*Routine capital authorizations and increases, real property transactions, and debt issuances will be presented at the virtual committee meetings. Submittals for future Board meetings are typically due on the last day of the previous Board meeting. Exceptions to this norm are shown in ***bold italics***. Submissions must be received by 5 p.m. (***Revisions to previous deadlines and meeting dates are in red.***) Allow longer lead-times for more complex, non-routine items. Advance contact with a member of the capital planning team is highly recommended for such items.
