

**Policy on Tuition with Respect To Student Exchange Programs with Institutions Abroad**

On March 15, 1996, the Board of Governors approved the following recommendation, essentially reconfirming an already existing practice of one-on-one exchanges:

The constituent institutions are hereby authorized to enter into and extend or modify agreements with institutions in other countries to provide for a balanced exchange of students. A UNC student participating in such an exchange shall be charged tuition by the home UNC institution at a rate consistent with the residency status the student would otherwise have at the home institution and shall be counted in the official FTE of the home institution in that residency status. A foreign student participating in such an exchange agreement shall not be charged tuition by the host UNC institution and shall not be counted in the official FTE of the host UNC institution.
