

UNC System SACS-COC Liaison Contact List

The Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) is the body for the accreditation of degree-granting higher education institutions in the Southern states. It serves as the common denominator of shared values and practices primarily among the diverse institutions in the Southern United States, Latin America, and other international sites approved by the SACS-COC Board of Trustees that award associate, baccalaureate, master's, or doctoral degrees. The following list contains the names and contact information for SACS-COC Liaisons across the UNC System.
