Last revised January 31, 2025

These institutions operate degrees which have been declared by the appropriate state authority exempt from the requirements for licensure under provisions of G.S. 116-15(d), for exemption from licensure with respect to religious education. **Exemption from licensure is not based upon assessment of program quality under established licensing standards.**

This exemption may not apply to all programs offered at the institution. You may contact state authorization staff at stateauthorization@northcarolina.edu for information about which programs have been declared exempt or to report any institutions not listed that may be operating unlawfully.
