a2), G.S. 143-23(a3), and G.S. 120-76(8), each special responsibility constituent institution may expend the General Fund monies so appropriated to it in the manner deemed by the Chancellor/Executive Director to be calculated to maintain and advance the programs and services of the institutions, consistent with the directives and policies of the Board of Governors including but not limited to the following:

1. A current institutional expenditure plan for each budget code must be established and maintained under the direction of the Chancellor/Executive Director.

2. No action shall be taken that would materially change the capability of the institution to carry out its educational mission as defined by the Board of Governors. The Board of Governors will retain program responsibility. No actions taken should have the effect of either establishing a new academic, research, or public service program or closing such a program without the specific approval by the Board. Reallocation of academic program resources should not be made to the extent that a particular existing program is seriously
weakened or effectively discontinued, or a new activity not expressly authorized by the Board of Governors is initiated.

3. Reallocations of interinstitutional program resources should not be made to the extent that campus participation in a particular program is materially weakened without specific approval by the Board.

4. No action should be taken which would have the effect of establishing a new community service or student financial aid program without specific approval by the Board of Governors.

5. Appropriations providing support for Distance Education/Extension degree credit instruction at off-campus locations cannot be reallocated for other purposes without specific approval by the Board of Governors.

c. The quarterly allotment procedure established pursuant to G.S. 143–17 shall apply to the General Fund appropriations made for the current operations of each special responsibility constituent institution.

d. All General Fund monies so appropriated to each special responsibility constituent institution shall be recorded, reported, and audited in the same manner as are General Fund appropriations to other constituent institutions.

e. The preparation, presentation, and review of General Fund budget requests of special responsibility constituent institutions shall be conducted in the same manner as are requests of other constituent institutions.

2. Reversions and Carry-Forwards of Appropriations

Of the General Fund current operations appropriations credit balance remaining in each budget code of a special responsibility constituent institution, at the close of a fiscal year, any amount of the General Fund appropriations for that budget code, may be carried forward by the institution to the next fiscal year and may be used for one-time expenditures that will not impose additional financial obligations on the State. However, the amount carried forward under this section shall not exceed two and one-half percent (2 1/2%) of the General Fund appropriation. The Director of the Budget, under the authority set forth in G.S. 143-25, shall establish the General Fund current operations credit balance remaining in each budget code of each institution. (Note advanced approval requirement in Sections A1.f. and A2.f. above.)

C. Personnel Administration

The Chancellor of a special responsibility constituent institution, when he finds that to do so would help to maintain and advance the programs and services of the institution, may establish and abolish positions, acting in accordance with:

(1) State Personnel policies and procedures if these positions are subject to the State Personnel Act and if the institution is operating under the terms of a Performance
Agreement or a Decentralization Agreement authorized under Chapter 126 of the General Statutes; or

(2) Policies and procedures of the Board of Governors if these positions are exempt from the State Personnel Act.

The results achieved by establishing and abolishing positions pursuant to the conditions set forth in subdivision (1) of this section shall be subject to postauditing by the Office of State Personnel.

With respect to personnel actions taken under subdivision (2) of this section, no action should have the effect of either establishing a new academic program or administrative unit or closing an existing academic or inter-institutional program or administrative unit. No action should be taken which permanently reduces the number or amount of Regular Term budgeted teaching positions supported by General Fund appropriations thereby changing the student-faculty ratio or the budgeted average teaching salary established by the Board of Governors.

Implementation of all personnel actions shall be subject to the availability of funds within the institution's current budget to fund the full annualized costs of these actions.

D. Purchasing

Notwithstanding G.S. 143-53.1 or G.S. 143-53(a)(2), the expenditure benchmark for a special responsibility constituent institution with regard to competitive bid procedures and the bid value benchmark shall be an amount not greater than $500,000. The Board shall set the benchmark for each institution from time to time. In setting an institution’s benchmark, the Board shall consider the institution’s overall capabilities including staff resources, purchasing compliance reviews, and audit reports. The Board shall also consult with the Director of the Division of Purchase and Contract and the Director of the Budget prior to setting the benchmark.

Institutions with an expenditure benchmark greater than $250,000 but not greater than $500,000 shall submit to the Division of Purchase and Contract for that Division’s approval, or other action deemed necessary by the Division, a copy of all offers received and the institution’s recommendation of award or other action. Notice of the Division’s decision shall be sent to that institution. The institution shall then proceed with the award of contract or other action recommended by the Division.

The power and authority granted to the Board of Governors with regard to the acquisition, operation, maintenance and disposition of real and personal property and services shall be subject to, and exercised in accordance with, the provisions of Chapter 143 and 146 of the General Statutes and related sections of the North Carolina Administrative Code, except when a purchase is being made that is not covered by a State term contract and either:

(1) The funds used to procure personal property or services are not moneys appropriated from the General Fund or received as tuition or, in the case of multiple fund sources, moneys appropriated from the General Fund or received as tuition do not exceed thirty percent (30%) of the total funds; or
(2) The funds used to procure personal property or services are contract and grant funds or, in the case of multiple fund sources, the contract and grant funds exceed fifty percent (50%) of the total funds.

When a special responsibility constituent institution makes a purchase under condition (1) or (2) above, the requirements of Chapter 143, Article 3 shall apply, except the approval or oversight of the Secretary of Administration, the State Purchasing Officer, or the Board of Awards shall not be required, regardless of dollar value.

Special responsibility constituent institutions shall have the authority to purchase equipment, materials, supplies, and services from sources other than those certified by the Secretary of Administration on term contracts, subject to the following conditions:

(1) The purchase price, including the cost of delivery, is less than the cost under the State term contract;

(2) The items are the same or substantially similar in quality, service, and performance as items available under State term contracts;

(3) The cost of the purchase shall not exceed the benchmark established under G. S. 116-31.10; and

(4) The special responsibility constituent institution notifies the Department of Administration of purchases consistently being made under this provision so that State term contracts may be improved.

E. Impact on Education

Each special responsibility constituent institution shall include in its institutional effectiveness plan those assessment measures that are determined by the Board to be measures that will assure some standard measure of student learning and development in general undergraduate education. The intent of this requirement is to measure the impact of G.S. 116–30.1 through G.S. 116–30.5, establishing and administering special responsibility constituent institutions, and their implementation on undergraduate student learning and development. The measures shall be taken from accountability reports to the Board and any other performance measures developed for this purpose by the Board.

F. Reporting Requirements

1. Monthly Report

Each designated institution must prepare a monthly operating report for each budget code in the format of the current BD–701 report. The "Authorized Budget" included in this report, which may be changed under the direction of the Chancellor/Executive Director, will show the institution's current expenditure plan. The current Chart of Accounts will be used for reporting purposes.

b. An annual plan for expending anticipated lapsed salary funds for the fiscal year. This portion of the plan would be a projection of the amount of lapsed salaries and the programmatic priorities for expending the estimated funds.

3. Annual Report

An annual report, and other reports as may be directed by the President, are required from each special responsibility constituent institution. The annual report must be submitted to the Office of the President by October 10 following fiscal year end, and shall include the following information:

d. management initiatives undertaken
e. increased efficiency and effectiveness achieved, including institutional purchases under the expenditure benchmark established by the Board of Governors for the institution
f. other outcomes made possible by the flexibility provided

h. the actual uses of appropriations carried forward from the previous fiscal year
i. any additional costs incurred
j. a schedule of positions established and positions abolished
k. list of positions that were vacant for more than 9 months during the fiscal year and an explanation for the length of the vacancy
l. compliance certification letter to the President from each SRCI Chancellor/Executive Director

Each institution must establish the administrative procedures necessary to accumulate this information for reporting purposes.
