

**Statement on Budget**  
**November 15, 2021**

“We are pleased by the House and Senate conference budget,” said UNC System President Peter Hans. “Provisions include well-deserved raises for our hardworking faculty and staff, record investments in repair and renovation projects, and expansion of the NC Promise reduced tuition program. We are also grateful for the General Assembly’s major new investment in serving adult learners. This budget will help us fulfill our commitment to providing high quality, affordable education to all.”
